The directors and executive officers of OrbiMed Advisors LLC and OrbiMed Capital II LLC are set forth on Schedules I and II, attached hereto. Schedules I and II set forth the following information with respect to each such person:

(i) name;

(ii) business address (or residence address where indicated);

Item 3. Source and Amount of Funds or Other Consideration.  
-----

On February 17, 2004, pursuant to the authority of OrbiMed Advisors LLC and OrbiMed Capital II LLC under their respective investment advisory contracts and limited partnership or limited liability company agreements with or relating to Caduceus Private Investments II, LP, Caduceus Private Investments II (QP), LP and UBS Juniper Crossover Fund, L.L.C. as more particularly referred to in Item 6 below caused these clients to purchase, in the aggregate, 1,666,667 Shares of Biocryst Pharmaceuticals, Inc. (the "February 2004 Purchase of Shares"), and as a result of their common control and mutual affiliation, the Reporting Persons were the beneficial owners of approximately 7.82% of the outstanding Shares of the Issuer.

None of the Reporting Persons have acquired or disposed of any additional Shares of the Issuer since the February 2004 Purchase of Shares.

Item 4. Purpose of Transaction.  
-----

As described more fully in Item 3 above, this statement relates to the acquisition of Shares by the Reporting Persons. The Shares acquired by the Reporting Persons have been acquired for the purpose of making an investment in the Issuer and not with the present intention of acquiring control of the Issuer's business on behalf of their respective advisory clients.

The Reporting Persons have been granted the right to nominate a representative to the Board of Directors (the "Board") of the Issuer, and expect exercised that right in the future by the nomination of a representative to the Board.

The Reporting Persons from time to time intend to review their investment in the Issuer on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's Shares in particular, as well as other developments and other investment opportunities. Based upon such review, the Reporting Persons will take such actions in the future as the Reporting Persons may deem appropriate in light of the circumstances existing from time to time. If the Reporting Persons believe that further investment in the Issuer is attractive, whether because of the market price of the Issuer's Shares or otherwise, they may acquire shares of common stock or other securities of the Issuer either in the open market or in privately negotiated transactions. Similarly, depending on market and other factors, the Reporting Persons may determine to dispose of some or all of the Shares currently owned by the Reporting Persons or otherwise acquired by the Reporting Persons either in the open market or in privately negotiated transactions.

Except as set forth above, the Reporting Persons have not formulated any plans or proposals which relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer, (b) an extraordinary corporate transaction involving the Issuer or any of its subsidiaries, (c) a sale or transfer of a material amount of the assets of the Issuer or any of its subsidiaries, (d) any change in the present board of directors or management of the Issuer, (e) any material change in the Issuer's capitalization or

dividend policy, (f) any other material change in the Issuer's business or corporate structure, (g) any change in the Issuer's charter or bylaws or other or instrument corresponding thereto or other action which may impede the acquisition of control of the Issuer by any person, (h) causing a class of the Issuer's securities to be deregistered or delisted, (i) a class of equity securities of the Issuer becoming eligible for termination of registration or (j) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.  
-----

(a)-(b) As of this date of this filing, Samuel D. Isaly, OrbiMed Advisors LLC and OrbiMed Capital II LLC may be deemed directly or indirectly, including by reason of their mutual affiliation, to be the beneficial owners of 1,666,667 Shares. Based upon information contained in the most recent available filing by the Issuer with the SEC, such Shares constitute approximately 7.82% of the issued and outstanding Shares. As described above in Item 2, Isaly owns, pursuant to the terms of the limited liability company agreement of each of OrbiMed Advisors LLC and OrbiMed Capital II LLC, a controlling interest in the outstanding limited liability company interests of such entity. As a result, Samuel D. Isaly, OrbiMed Advisors LLC and OrbiMed Capital II LLC share power to direct the vote and to direct the disposition of 1,666,667 Shares.

(c) Except as disclosed in Item 3, the Reporting Persons have not effected any transaction in the Shares during the past 60 days.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with  
-----  
Respect to Securities of the Issuer.  
-----

As noted above under Item 4, the Reporting Persons, as a group, have their representative on the Board of the Issuer and accordingly the Reporting Persons may have the ability to effect and influence control of the Issuer.

The General Partner is hereby authorized to enter into the documents described in the preceding sentence on behalf of the Partnership, but such authorization shall not be deemed a restriction on the power of the General Partner to enter into other documents on behalf of the Partnership.

SECTION 2.06. Admission of Limited Partners. On the Initial Closing Date, each Person whose subscription for a Partnership Interest in the Partnership has been accepted by the General Partner shall, upon execution and delivery of a counterpart of this Agreement, become a Limited Partner and shall be shown as such on the books and records of the Partnership.

SECTION 2.07. Additional Limited Partners. (a) At any time during the period

The purchase by the Partnership of such QP Fund Investments from the QP Fund shall be made at the QP Fund's cost in such QP Fund Investments plus an interest component on such amount equal to the Prime Rate. The interest component provided for above shall not be treated as income of the Partnership and shall be allocated to the existing Partners outside the Partnership by the General Partner.

As used herein, the term "Partnership Expenses" means all expenses or obligations of the Partnership or otherwise incurred by the General Partner in connection with this Agreement (other than the obligation of the Partnership to make or pay for any Partnership Investments), including without limitation:

- (i) all Organizational Expenses and ongoing administrative expenses of the Partnership, certain of which the Partnership intends to amortize over a period of 60 months;
- (ii) all ongoing Professional Expenses for services rendered to or in connection with the Partnership or in connection with this Agreement;
- (iii) all unreimbursed Out-of-Pocket Expenses incurred in connection with Partnership activities;

- (iv) all unreimbursed Professional Expenses and Out-of-Pocket Expenses (including Partnership Investment Vehicle Expenses) incurred in connection with the acquisition, holding, refinancing, pledging, sale or proposed refinancing, pledging or sale of all or any portion of any Investment and costs and expenses of researching, conducting due diligence on and otherwise maintaining the Investments (including travel expenses, provided that travel expenses incurred in connection with monitoring investments shall reduce the Management Fee) and costs and expenses associated with the retention of consulting specialists by the General Partner to assist it in the analysis, purchase and sale of Investments;
- (v) all expenses incurred in connection with any litigation or other proceeding involving the Partnership (including the cost of any investigation and preparation) and the amount of any judgment or settlement paid in connection therewith;
- (vi) all expenses for indemnity or contribution payable by the Partnership to any Person, whether payable under Article VIII or otherwise and whether payable in connection with any litigation involving the Partnership or otherwise;
- (vii) all unreimbursed expenses incurred in connection with the collection of amounts due to the Partnership from any Person;
- (viii) all expenses incurred in respect of any taxes imposed on the Partnership or in connection with tax proceedings that are characterized as Partnership Expenses pursuant to Section 3.11;
- (ix) all expenses incurred in connection with the preparation of amendments to this Agreement;
- (x) all Partnership Investment Expenses;
- (xi) the Management Fee; and
- (xii) all expenses incurred in connection with the dissolution and liquidation of the Partnership.

Notwithstanding the foregoing, the Participating Partners in respect of any Partnership Investment for which a Partnership Investment Vehicle is formed shall be responsible for and shall pay all Partnership Investment Vehicle Expenses with respect to such Partnership Investment Vehicle to the extent of their respective Capital Commitments, and the other Partners shall be deemed to have a Capital Commitment equal to zero for purposes of funding such Partnership Investment Vehicle Expenses.

(b) The Participating Partners in respect of any Parallel Investment shall be responsible for and shall pay all Parallel Investment Expenses related to such Parallel Investment to the extent of their respective Capital Commitments, and the other Partners shall be deemed to have a Capital Commitment equal to zero for purposes of funding such Parallel Investment Expenses. If the General Partner determines, in its discretion, that any Expense relates to both a Partnership Investment and one or more Parallel Investments, the General Partner shall allocate such Expense among the Partnership and the applicable Parallel Investment Vehicles (or, in the case of a Parallel Investment without a Parallel Investment Vehicle, the Participating Partner or Participating Partners in respect of such Parallel Investment), pro rata in proportion to the aggregate Capital Contributions made with respect to such Partnership Investment and each such Parallel Investment.

The General Partner and the Limited Partners acknowledge and agree that to the extent permitted by law (i) no Parallel Investment Expense shall be incurred for the benefit of or borne by the Partnership, (ii) no Parallel Investment Expense shall constitute or be deemed to be a Partnership Expense for any purpose and (iii) no creditor whose claims arise in connection with any Parallel Investment shall have any recourse or claim against the Partnership or any Partnership Investment or be entitled reasonably to rely on the existence of the Partnership or any Partnership Investment in extending credit with respect to such Parallel Investment. Without limiting the generality of the foregoing, to the extent permitted by law (x) no Parallel Investment Expense shall be set forth on the books and records of the Partnership or, except as otherwise required by law, listed on the tax returns to be filed by the Partnership and (y) the Partnership shall not use any of its funds to pay or otherwise satisfy any Parallel Investment Expense.

SECTION 3.05. Restriction on Borrowings. The Partnership shall not (i) incur any indebtedness for borrowed money, (ii) guarantee the obligations of any Person or (iii) otherwise become contingently liable with respect to any indebtedness of any Person.

SECTION 3.06. Certain Contributions by the General Partner. The General Partner may, in its discretion, pay any Partnership Expense (or portion thereof) that the General Partner is otherwise entitled to require the Partners to fund pursuant to this Agreement, and such payment shall be treated as a cash contribution by the General Partner and credited to its Capital Account pursuant to Section 6.08(a). If the General Partner makes cash contributions to the Partnership pursuant to this Section 3.06, the General Partner shall have the option to require the Partners to fund, in accordance with Section 5.02(b), a Special Expense Distribution to the General Partner on any subsequent Drawdown Date on which the Partners are required to make Capital Contributions in respect of Investments.

SECTION 3.07. Transactions with Affiliates. In addition to transactions specifically contemplated by this Agreement, the General Partner, when acting in its capacity as General Partner of the Partnership, is hereby authorized to purchase property or obtain services from, to sell property or provide services to, or otherwise to deal with the General Partner (acting in a capacity other than its capacity as General Partner of the Partnership), any Affiliate of the General Partner, any Partner, any Person in which a Partnership Investment has been, or is proposed to be, made, or any Affiliate of any of the foregoing Persons; provided that, in connection with any such dealing (other than those specifically contemplated by the immediately

succeeding sentence of this Section 3.07) between the Partnership and the General Partner (acting in a capacity other than its capacity as General Partner of the Partnership), any Affiliate of the General Partner, or any Partner, such dealing shall be on terms no less favorable to the Partnership than the terms that would be obtained on an arm's-length basis and the General Partner shall disclose the arrangements of such dealing to the Advisory Committee. In connection with any services performed by any Affiliate of the General Partner for the Partnership, such Affiliate shall be entitled to be compensated by the Partnership for such services, and the amount of such compensation shall be determined by the General Partner in its discretion; provided that (x) such compensation at any time shall not exceed the amount such Affiliate would customarily receive from third parties as compensation at such time for the performance of similar services and (y) such services shall not be rendered for additional compensation if already covered by the Management Fee or if such services are of a type of activity required to be performed by the General Partner pursuant to its obligations hereunder. Each Partner acknowledges and agrees that the purchase or sale of property, the performance of such services, the borrowing of such funds, other dealings, or the receipt of such compensation may give rise to conflicts of interest between the Partnership and the Partners, on the one hand, and the General Partner or such Affiliate, on the other hand.

SECTION 3.08. Other Activities, Conflicts of Interest. (a) Each Partner (1) represents and warrants that such Partner has carefully reviewed and understood the information contained in the Offering Memorandum and (2) acknowledges and agrees that the General Partner or any of its Affiliates may engage in any of the activities of the type or character described in the Offering Memorandum under the caption "Certain Risk Factors and Conflicts of Interest", or elsewhere therein, whether or not such activities have or could have an effect on the Partnership's affairs or on any Investment. Without limiting the generality of any of the foregoing, each Partner acknowledges and agrees that:

(i) the General Partner, any of its Affiliates and any officer or employee of any such Person shall be required to devote only such time to the affairs of the Partnership as the General Partner determines in its discretion may be necessary to manage and operate the Partnership, and any such Person, to the extent not otherwise directed by the General Partner (but subject to Section 4.03), shall be free to serve any other Person or enterprise in any capacity that it may deem appropriate in its discretion; and

(ii) Affiliates of the General Partner shall have the right to perform consulting services for, and to receive compensation from, any Person in which an Investment has been, or is proposed to be, made; provided that such services shall not be rendered for additional compensation if already covered by the Management Fee or if such services are of a type of activity required to be performed by the General Partner pursuant to its obligations hereunder. In addition, such Affiliates shall have the right to purchase property (including securities) from, to sell property or lend funds to, or otherwise to deal with, any Person in which an Investment has been, or is proposed to be, made. Employees of the General Partner and its Affiliates may also receive cash and equity compensation in connection with serving as directors of portfolio companies. Each Partner further acknowledges and agrees that the performance of such services, the purchase or sale of such property, the lending of such funds, other dealings, or the receipt of such fees may give rise to conflicts of interest between the Partnership and the Partners, on the one hand, and Affiliates of the General Partner, on the other hand, and that any such fees or other

compensation will not be shared with the Partnership or any Partner.

(b) Unless otherwise expressly provided herein, whenever a conflict of interest exists or arises between the General Partner, any of its Affiliates, or a Limited Partner, on the one hand, and the Partnership or, in the case of the General Partner or its Affiliates, any Limited Partner, on the other hand, the General Partner shall, promptly after becoming aware of such conflict of interest, disclose such conflict of interest to the Advisory Committee, together with information reasonably necessary to enable the Advisory Committee to evaluate such conflict of interest, and the Advisory Committee shall resolve such conflict of interest in its reasonable discretion after consultation with the General Partner.

SECTION 3.09. Books and Records; Accounting Method. (a) The General Partner shall keep or cause to be kept at the address of the General Partner (or at such other place as the General Partner shall advise the other Partners) full and accurate books and records of the Partnership. Subject to Sections 3.10(a) and 3.10(b), such books and records shall be available, upon five Business Days' notice to the General Partner, for inspection and copying at reasonable times during business hours by each Limited Partner or its duly authorized agents or representatives for a purpose reasonably related to such Limited Partner's interest in the Partnership. Each Limited Partner agrees that such books and records contain confidential information relating to the Partnership and its affairs.

(b) The Partnership's books of account shall be kept on the same basis followed by the Partnership for United States federal income tax purposes.

SECTION 3.10. Confidentiality. (a) Each Partner, other than the General Partner, agrees to keep confidential, and not to disclose to any Person, any matter relating to the Partnership and its affairs, including the identities of the other Partners and the beneficial owners of the related Partnership Interests and any matter related to any Investment (other than disclosure to such Partner's employees, agents, advisors, or representatives responsible for matters relating to the Partnership and who need to know such information in order to perform such responsibilities (each such Person being hereinafter referred to as an "Authorized Representative") or the other Limited Partners); provided that such Partner or any of its Authorized Representatives may make such disclosure to the extent that (i) the information being disclosed is otherwise generally available to the public, (ii) such disclosure is requested by any governmental body, agency, official or authority having jurisdiction over such Partner or (iii) such disclosure, in the written opinion of legal counsel of such Partner or Authorized Representative, is otherwise required by law. Prior to making any disclosure described in clause (iii) of this Section 3.10(a), each Partner shall notify the General Partner of such disclosure and deliver to the General Partner a copy of the opinion referred to in such clause (iii). Prior to any disclosure to any Authorized Representative, each Limited Partner shall advise such Authorized Representative of the obligations set forth in this Section 3.10(a) and obtain the agreement of such Person to be bound by the terms of such obligations. Notwithstanding any other provision of this Agreement, any Partner (and each of its employees, representatives or other agents) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Partnership and any Partnership Investment or Parallel Investment, provided that the foregoing does not constitute an authorization to disclose information identifying the Partnership, the Partners, or

any parties to Partnership Investments or Parallel Investments or (except to the extent relating to such tax structure or tax treatment) any nonpublic commercial or financial information.

(b) The General Partner may, to the maximum extent permitted by applicable law, keep confidential from any Limited Partner any information (including information requested by such Limited Partner pursuant to Section 3.09) the disclosure of which (i) the Partnership, any Partnership Investment Vehicle or Parallel Investment Vehicle or the General Partner is required to keep confidential by law or by the terms of any agreement entered into in good faith in connection with any proposed Investment or (ii) the General Partner reasonably believes may have an adverse effect on (x) the ability to consummate any proposed Investment or any transaction directly or indirectly related to, or giving rise to, such Investment, (y) the Partnership or any Partnership Investment Vehicle or Parallel Investment Vehicle or (z) any entity in which an Investment has been, or is proposed to be, made. If information is withheld from any Limited Partner pursuant to this Section 3.10(b), the General Partner shall provide such information to such Limited Partner after the circumstances described in the preceding sentence are no longer continuing.

SECTION 3.11. Partnership Tax Returns. (a) The General Partner shall cause to be prepared and timely filed all tax returns required to be filed for the Partnership. The General Partner may, in its discretion, make, or refrain from making, any income or other tax elections for the Partnership that it deems necessary or advisable, including an election pursuant to Section 754 of the Code.

(b) The General Partner is hereby designated as the Partnership's "Tax Matters Partner" under Section 6231(a)(7) of the Code. The General Partner is specifically directed and authorized to take whatever steps the General Partner, in its discretion, deems necessary or desirable to perfect such designation, including filing any forms or documents with the Internal Revenue Service and taking such other action as may from time to time be required under Treasury regulations. Any Limited Partner shall have the right to participate in any administrative proceedings relating to the determination of Partnership items at the Partnership level. Expenses of such administrative proceedings undertaken by the Tax Matters Partner shall be Partnership Expenses. Each Limited Partner who elects to participate in such proceedings shall be responsible for any expenses incurred by such Limited Partner in connection with such participation. The cost of any resulting audits or adjustments of a Partner's tax return shall be borne solely by the affected Partner.

(c) The General Partner shall, at the sole cost and expense of the affected Limited Partner, use commercially reasonable efforts to (i) provide each Limited Partner with such assistance as such Limited Partner may reasonably request in connection with any tax filing requirements arising in any jurisdiction other than the Limited Partner's jurisdiction of residence for tax purposes and relating to income derived by the Limited Partner from the Partnership, any Parallel Investment or any Parallel Investment Vehicle and (ii) assist the Limited Partners in obtaining any tax refunds or other tax benefits from any such jurisdiction, arising in connection with any Partnership Investment or Parallel Investment.

SECTION 3.12. Annual Meeting. The General Partner shall call a meeting of the

Partners on an annual basis by giving notice of such meeting to each Partner not less than 30 days prior to such meeting. Such notice shall specify the time and place of such meeting.

SECTION 3.13. Reliance by Third Parties. Persons dealing with the Partnership are entitled to rely conclusively upon the power and authority of the General Partner as herein set forth.

SECTION 3.14. ERISA. The General Partner agrees to use its best efforts to operate the Partnership in such a way that none of the Partnership's assets would be deemed to be "plan assets" for purposes of ERISA by causing the Partnership to qualify as a "venture capital operating company" for purposes of ERISA. If, despite such efforts, the General Partner becomes aware or is notified that the Partnership's assets may be deemed to be such plan assets, and reputable counsel to the General Partner issues a legal opinion to the General Partner confirming that the foregoing is reasonably likely, then the General Partner may take any action authorized under Section 3.03, including without limitation canceling in whole or in part the ERISA Partners' respective Remaining Capital Commitments or requiring the sale in whole or in part of the ERISA Partners' respective Partnership Interests in the Partnership, without the approval of any ERISA Partner; provided that such cancellation, sale or other action shall be imposed on all ERISA Partners pro rata in accordance with their respective Commitment Percentages (calculated without giving effect to the Capital Commitment of any Partner that is not an ERISA Partner).

#### ARTICLE IV

##### INVESTMENTS AND INVESTMENT OPPORTUNITIES

SECTION 4.01. Investments Generally. The assets of the Partnership shall, to the extent not required for the payment of expenses or otherwise necessary for the conduct of the Partnership's business (as determined by the General Partner in its discretion), and subject to Sections 2.03(b), 3.03 and 5.07, be invested in such Partnership Investments as the General Partner shall determine in its discretion. In the discretion of the General Partner, Partnership Investments shall be made either directly by the Partnership or indirectly through one or more Partnership Investment Vehicles, or shall be made as Direct Investments; provided, that at the time any Investment is made the General Partner may not, without the consent of the Required Partners, (i) allocate more than 15% of the aggregate Capital Commitments in any one Partnership Investment, (ii) allocate more than 25% of the aggregate Capital Commitments in non-United States entities, or (iii) allocate more than 33% (or up to 50% with the consent of the Advisory Committee) of the aggregate Capital Commitments in publicly traded securities; provided, however, that the General Partner may exceed the foregoing percentages without the consent of the Required Partners for a period of one year from the date of such Investment in the event the General Partner intends to syndicate such Investment in order to comply with the foregoing percentages following such syndication so long as in no event shall any Investment be allocated more than 25% of the aggregate Capital Commitments (including any amounts intended for syndication), and any such deviation from the foregoing 15% limitation with respect to the aggregate Capital Commitments shall be with respect to no more than one Investment at a time.

Subject to and in accordance with Section 4.04, the General Partner may, in its discretion, permit certain Partners (other than an ERISA Partner) to make Parallel Capital Contributions outside the Partnership in such Parallel Investments as the General Partner shall determine in its discretion. In the discretion of the General Partner, Parallel Investments shall be made either directly by the Participating Partners in respect of such Parallel Investments or indirectly through one or more Parallel Investment Vehicles.

Notwithstanding the foregoing, the Partnership shall not make any Investment in connection with a tender offer for outstanding securities of any Person that is the subject, directly or indirectly, of such Investment if the Board of Directors (or other analogous body) of such Person recommends in such Person's Tender Offer Solicitation/Recommendation Statement on Schedule 14D-9, as amended or supplemented, that security holders not tender securities pursuant to such offer. It is further understood that the Partnership will not make Investments of a type or character inconsistent with the investments described in the Offering Memorandum.

SECTION 4.02. Co-Investments. If, in connection with one or more proposed Investments arising from a single investment opportunity and subject to Section 4.03, the General Partner determines, in its discretion, that there are additional securities available for investment by the Eligible Partners (as hereinafter defined) outside the Partnership and other than through Parallel Investments, the General Partner may, in its discretion, offer such Eligible Partners an opportunity to make a Co-Investment in such additional securities (the "Excess Amount"). Such securities may be offered to Eligible Partners by the issuer of such securities or a third party. Each Eligible Partner will be offered an opportunity to make a Co-Investment in such securities in an amount equal to the product of (i) such Eligible Partner's Commitment Percentage (calculated without giving effect to the Capital Commitment of any Partner who is not an Eligible Partner) times (ii) the Excess Amount. If any Eligible Partner declines to invest in all or any portion of its share of the Excess Amount, such uncommitted amount will first be offered to any other Eligible Partner who has agreed to invest in its share of the Excess Amount and concurrently advised the General Partner of its willingness to make a Co-Investment in excess of such share, and the General Partner shall allocate such uncommitted amount among all such other Eligible Partners on a basis the General Partner determines in its discretion is, under the circumstances, equitable and practicable. Notwithstanding the foregoing, the General Partner shall be free to offer any uncommitted amount (in addition to any securities not offered to Eligible Partners) to the other Partners (including the General Partner), or to any other Person, which may include any Affiliates of the General Partner, funds advised by the General Partner or its Affiliates, or any director, officer, employee or agent of the General Partner or any of its Affiliates. For the avoidance of doubt, the General Partner shall not receive any Carried Interest in respect of Co-Investments made by Eligible Partners.

The term "Eligible Partner" means, with respect to any proposed Co-Investment, all Special Limited Partners except (i) any Defaulting Partner and (ii) any Partner who is an Excused Partner with respect to any related Investment. Any Co-Investment shall be in the same securities and at the same cost as are applicable to any one or more of the related Investments; provided that:

(a) such Co-Investment shall be subject to (A) the payment of a ratable portion of any

expenses incurred by the General Partner or any of its Affiliates in connection with the making of such Co-Investment and (B) arrangements that would restrict the voting and transfer of the subject securities (provided that if voting or transfer restrictions are imposed, such arrangements would not permit the Partnership (in the case of any Partnership Investment in the same securities) or any Participating Partner (in the case of any Parallel Investment in the same securities) to sell all or any portion of such investment unless the Eligible Partners are given an opportunity to sell on a pro rata basis their Co-Investment on terms no less favorable than those applicable to the Partnership or such Participating Partner, as the case may be);

(b) the General Partner and any Eligible Partner may agree to structure such Co- Investment so as (A) to utilize an investment vehicle (through which the General Partner (or, at the discretion of the General Partner, an Affiliate of the General Partner) and such Eligible Partner would make their investments) or (B) to offer to such Eligible Partner the opportunity to make a Co-Investment in securities which are different from those securities offered to other Eligible Partners, in each case only to the extent necessary in order for neither the General Partner nor any of its Affiliates to be a "fiduciary" within the meaning of ERISA or an "investment adviser" within the meaning of the Advisers Act of any Eligible Partner in connection with such Co-Investment; and

(c) in the case of any Eligible Partner who is subject to Part 4 of Subtitle B of Title I of ERISA, such Eligible Partner will not be permitted to participate in such Co-Investment unless such Eligible Partner acknowledges in writing that neither the General Partner nor any of its Affiliates is a "fiduciary" within the meaning of ERISA of such Eligible Partner in connection with such Co-Investment.

Any amounts invested by any Partner pursuant to this Section 4.02 shall not be accounted for as Capital Contributions and shall in no way affect the Capital Account or Remaining Capital Commitment of any Partner hereunder.

SECTION 4.03. Suitability of Investments. The General Partner shall determine in good faith whether any investment offered or available to the Partnership is an appropriate investment for the Partnership to make (or to permit the Partners to make) as one or more Investments and, if so, the aggregate size of such Investment or Investments (which may be less than the total amount offered to the Partnership).

SECTION 4.04. Structuring of Investments; Parallel Investments. (a) In structuring any investment opportunity, the General Partner may, in its discretion but solely to comply with regulatory requirements or tax laws (including without limitation possible tax efficiencies available to certain Limited Partners) after such consultation with Partners as the General Partner, in its discretion, deems appropriate, structure such investment opportunity (i) as one or more Partnership Investments or (ii) in part as one or more Partnership Investments and in part as one or more Parallel Investments. In addition, the General Partner may permit different groups of Partners to make Capital Contributions with respect to different Investments arising from a single investment opportunity; provided that (i) no ERISA Partner shall be permitted or required to make a Capital Contribution with respect to any Parallel Investment and (ii) no other Partner who advises the General Partner that it desires not to participate in a Parallel Investment shall be required to make a Capital Contribution with respect to such Parallel Investment. The General Partner shall use reasonable efforts to ensure that Participating Partners invest pro rata based on

their relative Capital Commitments in such Parallel Investments.

(b) If any single investment opportunity is structured as more than one Investment and the General Partner permits different groups of Partners to make Capital Contributions with respect to different Investments arising from such investment opportunity:

(i) the securities comprising any Investment arising from such investment opportunity shall be the same as the securities comprising each other Investment arising from such investment opportunity;

(ii) subject to Section 5.02(b), it is understood that each Partner shall be required, with respect to one or more Investments arising from such investment opportunity, to make an aggregate Capital Contribution equal to the product of (x) such Partner's Remaining Commitment Percentage times (y) the aggregate amount of all Investments arising from such investment opportunity;

(iii) any Partner that makes an aggregate Capital Contribution in accordance with clause (ii) of this Section 4.04(b) with respect to one or more Investments arising from such investment opportunity shall be deemed to have a Remaining Capital Commitment equal to zero for purposes of all other Investments to be made by the Partnership arising from such investment opportunity; and

(iv) other than upon dissolution of the Partnership, securities comprising all or any portion of any Investment arising from such investment opportunity shall not be directly or indirectly sold, exchanged, transferred or otherwise disposed of, or Proceeds in respect thereof distributed, unless securities comprising all or an equivalent portion, as the case may be, of each other Investment arising from such investment opportunity are directly or indirectly disposed of, or Proceeds in respect thereof distributed, at or about the same time, for equivalent consideration and otherwise on substantially similar terms. For purposes of this Section 4.04(b), the securities comprising any Investment shall be the securities issued by the ultimate Person in which the Investment has been made, without regard to the securities, if any, issued by any Partnership Investment Vehicle or Parallel Investment Vehicle.

(c) The General Partner and the Partners acknowledge and agree that each Parallel Investment constitutes an Investment (but not a Partnership Investment) for purposes of certain provisions of this Agreement. Without limiting the generality of the foregoing, it is understood that the terms of each Parallel Investment applicable to the acquisition, management and disposition of such Parallel Investment shall be set forth in an agreement or agreements between the General Partner and the Participating Partners in respect of such Parallel Investment, and shall be substantially similar to those contained in this Agreement with respect to Partnership Investments (including, mutatis mutandis, the provisions of Section 5.03 with respect to investment fees and the provisions of Article VI with respect to the determination of the amount that the General Partner is entitled to receive, as a share of income, profit or gain or otherwise, from any Participating Partner in respect of such Parallel Investment based upon the performance of such Parallel Investment). The terms of the agreement or agreements referred to in the

immediately preceding sentence shall apply only to the particular Parallel Investment or Parallel Investments covered by such agreement or agreements.

(d) Notwithstanding anything in this Agreement to the contrary, including the provisions of Section 4.04(c), the General Partner and the Partners acknowledge and agree that to the extent permitted by law (i) each Parallel Investment shall be made for the sole benefit and use of the Participating Partners in respect of such Parallel Investment (and not made for the benefit or use of the Partnership), (ii) no Parallel Investment shall constitute or be deemed to be an asset of the Partnership for any purpose and (iii) no creditor of the Partnership shall have any recourse or claim against any Parallel Investment or be entitled reasonably to rely on the existence of any Parallel investment in extending credit to the Partnership. Without limiting the generality of the foregoing, to the extent permitted by law (x) no Parallel Investment shall be set forth on the books and records of the Partnership or, except as otherwise required by law, listed on the tax returns to be filed by the Partnership and (y) the Partnership shall not use any of its funds to acquire or otherwise make any Parallel Investment.

(e) Each Limited Partner does hereby constitute and appoint the General Partner as its true and lawful representative and attorney-in-fact, in its name, place and stead to make, execute and sign any agreement or instrument that is necessary or desirable in connection with establishing the terms of or otherwise structuring any Parallel Investment in which such Limited Partner elects to participate in accordance with this Section 4.04, including without limitation any agreement or instrument required for the formation of any Parallel Investment Vehicle; provided that in no event shall the power of attorney granted hereby be exercised so as to adversely modify or affect the limited liability of such Limited Partner. The power of attorney granted hereby is coupled with an interest and shall (i) survive and not be affected by the subsequent death, incapacity, disability, dissolution, termination or bankruptcy of the Limited Partner granting the same or the transfer of all or any portion of such Limited Partner's interest in the Partnership, and (ii) extend to such Limited Partner's successors, assigns and legal representatives.

SECTION 4.05. Direct Investments. (a) Generally. It is understood that the General Partner may, in its discretion after such consultation with Partners as the General Partner in its discretion deems appropriate, structure any Investment as a direct acquisition by one or more Partners (other than (i) ERISA Partners and (ii) other Partners who advise the General Partner that they desire not to participate in such direct acquisition) of the securities comprising such Investment outside the Partnership, but treat such investment as a Partnership Investment, and not as a Parallel Investment, for all purposes of this Agreement. Each such Investment so treated is hereinafter referred to as a "Direct Investment". Without limiting the generality of the foregoing, each Direct Investment shall be reflected as a Partnership Investment on the books and records of the Partnership. Capital Contributions in respect of such Direct Investment shall be reflected in the Capital Account of each Participating Partner and Proceeds and items of income and gain. Loss, deduction and credit attributable to such Direct Investment shall be subject to the distribution and allocation provisions of Article VI.

(b) Appointment of the General Partner. Each Partner hereby appoints the General Partner as its agent to act as such Partner's exclusive investment manager with respect to each

Direct Investment, and authorizes the General Partner to make all determinations and to take all actions that the General Partner determines in its discretion are necessary or desirable with respect to the acquisition, holding, management, ownership, sale, transfer, conveyance, assignment, exchange, pledge, or other disposition of any Direct Investment, in each case in accordance with and subject to the terms set forth in this Agreement.

(c) Registration and Possession of Securities. If the securities comprising any Direct Investment are registered securities (including any uncertificated securities), such securities shall be registered in the name of the respective Participating Partners with respect to such Direct Investment. If the securities comprising such Direct Investment are certificated securities, the General Partner or the Partnership shall hold, or the General Partner shall designate another Person acting as custodian to hold, all certificates representing such securities for the account of such Participating Partners.

(d) Restrictions on Transfer of Direct Investments. Except as effected by the General Partner as investment manager pursuant to this Section 4.05, no Participating Partner with respect to any Direct Investment may, directly or indirectly, Transfer all or any portion of its interest in any Direct Investment to any Person without the prior written consent of the General Partner (which may, in the General Partner's discretion, be granted on such terms as the General Partner determines or withheld). If the General Partner consents to any Transfer, such Participating Partner shall be free to make such Transfer within 120 days after notice of such consent. The General Partner shall be authorized pursuant to this Section 4.05(d) to consent to the Transfer of any Participating Partner's interest in any Direct Investment to any Person, including without limitation the General Partner or any of its Affiliates.

The foregoing provisions of this Section 4.05(d) shall not apply to any Transfer which shall occur by operation of law or pursuant to Section 5.05.

(e) Payments with Respect to Direct Investments. Each Partner hereby authorizes the General Partner to open and maintain an account (a "Direct Investment Account") in the name of such Partner to receive any and all payments or other distributions made in respect of the securities comprising any Direct Investment with respect to which such Partner is a Participating Partner. It is understood that such payments or other distributions shall include, without limitation, all Proceeds in connection with such Direct Investment and any securities that are issued pursuant to a recapitalization or reorganization of any Person in which such Direct Investment has been made. In furtherance of the foregoing, each Partner agrees that:

(i) The General Partner shall be entitled to exercise any and all rights in connection with any Direct Investment Account, including without limitation the right to specify when and to whom payments are to be made out of such Direct Investment Account. Each Partner shall be entitled to receive distributions in accordance with, and subject to the provisions of Article VI in respect of any payment or other distribution made in respect of the securities comprising any Direct Investment with respect to which such Partner is a Participating Partner.

(ii) Each Partner who is a Participating Partner with respect to any Direct Investment shall advise each Person who proposes to make any payment or other

distribution with respect to the securities comprising such Direct Investment of the provisions of this Section 4.05(e) and instruct such Person to make such payment or other distribution to the applicable Direct Investment Account. If, notwithstanding the provisions of this clause (ii), any Person makes any payment or other distribution with respect to the securities comprising such Direct Investment directly to such Partner, such Partner and the General Partner shall notify each other to such effect and such Partner shall forthwith pay over or otherwise transfer to such Direct Investment Account such payment or other distribution.

(iii) If any Partner fails to make all or any portion of a payment or transfer required under this Section 4.05(e), such failure shall be treated as a Default under this Agreement and, if such failure shall not have been cured by such Partner within ten Business Days or waived by the General Partner in its discretion (unless such Partner is an Affiliate of the General Partner, in which case the General Partner shall not waive such failure), such failure shall be treated as an Event of Default and the provisions of Section 5.05 shall apply; provided that notwithstanding Section 5.05, the General Partner may not require other Partners to pay or contribute funds to the Partnership to cover the amount in default.

(iv) The obligation of each Partner to make any payment or transfer required by this Section 4.05(e)(ii) and (iii) shall in no way affect the Remaining Capital Commitment of any Partner hereunder and such payment shall not constitute a Capital Contribution for purposes of this Agreement. The rights and remedies referred to in Section 5.05 shall be in addition to, and not in limitation of, any other rights available to the General Partner or the Partnership under this Agreement or at law or in equity.

(f) Proxy. To the fullest extent permitted by applicable law, each Partner (other than any ERISA Partner) hereby irrevocably appoints and constitutes each of the Partnership, the General Partner and each officer of the General Partner, for the duration of this Agreement, as such Partner's true and lawful attorney, agent, and proxy for and in such Partner's name, place, and stead with the exclusive right to vote all securities comprising any Direct Investment with respect to which such Partner is a Participating Partner at any annual or special meeting of holders of such securities, or any adjournment thereof, and on any other occasion in respect of which the consent of such Partner may be given or shall be requested by the Person that has issued such securities or any other Person, whether at a meeting or pursuant to the execution of a written consent or otherwise, for all purposes in connection with any matter whatsoever. To the fullest extent permitted by applicable law, each Partner (other than any ERISA Partner) agrees that it will not, so long as any securities comprising any Direct Investment with respect to which such Partner is a Participating Partner shall be subject to this Agreement, vote or attempt to vote such securities, appoint any Person other than the Partnership, the General Partner or any officer of the General Partner as its attorney, agent, or proxy with respect to such securities, or take any other action, in each case, if any thereof would be inconsistent with the appointment of the Partnership, the General Partner and such officer as such Partner's true and lawful attorney, agent, and proxy, or the exercise of any such Person of the powers granted to such Person hereunder.

(g) Power of Attorney. Each Limited Partner (other than any ERISA Partner) does hereby constitute and appoint the General Partner as its true and lawful representative and attorney-in-fact, in its name, place, and stead to make, execute, sign, and file any and all agreements and other documents necessary or desirable to take or cause to be taken any action with respect to Direct Investments contemplated by this Agreement; provided that in no event shall the power of attorney granted hereby be exercised so as to adversely modify or affect the limited liability of such Limited Partner. The power of attorney granted pursuant to this Section 4.05(g) is coupled with an interest and shall (i) survive and not be affected by the subsequent death, incapacity, disability, dissolution, termination, or bankruptcy of such Limited Partner or the transfer of all or any portion of such Limited Partner's interest in the Direct Investments, and (ii) extend to such Limited Partner's successors, assigns, and legal representatives.

(h) Cooperation on Litigation Matters. If any action, claim, suit, investigation, or proceeding (in each case, an "Action") related to, arising out of, or in connection with any Direct Investment shall be brought, and any Partner that is a Participating Partner with respect to such Direct Investment or the General Partner, as the case may be, has knowledge of such Action, such Person shall promptly notify the other party to such effect. The General Partner shall, to the extent permitted by applicable law, assume the defense of any Action with counsel reasonably satisfactory to such Partner and such Partner agrees to cooperate fully, as and to the extent reasonably requested by the General Partner, in connection with such Action; provided that if the General Partner fails to assume the defense of any Action in a timely manner, or withdraws from such defense, or if such Partner determines in its reasonable judgment that having common counsel would present such counsel with a conflict of interest or that there are defenses available to it that are not available to the General Partner, then such Partner shall have the right to employ separate counsel to represent or defend it in any such Action.

SECTION 4.06. Exclusion from Investments. The General Partner may, in good faith, cause a Partner to be excluded from all future Investments if the General Partner determines, in good faith based on the opinion of reputable counsel, that participation by such Partner in such Investments (i) may result in a violation of the Investment Company Act, the Advisers Act or any other material law, regulation or guideline applicable to the General Partner, the Partnership, any Affiliate of the Partnership or any Partner, (ii) may cause the Partnership's assets to be deemed "plan assets" for purposes of ERISA or (iii) may have a material adverse effect on the Partnership or, in the case of a Parallel Investment, any applicable Parallel Investment Vehicle) or the General Partner. After taking any action pursuant to this Section 4.06, the General Partner shall provide notice thereof to the affected Partner, but such action shall not require the approval of any Partner. The General Partner shall use commercially reasonable efforts to ensure that such exclusion or other action is imposed on all similarly situated Partners pro rata in accordance with their respective Commitment Percentages (calculated without giving effect to the Capital Commitment of any Partner that is not so similarly situated)

SECTION 4.07. Tax Undertakings with Respect to Investments. (a) The General Partner agrees to use commercially reasonable efforts (i) to minimize any adverse tax consequences to any U.S. Investor from Investments in equity securities in any entity that is, for U.S. federal income tax purposes, a "controlled foreign corporation" or a "passive foreign investment company" (a "PFIC") and (ii) to prevent any Investment from constituting an investment in

equity securities of a "foreign personal holding company" for U.S. federal income tax purposes. In this regard, the General Partner shall use commercially reasonable efforts to ensure that no Investment constitutes an investment in equity securities of a PFIC unless the PFIC has agreed to provide the General Partner with sufficient information to make a "qualified electing fund" election.

(b) The General Partner shall use commercially reasonable efforts to structure Investments in entities organized outside the United States, or in entities with significant operations outside the United States, in such a manner that Limited Partners will not be subject to tax, and will not be required to file any tax return, in the relevant jurisdiction or jurisdictions, as a consequence of the Limited Partner's investment in the Partnership, the relevant Parallel Investment or the relevant Parallel Investment Vehicle, as the case may be, in respect of income that is not derived from the Partnership (or the relevant Parallel Investment or Parallel Investment Vehicle, as the case may be).

## ARTICLE V

### CAPITAL COMMITMENTS AND CAPITAL CONTRIBUTIONS

SECTION 5.01. Capital Contributions. (a) Each Partner hereby agrees to make Capital Contributions from time to time as hereinafter set forth; provided that, except as otherwise provided in Section 5.02(d), the applicable Drawdown Notices are delivered to the Partners prior to the Full Investment Date. Notwithstanding anything contained in this Agreement, no Partner (except any Defaulting Partner as provided in Section 5.05(e)(y)) shall be required to make any Capital Contribution if, at the time such Capital Contribution is to be made, such Capital Contribution exceeds such Partner's then Remaining Capital Commitment.

(b) The General Partner may in its discretion, cancel the Remaining Capital Commitments of all Partners (and the Full Investment Date shall be deemed to have occurred) at any time if:

(i) the aggregate Remaining Capital Commitments of all Partners and remaining capital commitments of QP Partners at such time is less than 15% of the aggregate Capital Commitments of all Partners and the aggregate capital commitments of all QP Partners, or

(ii) the General Partner determines in good faith based on the opinion of reputable counsel that changes in any applicable law or regulation make such cancellation necessary.

(c) Notwithstanding anything to the contrary contained herein, the power of the General Partner to make Investments and to require Capital Contributions from the Partners in respect of such Investments may be suspended by written notice to the General Partner, and the Full Investment Date shall be deemed to have occurred, upon (i) the vote or written consent of the Required Partners or (ii) the occurrence of a Key Person Event; provided that (x) the foregoing suspension shall not limit the General Partner's right to require further Capital Contributions with respect to (1) Partnership Expenses and Management Fees, (2) completing Investments that are subject to binding agreements or commitments on the part of the Partnership, and/or (3) subject to the limitations provided in this Agreement, Follow-on Investments; and (y) the

Required Partners may reinstate such right of the General Partner to make Investments and require Capital Contributions in respect of such Investments in the event they reasonably believe that the General Partner has cured the circumstances giving rise to such suspension or that the Key Person Event is not material to the Partnership, and the Full Investment Date shall be extended accordingly.

SECTION 5.02. Drawdown Procedures. (a) Generally. Each Limited Partner shall make Capital Contributions in such amounts and at such times as the General Partner shall specify in notices ("Drawdown Notices") delivered from time to time to such Partner. All Partnership Capital Contributions (other than Partnership Capital Contributions with respect to Direct Investments) shall be paid to the Partnership in immediately available funds in United States dollars by 11:00 A.M. (New York City time) on the date specified in the applicable Drawdown Notice. All Parallel Capital Contributions (and all Partnership Capital Contributions with respect to Direct Investments) shall be paid to the Person and the account and at the time specified in the applicable Drawdown Notice (it being understood that payment of Parallel Capital Contributions shall not constitute cash contributions to the Partnership and shall not be paid to any account of the Partnership). Partnership Capital Contributions may include amounts that the General Partner determines in its discretion are necessary or desirable to establish reserves in respect of Partnership Expenses and amounts necessary to make Special Distributions. The General Partner shall make Capital Contributions in such amounts as hereinafter set forth and at the same times and in the same manner as the Limited Partners who are required to make related Capital Contributions: provided that (i) the General Partner shall be relieved of its obligation to make Capital Contributions in cash (with respect to amounts called in excess of that amount which must be satisfied by a Capital Contribution in cash as set forth in the definition of "Capital Commitment" in Section 1.01) to the extent of the Unused Credit Amount on the date on which the Capital Contribution is payable and (ii) if any single investment opportunity is structured as more than one Investment (e.g., a Partnership Investment and a Parallel Investment), the General Partner shall make its entire Capital Contribution (based on the aggregate amount invested in all such Investments) to only one of such Investments (i.e., to either the Partnership Investment or the Parallel Investment, but not to both) and, if such Capital Contribution is so made, the General Partner shall not be obligated to make any Capital Contribution to any other such Investments arising from such investment opportunity.

(b) Regular Drawdowns. Except as otherwise provided in Section 5.02(c), each Drawdown Notice shall specify:

(i) the Drawdown Amount;

(ii) the required Capital Contribution to be made by such Partner;

(iii) the date (the "Drawdown Date") on which such Capital Contribution is due (which shall be a Business Day at least ten Business Days from and including the date of delivery of the Drawdown Notice); and

(iv) the Person and the account to which such Capital Contribution should be paid.

Subject to Sections 4.01, 4.04(b)(iii), 4.06 and 5.02(a), in connection with any Drawdown, except as provided below, each Partner (including the General Partner) shall be required to make a Capital Contribution equal to the product of (x) such Partner's Remaining Commitment Percentage times (y) the Drawdown Amount specified in the applicable Drawdown Notice; provided that the General Partner may in its discretion determine that with respect to any Follow-on Investment only Participating Partners with respect to the investment or investments giving rise to the Follow-on Investment shall be required to make a Capital Contribution. Subject to the last sentence of the first paragraph of Section 3.04(b), in connection with any such Drawdown to be applied to pay Expenses or to make a Special Expense Distribution, each Partner (including the General Partner) shall be required to make a Capital Contribution equal to the product of (x) such Partner's Commitment Percentage times (y) the Drawdown Amount specified in the applicable Drawdown Notice. Notwithstanding the immediately preceding sentence;

(A) subject to clause (B) below, in connection with any Expense (or the portion of any Special Expense Distribution related to such Expense) directly and solely attributable to one or more Investments (including without limitation the investment fee referred to in Section 5.03 or the corresponding terms of any Parallel Investment), only those Partners who are Participating Partners with respect to such Investments shall be required to make Capital Contributions in respect of such Expense (or such related portion), calculated on the basis of such Partners' respective Investment Percentage with respect to such Investments; and

(B) the General Partner may calculate the Capital Contributions to be made by the Partners in respect of any Expense (or the portion of any Special Expense Distribution related to such Expense) on a basis other than Commitment Percentages and/or Investment Percentages and/or require certain (but not all) Partners to make Capital Contributions in respect of such Expense (or such related portion) if the General Partner determines in its discretion that such allocation is clearly more equitable (e.g., in the event any Partner benefits disproportionately in respect of, or has requested an accommodation that gives rise to, such Expense).

(c) Special Drawdowns. If in connection with the making of any Investment or the payment of any Expense in respect of which a Drawdown Notice has been delivered, the General Partner shall determine, in its discretion, that it is necessary or desirable to increase the required Capital Contribution to be made by any Partner in connection therewith (it being understood that generally any such increase would be borne pro rata by all of the Partners, except in unusual circumstances such as a Default or an Expense allocated in accordance with the immediately preceding sentence), the General Partner shall deliver an additional Drawdown Notice to such Partner amending the original Drawdown Notice and specifying:

(i) the amount of any increase in the Drawdown Amount;

(ii) the amount of the increase in the required Capital Contribution to be made by such Partner;

(iii) the Drawdown Date with respect to the amount of the increase in the required Capital Contribution if different from the Drawdown Date specified in the

original Drawdown Notice; and

(iv) the reason for such increase.

The Drawdown Date with respect to the amount of the increase in the required Capital Contribution shall be the later of (i) the Drawdown Date specified in the original Drawdown Notice and (ii) five Business Days from and including the date of delivery of the additional Drawdown Notice.

Any increase in the required Capital Contribution of any Partner pursuant to Section 5.05 or 5.06 shall be calculated in the manner set forth therein. Any increase in the required Capital Contribution of each Partner (including the General Partner) due to an increase in the Drawdown Amount specified in the original Drawdown Notice shall be calculated in accordance with Section 5.02(b) (after giving effect to Sections 5.05 and 5.06, if applicable) with respect to the amount of the increase in the Drawdown Amount.

(d) Drawdowns After the Full Investment Date. After the Full Investment Date, all Partners will be released from any further obligation with respect to their Remaining Capital Commitments (the "Unfunded Commitments"), except to the extent necessary to: (i) cover Partnership Expenses, including but not limited to Management Fees; (ii) complete Investments by the Partnership in respect of transactions agreed to by the Partnership prior to the Full Investment Date; and (iii) make Follow-On Investments in companies that are portfolio companies on the Full Investment Date in an aggregate amount of up to 10% of the aggregate Capital Commitments for a period of three years after the Full Investment Date (or up to one additional year after such three-year period if approved by the Advisory Committee) (it being understood that in no event shall any Partner's obligation with respect to the foregoing exceed such Partner's Remaining Capital Commitment).

SECTION 5.03. Management Fee. In consideration for its services rendered under Section 3.01(b), the Partnership shall pay to the Management Company on January 1, April 1, July 1 and October 1 of each year, the Management Fee. The Management Fee shall be included in the initial Drawdown Amount for each Partnership year and shall be paid as set forth in Section 3.01(b). The General Partner and its Affiliates and employees shall not be obligated to pay any portion of the Management Fee (it being understood that the other Partners shall not be required to pay such waived Management Fee on behalf of the foregoing Persons exempted from payment of the Management Fee). The Management Company may retain one or more placement agents to assist in the placement of Interests in the Partnership. The Management Company will pay (i) the fees of any such placement agents and any marketing costs in connection therewith and (ii) the expenses of the Scientific Advisory Board.

SECTION 5.04. Loans to Fund Drawdowns. (a) If the General Partner shall determine, in its discretion, that funds are necessary to make an Investment or to pay an Expense prior to the time all or a portion of such funds are otherwise made available by the Partner in accordance with this Article V, subject to compliance with applicable law or regulation the General Partner or any of its Affiliates may, acting as agent for (and without any further consent or other action by) any Partner required to make a Capital Contribution with respect to such Investment or

Expense, make such Capital Contribution on behalf of such Partner and the amount so paid shall constitute a loan to such Partner: provided that (i) the General Partner shall have delivered the applicable Drawdown Notice or Notices in respect of such Investment or Expense and (ii) the General Partner shall use reasonable efforts to notify the Partners at least five Business Days (and shall, in any event, notify the Partners at least four Business Days) prior to such loan date of its intention to make such loan in order to give such Partners the opportunity, in their discretion, to make their required Capital Contributions at least one Business Day prior to such loan date in lieu of receiving such loan; and provided further that each ERISA Partner and each Early Funding Partner shall be required to make its required Capital Contribution at least one Business Day prior to such loan date in lieu of receiving such loan. The notice referred to above may constitute part of a Drawdown Notice.

(b) Each Partner promises to pay the principal amount of any loan made by the General Partner or any of its Affiliates to such Partner pursuant to Section 5.04(a), together with interest at a rate per annum equal to the lesser of (i) the Prime Rate plus 2% and (ii) the maximum rate permitted under the laws of the State of Delaware, on the Drawdown Date applicable to the Capital Contribution in respect of which such loan was made. Each Partner shall make any payment required pursuant to this Section 5.04(b) in immediately available funds in United States dollars. The General Partner shall deliver a notice to such Partner, specifying the amount payable by such Partner pursuant to this Section 5.04(b), at least five Business Days before such Drawdown Date; provided that the failure to deliver such notice shall not affect such Partner's obligations under this Section 5.04(b).

The obligation of each Partner to make any payment required by this Section 5.04(b) shall in no way affect the Remaining Capital Commitment of any Partner hereunder and such payment shall not constitute a Capital Contribution for purposes of this Agreement.

(c) As security for its obligations under Section 5.04(b) each Partner (other than any ERISA Partner or Early Funding Partner) hereby grants to the General Partner and its assigns, to the extent permitted by applicable law, a security interest in (i) such Partner's interest as a Partner in the Partnership, including the rights and obligations of such Partner as provided in this Agreement and the Delaware Act and (ii) any Parallel Investment Ownership Interest of such Partner, including the rights and obligations of such Partner as provided by the terms of the applicable Parallel Investment. If an Event of Default relating to such obligations shall have occurred and be continuing, the General Partner and its assigns may exercise all the rights of a secured party under applicable law. Upon the General Partner's request, each Partner will, to the extent permitted by applicable law, give, execute, file and record any notice, financing statement, continuation statement or other instrument, document or agreement that the General Partner determines, in its discretion, is necessary or desirable (x) to create, perfect, continue or validate the security interest granted hereunder or (y) to exercise or enforce the rights of the General Partner and its assigns hereunder with respect to such security interest.

SECTION 5.05. Default by Partners. (a) Each Partner agrees that payment of its required Capital Contributions and amounts required pursuant to Section 4.05(e) when due is of the essence, that any Default by any Partner would cause injury to the Partnership and to the other Partners and that the amount of damages caused by any such injury would be extremely

difficult to calculate. Accordingly, each Partner agrees that, unless expressly waived in writing by the General Partner, upon any Event of Default by a Partner:

(i) the Capital Account of such Partner shall be reduced by an amount equal to 50% of the amount of such Partner's Capital Account on the date of such Event of Default (and the amount of such reduction shall be credited to the Capital Accounts of the other Partners in accordance with Section 6.08(e)), and

(ii) such Partner shall not have allocated to its Capital Account or receive any distributions with respect to any income, profit or gain arising after such Event of Default that relates to any Partnership Investments for which such Partner made Capital Contributions prior to such Event of Default (and the other Partners shall receive such distributions in accordance with Section 6.02(b) and any such income, profit or gain shall be credited to the Capital Accounts of the other Partners in accordance with Section 6.08(e)). Notwithstanding any Event of Default, the General Partner may, in its discretion, compromise such Partner's obligation to make Capital Contributions or to pay certain other amounts pursuant to this Agreement on such terms as the General Partner determines in its discretion (unless such Partner is the General Partner or an Affiliate of the General Partner, in which case the General Partner shall not compromise such obligation).

Within three Business Days of the occurrence of any Default, the General Partner shall notify the Partner who has committed such Default of the occurrence of such Default. Upon the occurrence of any Event of Default, the General Partner may notify all Partners of the occurrence of such Event of Default.

(b) Upon the occurrence of any Event of Default in connection with any Drawdown to be applied to make an Investment, the General Partner shall, subject to Section 5.01(a), use reasonable efforts to obtain agreements from other Partners to increase their required Capital Contributions so as to fund the amount that is in default and, if such agreement is obtained from any such Partner, deliver an additional Drawdown Notice in accordance with Section 5.02(c) to such Partner, setting forth the increased amount of such Partner's required Capital Contribution. Notwithstanding the foregoing, if the General Partner determines in its discretion that time constraints or other factors make the procedure set forth above impracticable or if the General Partner obtains agreements for only a portion of the amount that is in default, the General Partner may, in its discretion, take any or all of the following actions with respect to the amount that remains to be funded:

(i) subject to Section 5.01(a) increase the required Capital Contributions of the Partners;

(ii) obtain the agreement of any other Person (which may, in the discretion of the General Partner, include any existing Partner) to make an investment outside the Partnership; and

(iii) after the other Partners have been offered such opportunity, increase its own

Capital Contribution.

(c) Upon the occurrence of any Event of Default in connection with a Drawdown to be applied to pay Expenses, the General Partner may, in its discretion and subject to Section 5.01(a) increase the required Capital Contributions of Partners with respect to the amount that remains to be funded.

(d) If the General Partner elects to take the action specified in Section 5.05(b)(i) or Section 5.05(c) with respect to any portion of the amount that is in default in respect of the applicable Investment or Expense, as the case may be, the General Partner shall deliver an additional Drawdown Notice in accordance with Section 5.02(c) to the Partners who are required to make Capital Contributions in respect of such Investment or Expense (other than (i) any Defaulting Partner with respect to the Investment or Expense, as the case may be, in respect of which the Event of Default arose and (ii) any Excused Partner with respect to such Investment, if applicable), and the required Capital Contribution of each such Partner shall be increased by an amount calculated (without giving effect to any Partner who is not such a Partner) with respect to the amount that remains to be funded in accordance with Section 5.02(b).

(e) Subject to Sections 5.05(b) and 5.05(c), the General Partner may take either or both of the following actions in respect of the Remaining Capital Commitment of any Defaulting Partner:

(x) seek commitments of capital from additional investors (which may in the discretion of the General Partner include existing Partners) up to the amount of the Defaulting Partner's Remaining Capital Commitment. If any such commitment is received from any existing Partner, such Partner's Capital Commitment and Remaining Capital Commitment shall be increased accordingly. If any such commitment is received from an investor that is not an existing Partner, such investor shall, after executing such instruments and delivering such opinions and other documents as are in form and substance satisfactory to the General Partner, be admitted to the Partnership as a Substituted Partner and shown as such on the books and records of the Partnership and shall be deemed to have a Capital Commitment and a Remaining Capital Commitment equal to the commitment for which such investor has subscribed. After the appropriate adjustment of the Capital Commitment and the Remaining Capital Commitment of the Partner or admission of the Substituted Partner, the Capital Commitment and Remaining Capital Commitment if the Defaulting Partner shall be decreased accordingly, and

(y) reduce or cancel the Remaining Capital Commitment of the Defaulting Partner on such terms as the General Partner determines in its discretion (which may include leaving such Defaulting Partner obligated to make Capital Contributions with respect to Partnership Expenses).

(f) The rights and remedies referred to in this Section 5.05 shall be in addition to and not in limitation of, any other rights available to the General Partner or the Partnership under this Agreement or at law or in equity. Except as otherwise provided in Section 5.01(a), an Event of Default by any Partner in respect of any Capital Contribution shall not relieve any other Partner

of its obligation to make Capital Contributions. In addition, unless the Remaining Capital Commitment of any Defaulting Partner is decreased to zero pursuant to Section 5.05(e), an Event of Default by such Partner shall not relieve such Defaulting Partner of its obligation to make Capital Contributions subsequent to such Event of Default.

SECTION 5.06. Excuse Procedure. (a) Any Partner shall be excused from making all or a portion of any required Capital Contribution with respect to any Investment if not later than five Business Days (or such later time as the General Partner shall in its discretion determine) after the date of delivery of the applicable Drawdown Notice or such later date on which the General Partner provides information in accordance with the second paragraph of this Section 5.06(a), the General Partner shall have received a written opinion (in form and substance reasonably satisfactory to it) of counsel (satisfactory to it) to the effect that it is reasonably likely that the making of such Investment by such Partner (without regard to whether such Investment is made as a Partnership Investment or as a Parallel Investment) would result in a violation of any law or regulation of the United States or any State thereof (other than any State legal investment statute or regulation) or of any foreign country (other than any such foreign law or regulation that violates, or the compliance with which by Persons subject to the jurisdiction of the United States would violate any law or regulation of the United States), in any such case applicable to such Partner with respect to such Investment.

Such opinion shall also indicate whether (and, if so, at what reduced amount) such Partner could make a smaller Capital Contribution in respect of such Investment that is not reasonably likely to result in such a violation. For purposes of ascertaining whether a Partner may be excused from making a Capital Contribution pursuant to this Section 5.06(a), but subject to Section 3.10(b), the General Partner shall, as promptly as reasonably practicable, provide such information about the proposed Investment as such Partner shall, within three Business Days after the date of delivery of the applicable Drawdown Notice, reasonably request.

(b) A Partner shall be excused and shall not be permitted to make all or a portion of any required Capital Contribution with respect to any Investment if the General Partner, in its discretion, determines that such Capital Contribution or portion thereof, taken by itself or together with other Capital Contributions of such Partner or any other Partners, (i) may result in a violation of the Investment Company Act, the Advisers Act, the Bank Holding Company Act or any other material law, regulation or guideline applicable to the General Partner, the Partnership, any Affiliate of the Partnership or such Partner, (ii) may cause the Partnership's assets to be deemed "plan assets" for purposes of ERISA, (iii) may have a material adverse effect on (x) the ability to consummate such proposed Investment or any transaction directly or indirectly related to, or giving rise to, such proposed Investment, (y) the Partnership, (or, in the case of a Partnership Investment, any applicable Partnership investment Vehicle or, in the case of a Parallel Investment, any applicable Parallel Investment Vehicle) or the General Partner or (z) any Person that is, directly or indirectly, the subject of such proposed Investment, or (iv) may otherwise result in a significant delay, extraordinary expense, or material adverse effect on the Partnership, the other Limited Partners, any Partnership Investment or any future Partnership Investment.

To the fullest extent permitted by law, the General Partner shall not be liable to any

Partner or the Partnership for any failure to permit or require a Partner to be excused from making all or a portion of any required Capital Contribution pursuant to this Section 5.06(b).

(c) Any Capital Contribution as to which a Partner is excused shall not reduce such Partner's Remaining Capital Commitment or otherwise affect such Partner's obligation to make other Capital Contributions.

(d) If any Partner is excused or excluded from making all or a portion of any required Capital Contribution pursuant to this Section 5.06, the General Partner shall, subject to Section 5.01(a) use reasonable efforts to obtain agreements from other Partners to increase their required Capital Contributions so as to fund the amount that is excused and, if such agreement is obtained from any such Partner, deliver an additional Drawdown Notice in accordance with Section 5.02(c) to such Partner, setting forth the increased amount of such Partner's required Capital Contribution.

Notwithstanding the foregoing, if the General Partner determines in its discretion that time constraints or other factors make the procedure set forth above impracticable or if the General Partner obtains agreements for only a portion of the amount that is excused, the General Partner may, in its discretion, take any or all of the following actions with respect to the amount that remains to be funded:

(i) subject to Section 5.01(a), increase the required Capital Contributions of Partners,

(ii) obtain the agreement of any other Person (which may, in the discretion of the General Partner, include any existing Partner) to make an investment outside the Partnership, and

(iii) after the other Partners have been offered such opportunity, increase its own Capital Contribution.

(e) If the General Partner elects to take the action specified in Section 5.06(d)(i) with respect to any portion of the amount that is excused, the General Partner shall deliver an additional Drawdown Notice in accordance with Section 5.02(c) to each Partner who is not an Excused Partner in respect of the applicable Investment, and the required Capital Contribution of each such Partner shall be increased by an amount calculated (without giving effect to any Excused Partner in respect of the applicable Investment) with respect to the amount that remains to be funded in accordance with Section 5.02(b).

(f) Any Excused Partner shall not have allocated to its Capital Account or receive any distributions with respect to any income, profit or gain arising with respect to any Partnership Investments for which such Partner was excused (and the other Partners shall receive such distributions in accordance with Section 6.02(b) and any such income, profit or gain shall be credited to the Capital Accounts of the other Partners.

SECTION 5.07. Temporary Investment of Funds. Subject to a determination by the

General Partner in its discretion as to the amount of cash required in connection with the conduct of the Partnership's business, the General Partner shall invest in short-term money market or other comparable investments all cash held by the Partnership, including all amounts being held by the Partnership for future investment in Partnership Investments, payment of Partnership Expenses or distribution to the Partners.

## ARTICLE VI

### DISTRIBUTIONS; CAPITAL ACCOUNTS; ALLOCATIONS

SECTION 6.01. Distributions Generally. Subject to the provisions of Sections 5.05 and 5.06 and Article IX, distributions to the Partners shall be made in accordance with this Article VI.

SECTION 6.02. Proceeds of Partnership Investments. (a) Generally. Except as otherwise provided and as set forth in Section 6.11, any Proceeds realized by the Partnership or any Parallel Investment Vehicle on any date in respect of any Investment shall be distributed as follows:

(1) First, 100% to the Partners (including the General Partner) in such amounts and in such proportions (i) so that all Partners (including the General Partner) shall have cumulatively received distributions under this Section 6.02(a)(1) in proportion to their respective Commitment Percentages and (ii) until each Limited Partner has cumulatively received distributions under this Section 6.02(a)(1) equal to the aggregate Capital Contributions made by such Limited Partner, provided that (x) the General Partner shall not be entitled to distributions under this Section 6.02(a)(1) to the extent such distributions would exceed the sum of the General Partner's Capital Contributions (less any distributions under Section 6.02(e)) plus any Special Allocations previously made to the General Partner pursuant to Section 6.09(d), and (y) if any Special Allocations are made to the General Partner after all Limited Partners have cumulatively received distributions under this Section 6.02(a)(1) equal to their aggregate Capital Contributions, then the General Partner shall receive 100% of distributions under this Section 6.02(a)(1) until the General Partner has received cumulative distributions under this Section 6.02(a)(1) equal to the amount described in the foregoing clause (x);

(2) Second, 100% to the Partners (including the General Partner) pro rata in accordance with their Commitment Percentages until each Limited Partner has received an amount under this Section 6.02(a)(2) equal to a preferred return on the aggregate unreturned Capital Contributions made by such Limited Partner at a rate of 6% per annum, compounded annually, from the date the applicable Capital Contribution was made (the amount resulting from application of such interest factor, the "Preferred Return");

(3) Third, 100% to the General Partner until the General Partner has received an amount under this Section 6.02(a)(3) equal to 25% of the cumulative amount distributed pursuant to Section 6.02(a)(2); and

(4) Thereafter, 80% pro rata to the Partners (including the General Partner) in accordance with their Commitment Percentages and 20% to the General Partner (such 20% portion

distributed to the General Partner, together with the amount distributed pursuant to Section 6.02(a)(3), being referred to as the "Carried Interest"), provided that the General Partner may, in its sole discretion, waive the applicability of the Carried Interest with respect to certain Partners (e.g., Partners that are employees, agents or Affiliates of the General Partner).

(b) Certain Adjustments. Notwithstanding the distribution provisions set forth in Section 6.02(a):

(i) if, pursuant to Section 3.06 the General Partner has made cash contributions to the Partnership, the amount of Proceeds distributed to any Participating Partner pursuant to Section 6.02(a) shall be reduced by such Participating Partner's Commitment Percentage of the applicable Partnership Expenses (adjusted in accordance with Section 5.02), net of any amounts previously deducted from distributions to such Participating Partner with respect to such cash contributions,

(ii) if any withholding or other tax is imposed with respect to any Participating Partner's participation in a Partnership investment, the amount of Proceeds distributed to such Participating Partner pursuant to Section 6.02(a) shall be reduced by the amount of such withholding or other tax,

(iii) if any Partner has committed a Default that has become an Event of Default, any Proceeds in respect of any Partnership Investment that would have been distributed to such Partner pursuant to Section 6.02(a) but for the operation of Section 5.05(a)(ii) shall be distributed to all the other Partners who are Participating Partners with respect to such Partnership Investment (other than any other Defaulting Partner) pro rata in accordance with their respective Capital Commitments with respect to such Partnership Investment (calculated without giving effect to the Capital Commitment of any Defaulting Partner), and

(iv) if any Partner has been excused from an Investment, any Proceeds in respect of any Partnership Investment that would have been distributed to such Excused Partner pursuant to Section 6.02(a) but for the operation of Section 5.06(f) shall be distributed to all the other Partners who are Participating Partners with respect to such Partnership Investment (other than any other Excused Partner) pro rata in accordance with their respective Capital Commitments with respect to such Partnership Investment (calculated without giving effect to the Capital Commitment of any Excused Partner), and, for the avoidance of doubt, once such excused Partner has received distributions under Section 6.02(a)(1) in an amount equal to its Capital Contributions it shall receive no further distributions under Section 6.02(a)(1) until all Partners have received distributions in amounts equal to their respective Capital Contributions.

Notwithstanding the foregoing, the adjustments contained in the foregoing clauses (ii) and (iii) shall be deemed to have been distributed to the applicable Partner for purposes of calculating distributions made pursuant to Section 6.02(a).

(c) Special Tax Distributions. Notwithstanding the distribution provisions set forth in

Section 6.02(a), if, for any taxable year of the Partnership, any Partner has an Excess Tax Liability, each Partner shall receive a distribution ("Special Tax Distribution") in proportion to such Partner's Commitment Percentage. The amount of any Special Tax Distribution shall be computed by reference to the Excess Tax Liability of the Partner with the greatest Excess Tax Liability, and the amount of Proceeds thereafter distributable to any Participating Partner pursuant to Section 6.02(a) shall be reduced by such Participating Partner's Special Tax Distribution, net of any amounts previously deducted with respect to such Special Tax Distribution from the proceeds distributable to such Participating Partner; provided, however, that no Special Tax Distribution shall be made to the extent it would require the General Partner to call any portion of the Limited Partners' Capital Commitments to fund such Special Tax Distribution.

For purposes of this Section 6.02(c), the following terms have the following meanings:

"Effective Tax Rate" means the effective rate of tax on the Partner's taxable income from the Partnership, which shall be determined by the General Partner in its reasonable discretion; provided that in no event shall the Effective Tax Rate be less than the highest effective tax rate for an individual New York City resident for income with the character generated by the Partnership.

"Excess Tax Liability" means, for any taxable year of the Partnership, the excess of (i) the product of (x) the sum of the amount of any income, profit or gain allocated to the applicable Partner pursuant to Section 6.09 (other than Section 6.09(d)) for such year, (but minus cumulative net losses previously allocated to such Partner) times (y) the Effective Tax Rate over (ii) the amount of Proceeds distributed or paid to such Partner pursuant to Section 6.02(a) or the corresponding terms of any Parallel Investment for such year.

(d) Clawback; Maintenance of Escrow Account. If, after all Partnership Investments have been disposed of and after giving effect to all distributions made in accordance with this Section 6.02 in respect of such Partnership Investments, the aggregate amount of such distributions and payments with respect to any Partner who is not a Defaulting Partner is less than the sum of (A) the aggregate amount of all Capital Contributions made by such Partner, (B) the aggregate amount of the Preferred Return on such Capital Contributions and (C) the aggregate amount of the distributions under Section 6.02(a)(4) to which such Partner is entitled, then the General Partner shall contribute to the Partnership for distribution to such Partner an amount equal to the lesser of (x) the aggregate amount of the deficiency and (y) the amount of Proceeds previously distributed or paid to the General Partner with respect to its Carried Interest pursuant to Sections 6.02(a)(3) and 6.02(a)(4) net of amounts paid or accrued and payable in respect of taxes with respect to such Carried Interest. The foregoing contribution shall be adjusted to take into account the net tax benefit, if any, to the General Partner and its direct or indirect members in making such contribution. OrbiMed Advisors LLC, an Affiliate of the General Partner, shall guarantee the foregoing obligation of the General Partner. In addition, an amount equal to 25% of all distributions of Carried Interest to the General Partner shall be held in an escrow account for the contingent benefit of the Partnership in order to secure the amounts (if any) payable by the General Partner to the Partnership pursuant to this Section 6.02(d) (the "Escrow Account"). Following the Full Investment Date amounts held in the Escrow Account

shall equal the lesser of (i) 25% of all distributions of Carried Interest to the General Partner and (ii) the aggregate Capital Contributions of the Limited Partners less all distributions made to the Limited Partners (provided that such amount shall not be reduced below zero) (the "Minimum Escrow Balance"). Amounts in excess of the Minimum Escrow Balance shall be released to the General Partner. For purposes of this Section 6.02(d), distributions pursuant to Section 9.04(a) shall be treated as made pursuant to Sections 6.02(a)(3) and 6.02(a)(4) to the extent they would have been so made if this Agreement did not contain the last sentence of Section 9.04(a).

(e) Special Distributions to General Partner with respect to Overfunded Capital Commitments of the General Partner. If at any time the General Partner has made any Additional GP Cash Contribution, the General Partner shall thereafter be entitled to receive distributions ("Special Distributions") equal, in the aggregate, to the aggregate amount of Additional GP Cash Contributions, provided that the amount of any Special Distribution shall not exceed the Unused Credit Amount at the time of such distribution. Special Distributions shall be made out of (i) Capital Contributions made by Limited Partners or (ii) notwithstanding the distribution provisions set forth in Section 6.02(a), Proceeds that would otherwise have been distributed under this Article VI to Limited Partners.

(f) Adjustments to Reflect Partners Bearing Management Fee. Notwithstanding anything to the contrary contained in this Section 6.02, the General Partner shall make equitable adjustments to the distribution provisions set forth herein in order to take into account whether or not particular Partners are responsible for payment of the Management Fee as provided for in Section 3.01(b). The General Partner agrees to provide the Limited Partners with a written calculation of any adjustment pursuant to this Section 6.02(f).

SECTION 6.03. Other General Principles of Distribution. (a) Distributions of Cash. Subject to Section 6.11 and the remaining provisions of this Section 6.03, cash Proceeds shall be distributed to the Partners in United States dollars as promptly as practicable after receipt thereof.

(b) Distributions in Kind. Any securities or other property constituting all or any portion of a Partnership Investment may be distributed in kind at such time and in such amounts as the General Partner shall in its discretion determine, and any such distribution shall be made to the Participating Partners in respect of such Partnership Investment in accordance with the amounts that would have been distributed in respect thereof had such property been disposed of by the Partnership immediately prior to such distribution at fair market value; provided that the General Partner shall only distribute in kind property consisting of securities which are freely transferable by the Participating Partners (it being understood that securities saleable pursuant to Rule 144 of the Securities Act of 1933, as amended, shall be deemed freely transferable) and for which market quotations are readily available. The General Partner may, in its discretion, make in kind distributions to a Participating Partner so requesting notwithstanding cash distributions in respect of such Investment to the other Participating Partners. In any distribution of property in kind (other than a distribution in kind pursuant to the immediately preceding sentence), the General Partner shall not discriminate among the Partners but shall in any such distribution (i) distribute to the applicable Partners property of the same type, and (ii) if cash and property in kind are to be distributed simultaneously in respect of any Partnership Investment, distribute cash and property

in kind in the same proportion to each such Partner. For purposes of allocations pursuant to Section 6.09, property to be distributed in kind shall be valued by the General Partner in good faith based on the most recent closing sales price thereof at the close of business on the day of distribution if such property is a security quoted on a national securities exchange or over-the-counter market; provided that the General Partner shall not be required to distribute in kind any security subject to a "lock-up" or other transfer restriction until such transfer restriction has lapsed. In the event a question arises as to the valuation methodology for a particular security the General Partner shall consult with the Advisory Committee as an advisory resource with respect to such valuation. If the Advisory Committee objects in writing (which objection must be made within 15 business days of any notice of such valuation), and the General Partner and the Advisory Committee are unable to agree upon a mutually acceptable valuation within 30 days after such objection is made, the General Partner shall (at the Partnership's expense) cause a nationally recognized investment banking firm mutually acceptable to the General Partner and the Advisory Committee to make a valuation, and such firm's determination of such valuation shall be binding on all parties. Pending such determination, the General Partner will hold back in the Partnership any amounts of non-marketable securities distributable to the General Partner that may be required to be returned depending upon the outcome of such valuation procedure.

If a Partner (i) is prohibited by applicable law or regulation from holding directly the property to be distributed in kind or (ii) makes a written request to the General Partner, the General Partner shall, in lieu of making such distribution in kind to such Partner and to the extent permitted by applicable law, use its reasonable best efforts to arrange for the sale of all or a portion of such property as directed by such Partner on terms the General Partner deems reasonable and, upon such sale, the General Partner shall promptly distribute to such Partner the net proceeds of such sale; provided that such Partner shall be deemed to have received such property otherwise distributed in kind at the same time and at the same valuation as other Partners receiving such distribution notwithstanding a subsequent decline in value of such property prior to the distribution of the foregoing proceeds. The General Partner shall be entitled to receive (i) reasonable compensation and reimbursement for expenses out of the proceeds of such sale and (ii) a 20% carried interest in respect of the excess (if any) of the proceeds of such sale over the value of the property at the time of the deemed distribution thereof.

In no event shall the General Partner be liable with respect to any decline in value after the date of distribution with respect to securities distributed in kind.

(c) Withholding of Certain Amounts. Notwithstanding anything else contained in this Agreement, the General Partner may withhold in its discretion, from any distribution of cash or property in kind to any Partner pursuant to this Agreement, the following amounts:

(i) any amounts due from such Partner to the Partnership or the General Partner pursuant to this Agreement to the extent not otherwise paid; and

(ii) any amounts required (x) for the payment of any taxes that the General Partner determines in good faith are attributable to such Partner or (y) to pay or reimburse the General Partner for any advances made by the General Partner for such purpose.

Any amounts withheld pursuant to this Section 6.03(c) shall be applied by the General Partner to

discharge the obligation in respect of which such amounts were withheld. All amounts distributable to any Partner that are withheld pursuant to this Section 6.03(c) shall be treated as amounts distributed to such Partner.

(d) Amounts Held in Reserve. In addition to the rights set forth in Section 6.03(c), the General Partner shall have the power, in its discretion, to withhold amounts otherwise distributable to the Partners in order to maintain the Partnership in a sound financial and cash position and to make such provision as the General Partner in its discretion deems necessary or advisable for any and all liabilities and obligations, contingent or otherwise, of the Partnership (other than the obligation of the Partnership to make or pay for Partnership Investments).

(e) Delaware Act. Notwithstanding anything in this Agreement to the contrary, neither the Partnership nor the General Partner shall make any distributions except to the extent permitted under the Delaware Act and other applicable law.

SECTION 6.04. [Intentionally omitted.]

SECTION 6.05. Special Expense Distributions. If, pursuant to Section 3.06, the General Partner has made cash contributions to the Partnership in respect of any Partnership Expenses, then, on any subsequent Drawdown Date on which the General Partner requires the Partners to make Capital Contributions in respect of such Partnership Expenses, the General Partner shall receive a distribution ("Special Expense Distribution") in an amount equal to the amount of such cash contributions made pursuant to Section 3.06. Each Special Expense Distribution shall be funded by the Partners in accordance with Section 5.02(b).

SECTION 6.06. Loans and Withdrawal of Contributions. No Partner shall be permitted to borrow, or to make an early withdrawal of, any portion of the Capital Contributions made by it.

SECTION 6.07. Capital Accounts. There shall be established for each Partner, on the books and records of the Partnership, an account (a "Capital Account"), which shall initially be zero and which shall be adjusted as set forth in Section 6.08. Except to the extent inconsistent with this Agreement, the Capital Accounts shall be maintained consistently with the Treasury Regulations issued under Code Section 704(b).

SECTION 6.08. Adjustments to Capital Accounts. The Capital Accounts of the Partners shall be adjusted as follows:

(a) Cash Contributions. The amount of cash contributed to the Partnership by any Partner (including pursuant to Article V) shall be credited to the Capital Account of such Partner.

(b) Income, Profit or Gain. The amount of any income, profit or gain allocated to any Partner in respect of Partnership Investments shall be credited to the Capital Account of such Partner.

(c) Expense, Deduction or Loss. The amount of any expense (other than any expense that should properly be included in the basis of any Partnership asset), deduction or loss allocated to

any Partner in respect of Partnership Investments or Partnership Expenses shall be debited against the Capital Account of such Partner.

(d) Distributions. The amount of cash (or the fair market value of other property as determined by the General Partner pursuant to Section 6.03(b)) distributed by the Partnership to any Partner shall be debited against the Capital Account of such Partner.

(e) Adjustments upon Event of Default. Upon any Event of Default by any Partner:

(i) An amount equal to 50% of the amount of such Partner's Capital Account on the date of such Event of Default shall be:

(x) debited against such Partner's Capital Account; and

(y) credited to the Capital Accounts of all the other Partners (other than any other Defaulting Partner) pro rata in accordance with their respective Commitment Percentages (calculated without giving effect to the Capital Commitment of any Defaulting Partner) at such time.

The amount to be debited or credited shall be allocated within any Partner's Capital Account in a manner the General Partner determines in its discretion is equitable.

(ii) Any income, profit or gain with respect to any Partnership Investment that would have been allocated to the Capital Account of such Partner but for the operation of Section 5.05(a)(ii) shall be credited to the Capital Accounts of all the other Partners who are Participating Partners with respect to such Partnership Investment (other than any other Defaulting Partner) pro rata in accordance with their respective Capital Commitments with respect to such Partnership Investment (calculated without giving effect to the Capital Commitment of any Defaulting Partner).

SECTION 6.09. Allocations of Income, Gain, Loss, Deduction and Credit. At the end of each year and at such other times as the General Partner determines, items of income, gain, loss, deduction and credit of the Partnership shall be allocated as follows:

(a) Allocation of Partnership Expenses. Subject to Section 3.04, any Partnership Expense shall be allocated among all the Partners pro rata in accordance with their respective Commitment Percentages. Notwithstanding the foregoing,

(i) subject to clause (ii) below, any Partnership Expense directly and solely attributable to one or more Partnership Investments (including without limitation the Management Fee referred to in Section 5.03) shall be allocated only to those Partners who are Participating Partners with respect to such Investments, pro rata in accordance with such Partners' respective Investment Percentages with respect to such Investments;

(ii) the General Partner may allocate any Partnership Expense and the Management Fee on a basis other than Commitment Percentages and/or Investment Percentages and/or among certain (but not all) Partners if the General Partner determines in its discretion that

such allocation is clearly more equitable; and

(iii) the General Partner may allocate the Management Fee among the Limited Partners as provided for in Section 3.01(b).

(b) Investment Income Allocable to Certain Partners. Any gains realized or other income earned in respect of any short-term investment of funds made available by any Partner as a Partnership Capital Contribution (pending application of such funds to make the applicable Partnership Investment or to pay the applicable Partnership Expense) shall be allocated to such Partner.

(c) [Intentionally omitted.]

(d) Special Allocations to General Partner. Gross items of capital gain realized with respect to Investments that would, but for this section 6.09(d), have been allocated to the non-GP Affiliate Limited Partners shall instead be allocated to the General Partner on a cumulative basis up to the aggregate Credit Amount (the "Special Allocation").

(e) Other. All other allocations of income, profit, gain, loss, deduction and credit shall be allocated among the Partners in a manner such that if (i) the Partnership were dissolved, its affairs wound up and its assets distributed to the Partners pursuant to Section 9.04 and (ii) any Parallel Investments and Parallel Investment Vehicles were disposed of and distributed in accordance with the terms of such Parallel Investments, immediately after making such allocation, such distributions would, as nearly as possible, be equal to the distributions that would be made pursuant to Section 6.02. For purposes of making allocations pursuant to this Section 6.09(e) prior to the dissolution of the Partnership and the disposition of such Parallel Investments and Parallel Investment Vehicles, the assets held by the Partnership and any Parallel Investments shall be deemed to have a value equal to their tax basis (or book value if different under the Code Section 704 rules).

SECTION 6.10. Tax Allocations. For federal, state and local income tax purposes, each item of income, gain, loss, deduction and credit of the Partnership shall be allocated among the Partners as nearly as possible in the same manner as the corresponding item of income, expense, gain or loss is allocated pursuant to the other provisions of this Article VI. It is intended that the Capital Accounts will be maintained at all times in accordance with Section 704 of the Code and applicable Treasury regulations thereunder, and that the provisions hereof relating to the Capital Accounts be interpreted in a manner consistent therewith. The General Partner shall be authorized to make appropriate amendments to the allocations of items pursuant to this Article VI if necessary in order to (i) comply with Section 704 of the Code or applicable Treasury regulations thereunder; provided that no such change shall have an adverse effect upon the amount distributable to any Partner hereunder or (ii) satisfy the economic relationship among the Partners.

A Partner shall not be allocated items of loss or deduction to the extent such an allocation would cause or increase a deficit Capital Account balance for such Partner as of the close of any taxable year. In determining the Capital Account balance of a Partner for this purpose,

adjustments, allocations and distributions described in Treas. Reg. Section 1.704-1(b)(2)(ii)(d)(4) through (6) shall be taken into account. Any items of loss and deduction not allocated to a Partner under this paragraph shall be allocated first, to the remaining Partners with positive Capital Account balances (as adjusted in accordance with the preceding sentence) in proportion to, and to the extent of, such positive Capital Account balances and thereafter, as provided in applicable Treasury regulations. Notwithstanding anything else contained in this Article VI, if any Partner has a deficit Capital Account for any fiscal period as a result of any adjustment, allocation or distribution of the type described in Treas. Reg. Section 1.704-1(b)(2)(ii)(d)(4) through (6) then the Partnership's income and gain will be specially allocated to such Partner in an amount and manner sufficient to eliminate such deficit as quickly as possible. Any special allocation of items of income or gain pursuant to this paragraph shall be taken into account in computing subsequent allocations pursuant to this Article VI so that the cumulative net amount of all items allocated to each Partner shall, to the extent possible, be equal to the amount that would have been allocated to such Partner if there had never been any allocation pursuant to this paragraph.

SECTION 6.11 Reinvestment of Proceeds. (a) With respect to Proceeds realized by the Partnership on any date prior to the Full Investment Date in respect of any Partnership Investment disposed of within one year of such investment the General Partner may (i) retain for reinvestment any such Proceeds in an amount up to the cost basis of the original investment or (ii) distribute such amounts as Remaining Capital Commitments subject to future Drawdowns at a later date.

(b) The General Partner may, in its sole discretion, defer any Distributions pursuant to Section 6.02 with respect to any lock-up or other contractual restriction on transfer or such later time as the General Partner may determine in connection with an initial public offering being consummated by the portfolio company, the subject of which is the Partnership Investment.

## ARTICLE VII

### REPORTS TO PARTNERS

SECTION 7.01. Reports. (a) The books of account and records of the Partnership shall be audited as of the end of each fiscal year by the Partnership's independent public accountants. The Partnership's independent public accountants shall be a nationally recognized independent public accounting firm selected from time to time by the General Partner in its discretion. All reports provided to the Partners pursuant to this Section 7.01 shall be prepared on the same basis as that followed by the Partnership for purposes of filing the Partnership's United States federal income tax returns.

(b) Not later than 45 days after the end of each fiscal quarter (other than the final fiscal quarter in any year) the General Partner shall prepare or cause to be prepared, and shall mail or electronically transmit to each Partner, a quarterly update on the Partnership's activities.

(c) As soon as practicable after the General Partner has received final information from portfolio companies after the end of each fiscal year the General Partner shall prepare or cause to be prepared, and shall mail to each Partner:

(i) an audited balance sheet of the Partnership as of the end of such fiscal year;

(ii) an audited income statement of the Partnership for such fiscal year;

(iii) a statement of the Partnership's capital for such fiscal year;

(iv) a management report with respect to each Investment with respect to which such Partner is a Participating Partner; and

(v) a valuation of each Investment with respect to which such Partner is Participating Partner, determined in good faith by the General Partner, which shall be based on, in the case of (A) privately-held companies until such time as there is a liquidity event in the form of an acquisition, merger, or significant asset sale, and (B) publicly-held companies subject to a "lock up" agreement or other contractual restrictions on transfer, the cost of such Investment or such lesser value as determined by the General Partner in good faith in its reasonable business judgment; provided, that, to the fullest extent permitted by applicable law the General Partner shall not be liable to the Partnership or the Partners with respect to the accuracy of such valuation. The General Partner shall use reasonable efforts to follow industry standard valuation guidelines after consultation with the Advisory Committee.

(d) After the end of each fiscal year, the General Partner shall use commercially reasonable efforts to cause to be prepared and transmitted within 120 days of the end of such fiscal year, but in any event as promptly as possible, a United States federal income tax form K-1 for each Partner, a copy of the Partnership's return filed for United States federal income tax purposes and a report setting forth in sufficient detail such transactions effected by the Partnership during such fiscal year as shall enable each Partner to prepare its United States federal income tax return, if any the General Partner shall mail such materials to (i) each Partner and (ii) each former Partner (or its successors, assigns, heirs or personal representatives) who may require such information in preparing its United States federal income tax return.

SECTION 7.02. Audit. If at any time during the term of the Partnership either (i) three members of the Advisory Committee or (ii) the Required Partners, in either case after consultation with the General Partner, desire that an audit or other review of the Partnership, the QP Fund, any Parallel Investment Vehicles and/or Direct Investments and their activities be conducted by an independent accounting firm other than the Partnership's regular auditors, then by written notice to the General Partner such parties shall have the one-time right to require such audit or review to be conducted at the expense of the Partnership.

## ARTICLE VIII

### EXCULPATION AND INDEMNIFICATION

SECTION 8.01. Exculpation and Indemnification. (a) No Indemnified Person shall be liable to the Partnership or to the Partners for any losses, claims, damages or liabilities arising from, related to or in connection with this Agreement or the Partnership's business or affairs

(including any act or omission by any Indemnified Person and any activity of the type or character disclosed in the Offering Memorandum under the captions "Potential Conflicts of Interest", "Risk Factors", or elsewhere therein (such disclosure being incorporated herein by reference), except for any losses, claims, damages or liabilities determined by final judgment of a court of competent jurisdiction to have been primarily attributable to such Indemnified Person's fraud, gross negligence, willful misconduct, bad faith or willful breach of this Agreement.

(b) To the extent that, at law or in equity, any Indemnified Person has duties (including fiduciary duties) and liabilities relating thereto to the Partnership or to any Partner, the General Partner and any other Indemnified Person acting in connection with the Partnership's affairs shall not be liable to the Partnership or to any Partner for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of any Indemnified Person otherwise existing at law or in equity, are agreed by the Partners to replace such other duties and liabilities of such Indemnified Person.

(c) Notwithstanding any provisions of law or in equity to the contrary, to the fullest extent permitted by applicable law, whenever in this Agreement the General Partner is permitted or required to make a decision (i) in its "discretion," or under a grant of similar authority or latitude, the General Partner shall be entitled to consider only such interests and factors as it desires and, provided that it acts in good faith, shall have no duty or obligation to give any consideration to any interest of or factors affecting the Partnership or any Partner or (ii) in its "good faith," or under another express standard, the General Partner shall act under such express standard and shall not be subject to any other or different standards imposed by this Agreement, or any other agreement contemplated herein.

(d) The Partnership shall, to the fullest extent permitted by applicable law, indemnify and hold harmless each Indemnified Person against any losses, claims, damages or liabilities to which such Indemnified Person may become subject in connection with any matter arising from, related to or in connection with this Agreement or such of the Partnership's business or affairs as are related to or in connection with this Agreement, except for such losses, claims damages or liabilities that are determined by the judgment of a court of competent jurisdiction to have been primarily attributable to (x) other than any member of the Advisory Committee in such Person's capacity as a member thereof, such Indemnified Person's fraud, gross negligence, willful misconduct, bad faith or willful breach of this Agreement or (y) in the case of a member of the Advisory Committee in such Person's capacity as a member thereof, such Indemnified Person's bad faith; provided that if the foregoing judgment of a court of competent jurisdiction is subsequently reversed on appeal or otherwise, then the Indemnified Party's right to the indemnification provided hereunder shall be reinstated. If any Indemnified Person becomes involved in any capacity in any action, proceeding or investigation in connection with any matter arising from related to, or in connection with, this Agreement or such of the Partnership's business or affairs as are related to or in connection with this Agreement, whether or not pending or threatened and whether or not any Indemnified Person is a party thereto, the Partnership will periodically reimburse such Indemnified Person for its legal and other expenses (including the cost of any investigation and preparation) incurred in connection therewith; provided that (x) the Partnership shall not advance amounts with respect to legal fees and expenses in the event such Indemnified Person is the subject of an action brought by Limited Partners holding a majority of

the Capital Commitments and (y) such Indemnified Person shall promptly repay to the Partnership the amount of any such reimbursed expenses paid to it to the extent that it shall ultimately be determined that such Indemnified Person is not entitled to be indemnified by the Partnership in connection with such action, proceeding or investigation as provided in the exception contained in the immediately preceding sentence. If for any reason (other than the gross negligence or willful misconduct of such Indemnified Person) the foregoing indemnification is unavailable to such Indemnified Person, or insufficient to hold it harmless, then the Partnership shall contribute to the amount paid or payable by such Indemnified Person as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative benefits received by the Partnership on the one hand and such Indemnified Person on the other hand or, if such allocation is not permitted by applicable law, to reflect not only the relative benefits referred to above but also any other relevant equitable considerations. Notwithstanding the provisions of this Section 8.01(d), no Indemnified Person shall be entitled to indemnification with respect to any matter which constitutes an Internal Dispute (as defined in the immediately succeeding sentence). For purposes of this Section 8.01(d), "Internal Dispute" means any proceeding in which both: (i) one or more officers, directors, managers or employees of the General Partner or the Partnership are suing one or more other officers, directors, managers or employees of the General Partner or the Partnership; and (ii) neither the Partnership, nor the General Partner, nor any Limited Partner, nor any issuer with respect to a Partnership Investment nor any Affiliate or associate of any of the foregoing is a plaintiff, defendant, or other participant in such proceeding.

(e) Each Partner covenants for itself and its successors, assigns, heirs and personal representatives that such Partner will, at any time prior to or after dissolution of the Partnership on demand, whether before or after such Partner's withdrawal from the Partnership (within the meaning of the Delaware Act), pay to the Partnership or the General Partner any amount which the Partnership or the General Partner, as the case may be, pays in respect of taxes (including without limitation withholding taxes, interest, penalties and any additions to tax) imposed upon income of or distributions to such Partner.

(f) Notwithstanding anything else contained in this Agreement, the reimbursement, indemnity and contribution obligations of the Partnership under Section 8.01 (d) and any comparable indemnities under Parallel Investment Vehicles or agreements relating to Direct Investments shall:

(i) be in addition to any liability that the Partnership and any such Parallel Investment Vehicle and Direct Investment may otherwise have;

(ii) extend upon the same terms and conditions to the directors, officers, stockholders, partners, employees, agents and representatives of each Indemnified Person;

(iii) be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of each Indemnified Person and any such Persons; and

(iv) at any time be limited to (A) the assets of the Partnership and applicable

Parallel Investment Vehicles and Direct Investments at such time and the amount of the Partners' aggregate Remaining Capital Commitments at such time or, (B) following dissolution of the Partnership with respect to any Limited Partner, the lesser of (x) the aggregate amount of distributions received by such Limited Partner and (y) an amount equal to 30% of such Limited Partner's Capital Commitment.

(g) The foregoing provisions of this Section 8.01 shall survive for a period of two years (other than Section 8.01(e), which shall survive for a period of five years) from the date of dissolution of the Partnership; provided that if at the end of such period, there are any actions, proceedings or investigations then pending, the General Partner shall so notify the Partners at such time (which notice shall include a brief description of each such action, proceeding or investigation and of the liabilities asserted therein) and the foregoing provisions of this Section 8.01 shall survive with respect to each such action, proceeding or investigation set forth in such notice (or any related action, proceeding or investigation based upon the same or a similar claim) until such date that such action, proceeding or investigation is ultimately resolved; and provided further that the provisions of this Section 8.01 shall not affect the obligations of the Limited Partners under Section 17-607 of the Delaware Act.

(h) The Partners acknowledge and agree that the terms of each Parallel Investment shall include provisions applicable to such Parallel Investment substantially identical to the provisions of this Section 8.01 and Section 8.02; provided that the limitations set forth in Section 8.01(f)(iv)(B) shall be applied in the aggregate with any comparable limitations of the applicable Partner's liability with respect to indemnities under Parallel Investment Vehicles or agreements relating to Direct Investments.

SECTION 8.02. Exclusive Jurisdiction. To the fullest extent permitted by applicable law, each Partner hereby agrees that any claim, action, or proceeding by any Partner seeking any relief whatsoever against any Indemnified Person based on, arising out of, or in connection with, this Agreement or the Partnership's affairs shall be brought only in the Court of Chancery sitting in the State of Delaware, or if no such court has jurisdiction over the applicable claim, the appropriate Federal court located in such location, and not in any other State or Federal court in the United States of America or any court in any other country. Each Partner acknowledges that, in the event of any breach of this provision, the Indemnified Persons have no adequate remedy at law and shall be entitled to injunctive relief to enforce the terms of this Section 8.02.

## ARTICLE IX

### DURATION AND DISSOLUTION OF THE PARTNERSHIP

SECTION 9.01. Duration. The term of the Partnership shall continue until the tenth anniversary of the Final Closing Date, unless the Partnership is sooner dissolved pursuant to Section 9.02; provided, however, that, unless the Partnership is sooner dissolved pursuant to Section 9.02, (i) the General Partner may in its sole discretion extend the term of the Partnership for up to two additional one-year periods and (ii) thereafter the General Partner may, with the consent of Limited Partners and QP Partners representing 66 2/3% of, collectively, the aggregate Capital Commitments of all Limited Partners and the aggregate capital commitments of all QP

Partners (other than Defaulting Partners and defaulting QP Partners), at their option extend the term of the Partnership for two additional one year periods. Notwithstanding the expiration of the term of the Partnership, the Partnership shall continue in existence as a separate legal entity until cancellation of the certificate of limited partnership in accordance with the Delaware Act.

SECTION 9.02. Dissolution. Subject to the Delaware Act, the Partnership shall be dissolved and its affairs shall be wound up upon the earliest of:

(a) the expiration of the term of the Partnership provided in Section 9.01;

(b) the vote or written consent of the Required Partners;

(c) the affirmative vote of the Required Partners to remove the General Partner as a result of the occurrence of a Triggering Event with respect to the General Partner or the Management Company unless at the time there is at least one other General Partner (with respect to which there shall have been no such vote) that is hereby authorized to, and does carry on the business of the Partnership; provided that the Partnership shall not be dissolved and shall not be required to be wound up by reason of the occurrence of such vote if, within 90 days after such vote, the Required Partners agree in writing to continue the business of the Partnership and to the appointment, effective as of the date of such removal, of one or more additional general partners if necessary or desired;

(d) a decision made by the General Partner to dissolve the Partnership because the General Partner has determined in good faith that (i) changes in any applicable law or regulation would have a material adverse effect on the continuation of the Partnership or (ii) such action is necessary or desirable in order for the Partnership not to be in material violation of the Investment Company Act or ERISA, for the General Partner not to be in material violation of the Advisers Act;

(e) an event of withdrawal of the General Partner (within the meaning of the Delaware Act) unless (i) at the time there is at least one remaining General Partner and such General Partner shall agree to continue the business of the Partnership as General Partner or (ii) if within 90 days after the event of withdrawal, the Required Partners agree in writing to continue the business of the Partnership and to the appointment, effective as of the date of the event of withdrawal, of a new General Partner;

(f) any time at which (i) all Partnership Investments have been disposed of and (ii) the aggregate Remaining Capital Commitments of all Partners is zero;

(g) at any time at which there are no limited partners of the Partnership, unless the business of the Partnership is continued in accordance with the Delaware Act; and

(h) the entry of a decree of judicial dissolution under Section 17-802 of the Delaware Act. The General Partner shall notify the Limited Partners promptly following its knowledge of the occurrence of a Key Person Event or a Triggering Event with respect to any of Samuel D. Isaly, Michael B. Sheffery, Carl Gordon or Sven Borho, the General Partner or the Management Company.

SECTION 9.03. Liquidation of Partnership. Upon dissolution, the Partnership's business shall be liquidated in an orderly manner. The General Partner shall be the liquidator to wind up the affairs of the Partnership pursuant to this Agreement. If there shall be no General Partner, the Partners, upon the approval of the Required Partners, may approve one or more liquidators to act as the liquidator in carrying out such liquidation. In performing its duties, the liquidator is authorized to sell, distribute, exchange or otherwise dispose of the assets of the Partnership in accordance with the Delaware Act and in any reasonable manner that the liquidator shall determine to be in the best interest of the Partners.

SECTION 9.04. Distribution Upon Dissolution of the Partnership. (a) Upon dissolution of the Partnership, the liquidator winding up the affairs of the Partnership shall determine in good faith which assets of the Partnership shall be sold and which assets of the Partnership shall be retained for distribution in kind to the Partners. Assets to be distributed in kind shall be valued by the liquidator in good faith. Subject to the Delaware Act, after all liabilities of the Partnership have been satisfied or duly provided for, the remaining assets of the Partnership shall be distributed to the Partners in accordance with their respective Capital Account balances.

(b) In the discretion of the liquidator, and subject to the Delaware Act, liabilities of the Partnership may be provided for pursuant to this Section 9.04 in any manner, including:

(i) distribution of the assets of the Partnership to a trust established for the benefit of the Partners for purposes of liquidating such Partnership assets, collecting amounts owed to the Partnership, and paying any liabilities or obligations of the Partnership or the General Partner arising out of, or in connection with, this Agreement or the Partnership's affairs; or

(ii) withholding of distributions to the Partners to provide a reserve for the payment of future Partnership Expenses and other liabilities of the Partnership contingent or otherwise; provided that such withheld amounts shall be distributed to the Partners as soon as the liquidator determines, in its discretion, that it is no longer necessary to retain such amounts.

The assets of any trust established in connection with clause (i) above shall be distributed to the Partners from time to time, in the discretion of the liquidator, in the same proportions as the amount distributed to such trust by the Partnership would otherwise have been distributed to the Partners pursuant to this Agreement.

SECTION 9.05. Withdrawal, Death or Incompetency of a Limited Partner. Except as otherwise provided in Article XI, a Limited Partner may not withdraw from the Partnership prior to its termination. Upon the death or incompetency of an individual Limited Partner, such Limited Partner's executor, administrator, guardian, conservator or other legal representative may exercise all of such Limited Partner's rights for the purpose of settling such Limited Partner's estate or administering such Limited Partner's property, except that the General Partner may reduce or cancel such Limited Partner's obligation to make future Capital Contributions on such terms as the General Partner determines in its discretion. Except as expressly provided in this Agreement, no other event affecting a Limited Partner (including bankruptcy or insolvency) shall, in and of itself, affect its obligations under this Agreement or cause the dissolution of the Partnership.

### TRANSFERABILITY OF GENERAL PARTNER'S INTEREST

SECTION 10.01. Transferability of General Partner's Interest. The General Partner may not sell, exchange, transfer, assign, pledge, hypothecate or otherwise dispose of all or any portion of its interest in the Partnership (any such sale, exchange, transfer, assignment, pledge, hypothecation or other disposition being herein collectively called "Transfers") to any Person other than an Affiliate controlled, directly or indirectly, by the current direct or indirect members of the General Partner. If the General Partner so determines in good faith, and to the extent permitted by the preceding sentence, the General Partner may admit any Person to whom the General Partner proposes to make such a Transfer as an additional, or, if the General Partner transfers all of its interest, a substitute General Partner of the Partnership, and such transferee shall be deemed admitted to the Partnership as General Partner of the Partnership immediately prior to such Transfer and shall continue the business of the Partnership without dissolution. Except as otherwise provided in this Section 10.01, the General Partner may not withdraw or be removed from the Partnership prior to its dissolution.

SECTION 10.02. Advisers Act. Notwithstanding the foregoing provisions of this Article X, the General Partner shall not assign any of its rights or duties hereunder except with such approval of the Partners as is required under the Advisers Act.

## ARTICLE XI

### TRANSFERABILITY OF A LIMITED PARTNER'S INTEREST

SECTION 11.01. Restrictions on Transfer and Withdrawals. (a) No direct or indirect Transfer of all or any part of a Limited Partner's interest in the Partnership may be made without the prior written consent of the General Partner (which may, in the General Partner's sole discretion, be granted on such terms as the General Partner determines or withheld). If the General Partner consents to any direct or indirect Transfer, such Limited Partner shall be free to make such Transfer within 120 days after notice of such consent. The General Partner shall be authorized pursuant to this Section 11.01 to consent to the direct or indirect Transfer of a Limited Partner's interest in the Partnership to any Person, including without limitation the General Partner or any of its Affiliates. In addition, a Limited Partner may not withdraw any of its Interest in the Partnership except in limited circumstances when required or permitted by the General Partner in its discretion to comply with applicable law or otherwise to ensure that no adverse tax, regulatory or other consequences to the Partnership, the General Partner or any of the Limited Partners will arise from the continued investment by such Limited Partner.

(b) The foregoing provisions of this Section 11.01 shall not apply to any direct or indirect Transfer which shall occur by operation of law.

SECTION 11.02. Expenses of Transfer: Indemnification. All expenses, including attorneys' fees and expenses, incurred by the General Partner or the Partnership in connection

with any direct or indirect Transfer shall be borne by the transferring Limited Partner or such Limited Partner's transferee (any such transferee, when admitted as a limited partner of the Partnership and shown as such on the books and records of the Partnership, being hereinafter called a "Substituted Partner"). In addition the transferring Limited Partner or such transferee shall indemnify the Partnership and the General Partner in a manner satisfactory to the General Partner against any losses, claims, damages or liabilities to which the Partnership, the General Partner or any Affiliate of the General Partner may become subject arising out of or based upon any false representation or warranty made by or breach or failure to comply with any covenant or agreement of, such transferring Limited Partner or such transferee in connection with such Transfer.

SECTION 11.03. Recognition of Transfer; Substituted Partners. (a) The Partnership shall not (subject to Section 9.05) recognize for any purpose any purported direct or indirect Transfer of all or any part of a Limited Partner's Interest in the Partnership and no purchaser, assignee, transferee or other recipient of all or any part of such interest shall become a Substituted Partner hereunder unless:

(i) the provisions of Section 11.01 and, in the case of a Substituted Partner, Section 11.03(b) shall have been complied with;

(ii) the General Partner shall have been furnished with the documents effecting such Transfer, in form reasonably satisfactory to the General Partner executed and acknowledged by both the seller, assignor or transferor and the purchaser, assignee, transferee or other recipient;

(iii) such purchaser, assignee, transferee or other recipient shall have represented that such Transfer was made in accordance with all applicable laws and regulations;

(iv) all necessary governmental consents shall have been obtained in respect of such Transfer;

(v) all necessary instruments reflecting such admission shall have been filed in each jurisdiction in which such filing is necessary in order to qualify the Partnership to conduct business or to preserve the limited liability of the Limited Partners; and

(vi) the General Partner shall have determined that such Transfer will not result in the Partnership being treated as publicly traded partnership as defined in Section 7704(b) of the Code.

(b) Each Substituted Partner, as a condition to its admission as a Limited Partner, shall execute and acknowledge such instruments (including a counterpart of this Agreement), in form and substance satisfactory to the General Partner, as the General Partner reasonably deems necessary or desirable to effectuate such admission and to confirm the agreement of such Substituted Partner to be bound by all the terms and provisions of this Agreement with respect to the interest in the Partnership acquired by such Substituted Partner. A Substituted Partner shall be deemed admitted to the Partnership upon its execution of a counterpart signature page to this Agreement. The admission of a Substituted Partner shall not require the approval of any Limited

Partner. As promptly as practicable after the admission of a Substituted Partner, the books and records of the Partnership shall be changed to reflect such admission.

SECTION 11.04. Transfers During a Fiscal Year. If any direct or indirect Transfer (other than a pledge or hypothecation) of a Limited Partner's interest in the Partnership shall occur at any time other than the end of the Partnership's fiscal year, the distributive shares of the various items of Partnership income, gain, loss, and expense as computed for tax purposes and the related cash distributions shall be allocated between the transferor and the transferee on a basis consistent with applicable requirements under Section 706 of the Code; provided that no allocation agreed to between the transferor and the transferee shall be effective unless (i) the transferor and the transferee shall have given the Partnership written notice, prior to the effective date of such Transfer, stating their agreement that such allocation shall be made on a certain basis consistent with the applicable requirements under Section 706 of the Code, (ii) the General Partner shall have consented to such allocation and (iii) the transferor and the transferee shall have agreed to reimburse the General Partner for any incremental accounting fees and other expenses incurred by the General Partner in making such allocation.

SECTION 11.05. No Secondary Market. In no event shall the Partnership participate in the establishment of a secondary market or the substantial equivalent thereof as defined in Treasury Regulations Section 1.7704-1(c), or in the inclusion of its interests on such a market or on an established securities market as defined in Treasury Regulations Section 1.7704-1(b), nor shall the Partnership recognize any transfers made on any of the foregoing markets by admitting the purported transferee as a Limited Partner or otherwise recognizing the rights or such transferee.

## ARTICLE XII

(c) Notwithstanding the provisions of this Agreement, including without limitation Sections 12.01(a) and (b), or of any subscription agreement, it is hereby acknowledged and agreed that the General Partner on its own behalf or on behalf of the Partnership without the approval of any Limited Partner or any other Person may enter into a side letter or similar agreement to or with a Limited Partner which has the effect of establishing rights under, or altering or supplementing the terms of, this Agreement or of any subscription agreement. SECTION 12.04. Successors; Counterpart; Entire Agreement. This Agreement (i) shall be binding as to the executors, administrators, estates, heirs and legal successors of the Partners, (ii) may be executed in several counterparts with the same effect as if the parties executing the

several counterparts had all executed one counterpart and (iii) shall constitute the entire agreement and understanding among all the parties hereto with respect to the subject matter hereof.

SECTION 12.05. Choice of Law. Notwithstanding the place where this Agreement may be executed by any of the parties hereto, the parties expressly agree that all the terms and provisions hereof shall be construed under the laws of the State of Delaware.

The General Partner is hereby authorized to enter into the documents described in the preceding sentence on behalf of the Partnership, but such authorization shall not be deemed a restriction on the power of the General Partner to enter into other documents on behalf of the Partnership.

SECTION 2.04. Liability of the Limited Partners Generally. SECTION 2.06. Withdrawal of Initial Limited Partner; Admission of Limited Partners. The Initial Limited Partner hereby withdraws as a Limited Partner effective on the date of the Prior Limited Partnership Agreement. On the Initial Closing Date, each Person whose subscription for a Partnership Interest in the Partnership has been accepted by the General Partner shall, upon execution and delivery of a counterpart of this Agreement, become a Limited Partner and shall be shown as such on the books and records of the Partnership.

SECTION 2.07. Additional Limited Partners. with respect to, Investments, or follow-on investments with respect to investments by the Base Fund, and/or paid or reserved for payment of past or accrued Management Fees and Partnership Expenses (or analogous amounts with respect to the Base Fund) and (ii) the Full Investment Date. Until the Full Investment Date, a Competing Fund permitted by the preceding sentence shall co-invest alongside the Partnership (and the Base Fund and any Parallel Investment Vehicle) only on the same terms and conditions in all material respects; provided that such Competing Fund shall not co-invest in respect of a Follow-On Investment unless (x) such Competing Fund shall have previously co-invested in respect of the initial Investment that gave rise to such Follow-On Investment or (y) the Partnership has insufficient remaining capital to complete such Follow-On Investment.

SECTION 3.04. Expenses. (a) Subject to Sections 3.06 and 5.03, the Partnership shall be responsible for and shall pay all Partnership Expenses. All Partnership Expenses shall be paid out of funds of the Partnership determined by the General Partner to be available for such purpose. The aggregate expenses of the Partnership and the Base Fund shall generally be pro rated by the General Partner in its reasonable discretion and in accordance with each entity's aggregate capital commitments. As used herein, the term "Partnership Expenses" means all expenses or obligations of the Partnership or otherwise incurred by the General Partner in connection with this Agreement (other than the obligation of the Partnership to make or pay for any Partnership Investments), including without limitation:

- (i) all Organizational Expenses and ongoing administrative expenses of the Partnership, certain of which the Partnership intends to amortize over a period of 60 months;
- (ii) all ongoing Professional Expenses for services rendered to or in connection with the Partnership or in connection with this Agreement;
- (iii) all unreimbursed Out-of-Pocket Expenses incurred in connection with Partnership activities;
- (iv) all unreimbursed Professional Expenses and Out-of-Pocket Expenses incurred in connection with the acquisition, holding, refinancing, pledging,

sale or proposed refinancing, pledging or sale of all or any portion of any Investment and costs and expenses of researching, conducting due diligence on and otherwise maintaining the Investments (including travel expenses, provided that travel expenses incurred in connection with monitoring investments shall reduce the Management Fee) and costs and expenses associated with the retention of consulting specialists by the General Partner to assist it in the analysis, purchase and sale of Investments;

- (v) all expenses incurred in connection with any litigation or other proceeding involving the Partnership (including the cost of any investigation and preparation) and the amount of any judgment or settlement paid in connection therewith;
- (vi) all expenses for indemnity or contribution payable by the Partnership to any Person, whether payable under Article VIII or otherwise and whether payable in connection with any litigation involving the Partnership or otherwise;
- (vii) all unreimbursed expenses incurred in connection with the collection of amounts due to the Partnership from any Person;
- (viii) all expenses incurred in respect of any taxes imposed on the Partnership or in connection with tax proceedings that are characterized as Partnership Expenses pursuant to Section 3.11;
- (ix) all expenses incurred in connection with the preparation of amendments to this Agreement;
- (x) all Partnership Investment Expenses;
- (xi) the Management Fee; and
- (xii) all expenses incurred in connection with the dissolution and liquidation of the Partnership.

Notwithstanding the foregoing, the Participating Partners in respect of any Partnership Investment for which a Partnership Investment Vehicle is formed shall be responsible for and shall pay all Partnership Investment Vehicle Expenses with respect to such Partnership Investment Vehicle to the extent of their respective Capital Commitments, and the other Partners shall be deemed to have a Capital Commitment equal to zero for purposes of funding such Partnership Investment Vehicle Expenses.

(b) The Participating Partners in respect of any Parallel Investment shall be responsible for and shall pay all Parallel Investment Expenses related to such Parallel Investment to the extent of their respective Capital Commitments, and the other Partners shall be deemed to have a

Capital Commitment equal to zero for purposes of funding such Parallel Investment Expenses. If the General Partner determines, in its discretion, that any Expense relates to both a Partnership Investment and one or more Parallel Investments, the General Partner shall allocate such Expense among the Partnership and the applicable Parallel Investment Vehicles (or, in the case of a Parallel Investment without a Parallel Investment Vehicle, the Participating Partner or Participating Partners in respect of such Parallel Investment), pro rata in proportion to the aggregate Capital Contributions made with respect to such Partnership Investment and each such Parallel Investment.

The General Partner and the Limited Partners acknowledge and agree that to the extent permitted by law (i) no Parallel Investment Expense shall be incurred for the benefit of or borne by the Partnership, (ii) no Parallel Investment Expense shall constitute or be deemed to be a Partnership Expense for any purpose and (iii) no creditor whose claims arise in connection with any Parallel Investment shall have any recourse or claim against the Partnership or any Partnership Investment or be entitled reasonably to rely on the existence of the Partnership or any Partnership Investment in extending credit with respect to such Parallel Investment. Without limiting the generality of the foregoing, to the extent permitted by law (x) no Parallel Investment Expense shall be set forth on the books and records of the Partnership or, except as otherwise required by law, listed on the tax returns to be filed by the Partnership and (y) the Partnership shall not use any of its funds to pay or otherwise satisfy any Parallel Investment Expense.

SECTION 3.05. Restriction on Borrowings. The Partnership shall not (i) incur any indebtedness for borrowed money, (ii) guarantee the obligations of any Person or (iii) otherwise become contingently liable with respect to any indebtedness of any Person.

SECTION 3.06. Certain Contributions by the General Partner. The General Partner may, in its discretion, pay any Partnership Expense (or portion thereof) that the General Partner is otherwise entitled to require the Partners to fund pursuant to this Agreement, and such payment shall be treated as a cash contribution by the General Partner and credited to its Capital Account pursuant to Section 6.08(a). If the General Partner makes cash contributions to the Partnership pursuant to this Section 3.06, the General Partner shall have the option to require the Partners to fund, in accordance with Section 5.02(b), a Special Expense Distribution to the General Partner on any subsequent Drawdown Date on which the Partners are required to make Capital Contributions in respect of Investments.

SECTION 3.07. Transactions with Affiliates. In addition to transactions specifically contemplated by this Agreement, the General Partner, when acting in its capacity as General Partner of the Partnership, is hereby authorized to purchase property or obtain services from, to sell property or provide services to, or otherwise to deal with the General Partner (acting in a capacity other than its capacity as General Partner of the Partnership), any Affiliate of the General Partner, any Partner, any Person in which a Partnership Investment has been, or is proposed to be, made, or any Affiliate of any of the foregoing Persons; provided that, in connection with any such dealing (other than those specifically contemplated by the immediately succeeding sentence of this Section 3.07) between the Partnership and the General Partner (acting in a capacity other than its capacity as General Partner of the Partnership), any Affiliate of the General Partner, or any Partner, such dealing shall be on terms no less favorable to the Partnership than the terms that would be obtained on an arm's-length basis and the General

Partner shall disclose the arrangements of such dealing to the Advisory Committee. In connection with any services performed by any Affiliate of the General Partner for the Partnership, such Affiliate shall be entitled to be compensated by the Partnership for such services, and the amount of such compensation shall be determined by the General Partner in its discretion; provided that (x) such compensation at any time shall not exceed the amount such Affiliate would customarily receive from third parties as compensation at such time for the performance of similar services and (y) such services shall not be rendered for additional compensation if already covered by the Management Fee or if such services are of a type of activity required to be performed by the General Partner pursuant to its obligations hereunder. Each Partner acknowledges and agrees that the purchase or sale of property, the performance of such services, the borrowing of such funds, other dealings, or the receipt of such compensation may give rise to conflicts of interest between the Partnership and the Partners, on the one hand, and the General Partner or such Affiliate, on the other hand.

SECTION 3.08. Other Activities, Conflicts of Interest. (a) Each Partner (1) represents and warrants that such Partner has carefully reviewed and understood the information contained in the Offering Memorandum and (2) acknowledges and agrees that the General Partner or any of its Affiliates may engage in any of the activities of the type or character described in the Offering Memorandum under the caption "Certain Risk Factors and Conflicts of Interest", or elsewhere therein, whether or not such activities have or could have an effect on the Partnership's affairs or on any Investment. Without limiting the generality of any of the foregoing, each Partner acknowledges and agrees that:

(i) the General Partner, any of its Affiliates and any officer or employee of any such Person shall be required to devote only such time to the affairs of the Partnership as the General Partner determines in its discretion may be necessary to manage and operate the Partnership, and any such Person, to the extent not otherwise directed by the General Partner (but subject to Section 4.03), shall be free to serve any other Person or enterprise in any capacity that it may deem appropriate in its discretion; and

(ii) Affiliates of the General Partner shall have the right to perform consulting services for, and to receive compensation from, any Person in which an Investment has been, or is proposed to be, made; provided that such services shall not be rendered for additional compensation if already covered by the Management Fee or if such services are of a type of activity required to be performed by the General Partner pursuant to its obligations hereunder. In addition, such Affiliates shall have the right to purchase property (including securities) from, to sell property or lend funds to, or otherwise to deal with, any Person in which an Investment has been, or is proposed to be, made. Employees of the General Partner and its Affiliates may also receive cash and equity compensation in connection with serving as directors of portfolio companies. Each Partner further acknowledges and agrees that the performance of such services, the purchase or sale of such property, the lending of such funds, other dealings, or the receipt of such fees may give rise to conflicts of interest between the Partnership and the Partners, on the one hand, and Affiliates of the General Partner, on the other hand, and that any such fees or other compensation will not be shared with the Partnership or any Partner.

(b) Unless otherwise expressly provided herein, whenever a conflict of interest exists or

arises between the General Partner, any of its Affiliates, or a Limited Partner, on the one hand, and the Partnership or, in the case of the General Partner or its Affiliates, any Limited Partner, on the other hand, the General Partner shall, promptly after becoming aware of such conflict of interest, disclose such conflict of interest to the Advisory Committee, together with information reasonably necessary to enable the Advisory Committee to evaluate such conflict of interest, and the Advisory Committee shall resolve such conflict of interest in its reasonable discretion after consultation with the General Partner.

SECTION 3.09. Books and Records; Accounting Method. (a) The General Partner shall keep or cause to be kept at the address of the General Partner (or at such other place as the General Partner shall advise the other Partners) full and accurate books and records of the Partnership. Subject to Sections 3.10(a) and 3.10(b), such books and records shall be available, upon five Business Days' notice to the General Partner, for inspection and copying at reasonable times during business hours by each Limited Partner or its duly authorized agents or representatives for a purpose reasonably related to such Limited Partner's interest in the Partnership. Each Limited Partner agrees that such books and records contain confidential information relating to the Partnership and its affairs.

(b) The Partnership's books of account shall be kept on the same basis followed by the Partnership for United States federal income tax purposes.

SECTION 3.10. Confidentiality. (a) Each Partner, other than the General Partner, agrees to keep confidential, and not to disclose to any Person (other than Conduit Partners), any matter relating to the Partnership and its affairs, including the identities of the other Partners and the beneficial owners of the related Partnership Interests and any matter related to any Investment (other than disclosure to such Partner's employees, agents, advisors, or representatives responsible for matters relating to the Partnership and who need to know such information in order to perform such responsibilities (each such Person being hereinafter referred to as an "Authorized Representative") or the other Limited Partners); provided that such Partner or any of its Authorized Representatives may make such disclosure to the extent that (i) the information being disclosed is otherwise generally available to the public, (ii) such disclosure is requested by any governmental body, agency, official or authority having jurisdiction over such Partner or (iii) such disclosure, in the written opinion of legal counsel of such Partner or Authorized Representative, is otherwise required by law. Prior to making any disclosure described in clause (iii) of this Section 3.10(a), each Partner shall notify the General Partner of such disclosure and deliver to the General Partner a copy of the opinion referred to in such clause (iii). Prior to any disclosure to any Authorized Representative, each Limited Partner shall advise such Authorized Representative of the obligations set forth in this Section 3.10(a) and obtain the agreement of such Person to be bound by the terms of such obligations. Notwithstanding any other provision of this Agreement, any Partner (and each of its employees, representatives or other agents) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Partnership and any Partnership Investment or Parallel Investment, provided that the foregoing does not constitute an authorization to disclose information identifying the Partnership, the Partners, or any parties to Partnership Investments or Parallel Investments or (except to the extent relating to such tax structure or tax treatment) any nonpublic commercial or financial information.

(b) The General Partner may, to the maximum extent permitted by applicable law, keep confidential from any Limited Partner any information (including information requested by such Limited Partner pursuant to Section 3.09) the disclosure of which (i) the Partnership, any Partnership Investment Vehicle or Parallel Investment Vehicle or the General Partner is required to keep confidential by law or by the terms of any agreement entered into in good faith in connection with any proposed Investment or (ii) the General Partner reasonably believes may have an adverse effect on (x) the ability to consummate any proposed Investment or any transaction directly or indirectly related to, or giving rise to, such Investment, (y) the Partnership or any Partnership Investment Vehicle or Parallel Investment Vehicle or (z) any entity in which an Investment has been, or is proposed to be, made. If information is withheld from any Limited Partner pursuant to this Section 3.10(b), the General Partner shall provide such information to such Limited Partner after the circumstances described in the preceding sentence are no longer continuing.

SECTION 3.11. Partnership Tax Returns. (a) The General Partner shall cause to be prepared and timely filed all tax returns required to be filed for the Partnership. The General Partner may, in its discretion, make, or refrain from making, any income or other tax elections for the Partnership that it deems necessary or advisable, including an election pursuant to Section 754 of the Code.

(b) The General Partner is hereby designated as the Partnership's "Tax Matters Partner" under Section 6231(a)(7) of the Code. The General Partner is specifically directed and authorized to take whatever steps the General Partner, in its discretion, deems necessary or desirable to perfect such designation, including filing any forms or documents with the Internal Revenue Service and taking such other action as may from time to time be required under Treasury regulations. Any Limited Partner shall have the right to participate in any administrative proceedings relating to the determination of Partnership items at the Partnership level. Expenses of such administrative proceedings undertaken by the Tax Matters Partner shall be Partnership Expenses. Each Limited Partner who elects to participate in such proceedings shall be responsible for any expenses incurred by such Limited Partner in connection with such participation. The cost of any resulting audits or adjustments of a Partner's tax return shall be borne solely by the affected Partner.

(c) The General Partner shall, at the sole cost and expense of the affected Limited Partner or Conduit Partner, use commercially reasonable efforts to (i) provide each Limited Partner and Conduit Partner with such assistance as such Limited Partner or Conduit Partner may reasonably request in connection with any tax filing requirements arising in any jurisdiction other than the Limited Partner's or Conduit Partner's jurisdiction of residence for tax purposes and relating to income derived by the Limited Partner or Conduit Partner from the Partnership, any Parallel Investment or any Parallel Investment Vehicle and (ii) assist the Limited Partners and Conduit Partners in obtaining any tax refunds or other tax benefits from any such jurisdiction, arising in connection with any Partnership Investment or Parallel Investment.

SECTION 3.12. Annual Meeting. The General Partner shall call a meeting of the Partners on an annual basis by giving notice of such meeting to each Partner not less than 30 days prior to such meeting. Such notice shall specify the time and place of such meeting.

SECTION 3.13. Reliance by Third Parties. Persons dealing with the Partnership are entitled to rely conclusively upon the power and authority of the General Partner as herein set forth.

SECTION 3.14. ERISA. The General Partner agrees to use its best efforts to operate the Partnership in such a way that none of the Partnership's assets would be deemed to be "plan assets" for purposes of ERISA by causing the Partnership to qualify as a "venture capital operating company" for purposes of ERISA. If, despite such efforts, the General Partner becomes aware or is notified that the Partnership's assets may be deemed to be such plan assets, and reputable counsel to the General Partner issues a legal opinion to the General Partner confirming that the foregoing is reasonably likely, then the General Partner may take any action authorized under Section 3.03, including without limitation canceling in whole or in part the ERISA Partners' respective Remaining Capital Commitments or requiring the sale in whole or in part of the ERISA Partners' respective Partnership Interests in the Partnership, without the approval of any ERISA Partner; provided that such cancellation, sale or other action shall be imposed on all ERISA Partners pro rata in accordance with their respective Commitment Percentages (calculated without giving effect to the Capital Commitment of any Partner that is not an ERISA Partner).

SECTION 3.15. Conduit Partners. (a) Notwithstanding anything in this Agreement to the contrary, the following provisions shall apply with respect to Conduits and Conduit Partners.

(b) A transfer by a Conduit Partner of its interest in the Conduit in accordance with the Conduit Agreement shall not require the consent of the General Partner under Section 10.02.

(c) The General Partner may require a Conduit to be excluded from proposed Investments to the extent (but only to the extent) the General Partner makes a determination that, by virtue of the interest of a Conduit Partner in such Conduit, the provisions of clause (i), (ii) or (iii) set forth in Section 4.06 apply. It is understood that, under the circumstances described in this Section 3.15(c), the provisions of Section 4.06 shall apply only to that portion of the interest in the Partnership held by the relevant Conduit that is attributable to the relevant Conduit Partner.

(d) A Conduit may elect to be excused from making all or a portion of any required Capital Contribution with respect to any Investment to the extent (but only to the extent) that a Conduit Partner of such Conduit elects to be excused from making its capital contribution to the Conduit for the reasons set forth in Section 5.06(a); provided that such Conduit Partner delivers an opinion of counsel to the effect set forth in Section 5.06(a). The General Partner may exclude a Conduit from making all or a portion of any required Capital Contribution with respect to any Investment to the extent (but only to the extent) the General Partner makes a determination that, by virtue of the making of all or a portion of a capital contribution by a Conduit Partner to such Conduit in respect of such Investment, the provisions of Section 5.06(b) apply. It is understood that, under the circumstances described in this Section 3.15(d), the provisions of Section 5.06 shall apply only to that portion of the interest in the Partnership held

by the relevant Conduit that is attributable to the relevant Conduit Partner.

(e) In the event a Conduit becomes a defaulting Limited Partner under Section 5.05 as a result of a default by a Conduit Partner of its obligations under the Conduit Partnership Agreement of such Conduit, the provisions of Section 5.05 shall be applied as if such defaulting Conduit Partner, rather than such Conduit, were the defaulting Limited Partner under Section 5.05. By way of example and without limiting the foregoing, (i) the provisions of clauses (i) and (ii) of Section 5.05(a) shall apply only to that portion of the interest in the Partnership held by such Conduit that is attributable to such defaulting Conduit Partner (and not apply to the remainder of the interest in the Partnership held by such Conduit that is attributable to the nondefaulting Conduit Partners of such Conduit) and (ii) the provisions of Sections 5.05(b) and 5.05(c) shall be applied so that the General Partner may require each Limited Partner (including such Conduit and the non-defaulting Conduit Partners of such Conduit) to fund the shortfall arising from the default by such Conduit Partner in the manner set forth in Section 5.05(b) or 5.05(c), as the case may be. The General Partner is hereby authorized to make such allocations and distributions, deliver such drawdown notices and take all such other actions as it deems appropriate to implement the foregoing.

(f) For purposes of any provision of this Agreement requiring the vote or consent of the Limited Partners, including without limitation Sections 5.01(c), 9.01, 9.02(c) and 12.01, a Conduit may cast a divided vote as if it were two Limited Partners, with one vote reflecting the vote of its Conduit Partners that vote in favor of or otherwise consent to the proposal being voted on and with the other vote reflecting the vote of its Conduit Partners that do not vote in favor of or otherwise do not consent to the proposal being voted on.

##### INVESTMENTS AND INVESTMENT OPPORTUNITIES

SECTION 4.01. Investments Generally. The assets of the Partnership shall, to the extent not required for the payment of expenses or otherwise necessary for the conduct of the Partnership's business (as determined by the General Partner in its discretion), and subject to Sections 2.03(b), 3.03 and 5.07, be invested in such Partnership Investments as the General Partner shall determine in its discretion. In the discretion of the General Partner, Partnership Investments shall be made either directly by the Partnership or indirectly through one or more Partnership Investment Vehicles; provided, that at the time any Investment is made the General Partner may not, without the consent of the Required Partners, (i) allocate more than 15% of the aggregate Capital Commitments in any one Partnership Investment, (ii) allocate more than 25% of the aggregate Capital Commitments in non-United States entities, or (iii) allocate more than 33% (or up to 50% with the consent of the Advisory Committee) of the aggregate Capital Commitments in publicly traded securities; provided, however, that the General Partner may exceed the foregoing percentages without the consent of the Required Partners for a period of one year from the date of such Investment in the event the General Partner intends to syndicate such Investment in order to comply with the foregoing percentages following such syndication so long as in no event shall any Investment be allocated more than 25% of the aggregate Capital Commitments (including any amounts intended for syndication), and any such deviation from

the foregoing 15% limitation with respect to the aggregate Capital Commitments shall be with respect to no more than one Investment at a time.

Subject to and in accordance with Section 4.04, the General Partner may, in its discretion, permit certain Partners (other than an ERISA Partner) to make Parallel Capital Contributions outside the Partnership in such Parallel Investments as the General Partner shall determine in its discretion. In the discretion of the General Partner, Parallel Investments shall be made either directly by the Participating Partners in respect of such Parallel Investments or indirectly through one or more Parallel Investment Vehicles.

Notwithstanding the foregoing, the Partnership shall not make any Investment in connection with a tender offer for outstanding securities of any Person that is the subject, directly or indirectly, of such Investment if the Board of Directors (or other analogous body) of such Person recommends in such Person's Tender Offer Solicitation/Recommendation Statement on Schedule 14D-9, as amended or supplemented, that security holders not tender securities pursuant to such offer. It is further understood that the Partnership shall not make Investments of a type or character inconsistent with the investments described in the Offering Memorandum.

SECTION 4.02. Co-Investments. The General Partner shall be free to offer any uncommitted amount with respect to any Investment to the other Partners (including the General Partner), or to any other Person, which may include any Affiliates of the General Partner, funds advised by the General Partner or its Affiliates, or any director, officer, employee or agent of the General Partner or any of its Affiliates.

SECTION 4.03. Suitability of Investments. The General Partner shall determine in good faith whether any investment offered to the Partnership is an appropriate investment for the Partnership to make (or to permit the Partners to make) as one or more Investments and, if so, the aggregate size of such Investment or Investments (which may be less than the total amount offered to the Partnership).

SECTION 4.04. Structuring of Investments; Parallel Investments. (a) In structuring any investment opportunity, the General Partner may, in its discretion but solely to comply with regulatory requirements or tax laws (including without limitation possible tax efficiencies available to certain Limited Partners) after such consultation with Partners as the General Partner, in its discretion, deems appropriate, structure such investment opportunity (i) as one or more Partnership Investments or (ii) in part as one or more Partnership Investments and in part as one or more Parallel Investments. In addition, the General Partner may permit different groups of Partners to make Capital Contributions with respect to different Investments arising from a single investment opportunity; provided that (i) no ERISA Partner shall be permitted or required to make a Capital Contribution with respect to any Parallel Investment and (ii) no other Partner who advises the General Partner that it desires not to participate in a Parallel Investment shall be required to make a Capital Contribution with respect to such Parallel Investment. The General Partner shall use reasonable efforts to ensure that Participating Partners invest pro rata based on their relative Capital Commitments in such Parallel Investments.

(b) If any single investment opportunity is structured as more than one Investment and the General Partner permits different groups of Partners to make Capital Contributions with

respect to different Investments arising from such investment opportunity:

(i) the securities comprising any Investment arising from such investment opportunity shall be the same as the securities comprising each other Investment arising from such investment opportunity;

(ii) subject to Section 5.02(b), it is understood that each Partner shall be required, with respect to one or more Investments arising from such investment opportunity, to make an aggregate Capital Contribution equal to the product of (x) such Partner's Remaining Commitment Percentage times (y) the aggregate amount of all Investments arising from such investment opportunity;

(iii) any Partner that makes an aggregate Capital Contribution in accordance with clause (ii) of this Section 4.04(b) with respect to one or more Investments arising from such investment opportunity shall be deemed to have a Remaining Capital Commitment equal to zero for purposes of all other Investments to be made by the Partnership arising from such investment opportunity; and

(iv) other than upon dissolution of the Partnership, securities comprising all or any portion of any Investment arising from such investment opportunity shall not be directly or indirectly sold, exchanged, transferred or otherwise disposed of, or Proceeds in respect thereof distributed, unless securities comprising all or an equivalent portion, as the case may be, of each other Investment arising from such investment opportunity are directly or indirectly disposed of, or Proceeds in respect thereof distributed, at or about the same time, for equivalent consideration and otherwise on substantially similar terms.

For purposes of this Section 4.04(b), the securities comprising any Investment shall be the securities issued by the ultimate Person in which the Investment has been made, without regard to the securities, if any, issued by any Partnership Investment Vehicle or Parallel Investment Vehicle.

(c) The General Partner and the Partners acknowledge and agree that each Parallel Investment constitutes an Investment (but not a Partnership Investment) for purposes of certain provisions of this Agreement. Without limiting the generality of the foregoing, it is understood that the terms of each Parallel Investment applicable to the acquisition, management and disposition of such Parallel Investment shall be set forth in an agreement or agreements between the General Partner and the Participating Partners in respect of such Parallel Investment, and shall be substantially similar to those contained in this Agreement with respect to Partnership Investments (including, mutatis mutandis, the provisions of Section 5.03 with respect to investment fees and the provisions of Article VI with respect to the determination of the amount that the General Partner is entitled to receive, as a share of income, profit or gain or otherwise, from any Participating Partner in respect of such Parallel Investment based upon the performance of such Parallel Investment). The terms of the agreement or agreements referred to in the immediately preceding sentence shall apply only to the particular Parallel Investment or Parallel Investments covered by such agreement or agreements.

(d) Notwithstanding anything in this Agreement to the contrary, including the provisions of Section 4.04(c), the General Partner and the Partners acknowledge and agree that to the extent permitted by law (i) each Parallel Investment shall be made for the sole benefit and use of the Participating Partners in respect of such Parallel Investment (and not made for the benefit or use of the Partnership), (ii) no Parallel Investment shall constitute or be deemed to be an asset of the Partnership for any purpose and (iii) no creditor of the Partnership shall have any recourse or claim against any Parallel Investment or be entitled reasonably to rely on the existence of any Parallel investment in extending credit to the Partnership. Without limiting the generality of the foregoing, to the extent permitted by law (x) no Parallel Investment shall be set forth on the books and records of the Partnership or, except as otherwise required by law, listed on the tax returns to be filed by the Partnership and (y) the Partnership shall not use any of its funds to acquire or otherwise make any Parallel Investment.

(e) Each Limited Partner does hereby constitute and appoint the General Partner as its true and lawful representative and attorney-in-fact, in its name, place and stead to make, execute and sign any agreement or instrument that is necessary or desirable in connection with establishing the terms of or otherwise structuring any Parallel Investment in which such Limited Partner elects to participate in accordance with this Section 4.04, including without limitation any agreement or instrument required for the formation of any Parallel Investment Vehicle; provided that in no event shall the power of attorney granted hereby be exercised so as to adversely modify or affect the limited liability of such Limited Partner. The power of attorney granted hereby is coupled with an interest and shall (i) survive and not be affected by the subsequent death, incapacity, disability, dissolution, termination or bankruptcy of the Limited Partner granting the same or the transfer of all or any portion of such Limited Partner's interest in the Partnership, and (ii) extend to such Limited Partner's successors, assigns and legal representatives.

SECTION 4.05. [Intentionally omitted.]

SECTION 4.06. Exclusion from Investments. The General Partner may, in good faith, cause a Partner to be excluded from all future Investments if the General Partner determines, in good faith based on the opinion of reputable counsel, that participation by such Partner in such Investments (i) may result in a violation of the Investment Company Act, the Advisers Act or any other material law, regulation or guideline applicable to the General Partner, the Partnership, any Affiliate of the Partnership or any Partner, (ii) may cause the Partnership's assets to be deemed "plan assets" for purposes of ERISA or (iii) may have a material adverse effect on the Partnership or the General Partner. After taking any action pursuant to this Section 4.06, the General Partner shall provide notice thereof to the affected Partner, but such action shall not require the approval of any Partner. The General Partner shall use commercially reasonable efforts to ensure that such exclusion or other action is imposed on all similarly situated Partners pro rata in accordance with their respective Commitment Percentages (calculated without giving effect to the Capital Commitment of any Partner that is not so similarly situated).

SECTION 4.07. Tax Undertakings with Respect to Investments. (a) The General Partner agrees to use commercially reasonable efforts (i) to minimize any adverse tax consequences to any U.S. Investor from Investments in equity securities in any entity that is, for U.S. federal

income tax purposes, a "controlled foreign corporation" or a "passive foreign investment company" (a "PFIC") and (ii) to prevent any Investment from constituting an investment in equity securities of a "foreign personal holding company" for U.S. federal income tax purposes. In this regard, the General Partner shall use commercially reasonable efforts to ensure that no Investment constitutes an investment in equity securities of a PFIC unless the PFIC has agreed to provide the General Partner with sufficient information to make a "qualified electing fund" election.

(b) The General Partner shall use commercially reasonable efforts to structure Investments in entities organized outside the United States, or in entities with significant operations outside the United States, in such a manner that Limited Partners and Conduit Partners will not be subject to tax, and will not be required to file any tax return, in the relevant jurisdiction or jurisdictions, as a consequence of the Limited Partner's or Conduit Partner's investment in the Partnership, the relevant Conduit, the relevant Parallel Investment or the relevant Parallel Investment Vehicle, as the case may be, in respect of income that is not derived from the Partnership (or the relevant Parallel Investment or Parallel Investment Vehicle, as the case may be).

## ARTICLE V

### CAPITAL COMMITMENTS AND CAPITAL CONTRIBUTIONS

SECTION 5.01. Capital Contributions. (a) Each Partner hereby agrees to make Capital Contributions from time to time as hereinafter set forth; provided that, except as otherwise provided in Section 5.02(d), the applicable Drawdown Notices are delivered to the Partners prior to the Full Investment Date. Notwithstanding anything contained in this Agreement, no Partner (except any Defaulting Partner as provided in Section 5.05(e)(y)) shall be required to make any Capital Contribution if, at the time such Capital Contribution is to be made, such Capital Contribution exceeds such Partner's then Remaining Capital Commitment.

(b) The General Partner may in its discretion, cancel the Remaining Capital Commitments of all Partners (and the Full Investment Date shall be deemed to have occurred) at any time if:

(i) the aggregate Remaining Capital Commitments of all Partners and remaining capital commitments of Base Fund Partners at such time is less than 15% of the aggregate Capital Commitments of all Partners and the aggregate capital commitments of all Base Fund Partners, or

(ii) the General Partner determines in good faith based on the opinion of reputable counsel that changes in any applicable law or regulation make such cancellation necessary.

(c) Notwithstanding anything to the contrary contained herein, the power of the General Partner to make Investments and to require Capital Contributions from the Partners in respect of such Investments may be suspended by written notice to the General Partner, and the Full Investment Date shall be deemed to have occurred, upon (i) the vote or written consent of the

Required Partners or (ii) the occurrence of a Key Person Event; provided that (x) the foregoing suspension shall not limit the General Partner's right to require further Capital Contributions with respect to (1) Partnership Expenses and Management Fees, (2) completing Investments that are subject to binding agreements or commitments on the part of the Partnership, and/or (3) subject to the limitations provided in this Agreement, Follow-on Investments; and (y) the Required Partners may reinstate such right of the General Partner to make Investments and require Capital Contributions in respect of such Investments in the event they reasonably believe that the General Partner has cured the circumstances giving rise to such suspension or that the Key Person Event is not material to the Partnership, and the Full Investment Date shall be extended accordingly.

SECTION 5.02. Drawdown Procedures. (a) Generally. Each Limited Partner shall make Capital Contributions in such amounts and at such times as the General Partner shall specify in notices ("Drawdown Notices") delivered from time to time to such Partner. All Partnership Capital Contributions shall be paid to the Partnership in immediately available funds in United States dollars by 11:00 A.M. (New York City time) on the date specified in the applicable Drawdown Notice. All Parallel Capital Contributions shall be paid to the Person and the account and at the time specified in the applicable Drawdown Notice (it being understood that payment of Parallel Capital Contributions shall not constitute cash contributions to the Partnership and shall not be paid to any account of the Partnership). Partnership Capital Contributions may include amounts that the General Partner determines in its discretion are necessary or desirable to establish reserves in respect of Partnership Expenses and amounts necessary to make Special Distributions. The General Partner shall make Capital Contributions in such amounts as hereinafter set forth and at the same times and in the same manner as the Limited Partners who are required to make related Capital Contributions: provided that (i) the General Partner shall be relieved of its obligation to make Capital Contributions in cash (with respect to amounts called in excess of that amount which must be satisfied by a Capital Contribution in cash as set forth in the definition of "Capital Commitment" in Section 1.01) to the extent of the Unused Credit Amount on the date on which the Capital Contribution is payable and (ii) if any single investment opportunity is structured as more than one Investment (e.g., a Partnership Investment and a Parallel Investment), the General Partner shall make its entire Capital Contribution (based on the aggregate amount invested in all such Investments) to only one of such Investments (i.e., to either the Partnership Investment or the Parallel Investment, but not to both) and, if such Capital Contribution is so made, the General Partner shall not be obligated to make any Capital Contribution to any other such Investments arising from such investment opportunity.

(b) Regular Drawdowns. Except as otherwise provided in Section 5.02(c), each Drawdown Notice shall specify:

(i) the Drawdown Amount;

(ii) the required Capital Contribution to be made by such Partner;

(iii) the date (the "Drawdown Date") on which such Capital Contribution is due (which shall be a Business Day at least ten Business Days from and including the date of delivery of the Drawdown Notice); and

(iv) the Person and the account to which such Capital Contribution should be paid.

Subject to Sections 4.01, 4.04(b)(iii), 4.06 and 5.02(a), in connection with any Drawdown, except as provided below, each Partner (including the General Partner) shall be required to make a Capital Contribution equal to the product of (x) such Partner's Remaining Commitment Percentage times (y) the Drawdown Amount specified in the applicable Drawdown Notice; provided that the General Partner may in its discretion determine that with respect to any Follow-on Investment only Participating Partners with respect to the investment or investments giving rise to the Follow-on Investment shall be required to make a Capital Contribution. Subject to the last sentence of the first paragraph of Section 3.04(b), in connection with any such Drawdown to be applied to pay Expenses or to make a Special Expense Distribution, each Partner (including the General Partner) shall be required to make a Capital Contribution equal to the product of (x) such Partner's Commitment Percentage times (y) the Drawdown Amount specified in the applicable Drawdown Notice. Notwithstanding the immediately preceding sentence;

(A) subject to clause (B) below, in connection with any Expense (or the portion of any Special Expense Distribution related to such Expense) directly and solely attributable to one or more Investments (including without limitation the investment fee referred to in Section 5.03 or the corresponding terms of any Parallel Investment), only those Partners who are Participating Partners with respect to such Investments shall be required to make Capital Contributions in respect of such Expense (or such related portion), calculated on the basis of such Partners' respective Investment Percentage with respect to such Investments; and

(B) the General Partner may calculate the Capital Contributions to be made by the Partners in respect of any Expense (or the portion of any Special Expense Distribution related to such Expense) on a basis other than Commitment Percentages and/or Investment Percentages and/or require certain (but not all) Partners to make Capital Contributions in respect of such Expense (or such related portion) if the General Partner determines in its discretion that such allocation is clearly more equitable (e.g., in the event any Partner benefits disproportionately in respect of, or has requested an accommodation that gives rise to, such Expense).

(c) Special Drawdowns. If in connection with the making of any Investment or the payment of any Expense in respect of which a Drawdown Notice has been delivered, the General Partner shall determine, in its discretion, that it is necessary or desirable to increase the required Capital Contribution to be made by any Partner in connection therewith (it being understood that generally any such increase would be borne pro rata by all of the Partners, except in unusual circumstances such as a Default or an Expense allocated in accordance with the immediately preceding sentence), the General Partner shall deliver an additional Drawdown Notice to such Partner amending the original Drawdown Notice and specifying:

(i) the amount of any increase in the Drawdown Amount;

- (ii) the amount of the increase in the required Capital Contribution to be made by such Partner;
- (iii) the Drawdown Date with respect to the amount of the increase in the required Capital Contribution if different from the Drawdown Date specified in the original Drawdown Notice; and
- (iv) the reason for such increase.

The Drawdown Date with respect to the amount of the increase in the required Capital Contribution shall be the later of (i) the Drawdown Date specified in the original Drawdown Notice and (ii) five Business Days from and including the date of delivery of the additional Drawdown Notice.

Any increase in the required Capital Contribution of any Partner pursuant to Section 5.05 or 5.06 shall be calculated in the manner set forth therein.

Any increase in the required Capital Contribution of each Partner (including the General Partner) due to an increase in the Drawdown Amount specified in the original Drawdown Notice shall be calculated in accordance with Section 5.02(b) (after giving effect to Sections 5.05 and 5.06, if applicable) with respect to the amount of the increase in the Drawdown Amount.

(d) Drawdowns After the Full Investment Date. After the Full Investment Date, all Partners will be released from any further obligation with respect to their Remaining Capital Commitments (the "Unfunded Commitments"), except to the extent necessary to: (i) cover Partnership Expenses, including but not limited to Management Fees; (ii) complete Investments by the Partnership in respect of transactions agreed to by the Partnership prior to the Full Investment Date; and (iii) make Follow-On Investments in companies that are portfolio companies on the Full Investment Date in an aggregate amount of up to 10% of the aggregate Capital Commitments for a period of three years after the Full Investment Date (or up to one additional year after such three-year period if approved by the Advisory Committee) (it being understood that in no event shall any Partner's obligation with respect to the foregoing exceed such Partner's Remaining Capital Commitment).

SECTION 5.03. Management Fee. In consideration for its services rendered under Section 3.01(b), the Partnership shall pay to the Management Company on January 1, April 1, July 1 and October 1 of each year, the Management Fee. The Management Fee shall be included in the initial Drawdown Amount for each Partnership year and shall be paid as set forth in Section 3.01(b). The General Partner and its Affiliates and employees shall not be obligated to pay any portion of the Management Fee (it being understood that the other Partners shall not be required to pay such waived Management Fee on behalf of the foregoing Persons exempted from payment of the Management Fee). The Management Company may retain one or more placement agents to assist in the placement of Interests in the Partnership. The Management Company will pay (i) the fees of any such placement agents and any marketing costs in connection therewith and (ii) the expenses of the Scientific Advisory Board.

SECTION 5.04. Loans to Fund Drawdowns. (a) If the General Partner shall determine, in its discretion, that funds are necessary to make an Investment or to pay an Expense prior to the

time all or a portion of such funds are otherwise made available by the Partner in accordance with this Article V, subject to compliance with applicable law or regulation the General Partner or any of its Affiliates may, acting as agent for (and without any further consent or other action by) any Partner required to make a Capital Contribution with respect to such Investment or Expense, make such Capital Contribution on behalf of such Partner and the amount so paid shall constitute a loan to such Partner: provided that (i) the General Partner shall have delivered the applicable Drawdown Notice or Notices in respect of such Investment or Expense and (ii) the General Partner shall use reasonable efforts to notify the Partners at least five Business Days (and shall, in any event, notify the Partners at least four Business Days) prior to such loan date of its intention to make such loan in order to give such Partners the opportunity, in their discretion, to make their required Capital Contributions at least one Business Day prior to such loan date in lieu of receiving such loan; and provided further that each ERISA Partner and each Early Funding Partner shall be required to make its required Capital Contribution at least one Business Day prior to such loan date in lieu of receiving such loan. The notice referred to above may constitute part of a Drawdown Notice.

(b) Each Partner promises to pay the principal amount of any loan made by the General Partner or any of its Affiliates to such Partner pursuant to Section 5.04(a), together with interest at a rate per annum equal to the lesser of (i) the Prime Rate plus 2% and (ii) the maximum rate permitted under the laws of the State of Delaware, on the Drawdown Date applicable to the Capital Contribution in respect of which such loan was made. Each Partner shall make any payment required pursuant to this Section 5.04(b) in immediately available funds in United States dollars. The General Partner shall deliver a notice to such Partner, specifying the amount payable by such Partner pursuant to this Section 5.04(b), at least five Business Days before such Drawdown Date; provided that the failure to deliver such notice shall not affect such Partner's obligations under this Section 5.04(b).

The obligation of each Partner to make any payment required by this Section 5.04(b) shall in no way affect the Remaining Capital Commitment of any Partner hereunder and such payment shall not constitute a Capital Contribution for purposes of this Agreement.

(c) As security for its obligations under Section 5.04(b) each Partner (other than any ERISA Partner or Early Funding Partner) hereby grants to the General Partner and its assigns, to the extent permitted by applicable law, a security interest in (i) such Partner's interest as a Partner in the Partnership, including the rights and obligations of such Partner as provided in this Agreement and the Delaware Act and (ii) any Parallel Investment Ownership Interest of such Partner, including the rights and obligations of such Partner as provided by the terms of the applicable Parallel Investment. If an Event of Default relating to such obligations shall have occurred and be continuing, the General Partner and its assigns may exercise all the rights of a secured party under applicable law. Upon the General Partner's request, each Partner will, to the extent permitted by applicable law, give, execute, file and record any notice, financing statement, continuation statement or other instrument, document or agreement that the General Partner determines, in its discretion, is necessary or desirable (x) to create, perfect, continue or validate the security interest granted hereunder or (y) to exercise or enforce the rights of the General Partner and its assigns hereunder with respect to such security interest.

SECTION 5.05. Default by Partners. (a) Each Partner agrees that payment of its required Capital Contributions when due is of the essence, that any Default by any Partner would cause injury to the Partnership and to the other Partners and that the amount of damages caused by any such injury would be extremely difficult to calculate. Accordingly, each Partner agrees that, unless expressly waived in writing by the General Partner, upon any Event of Default by a Partner:

(i) the Capital Account of such Partner shall be reduced by an amount equal to 50% of the amount of such Partner's Capital Account on the date of such Event of Default (and the amount of such reduction shall be credited to the Capital Accounts of the other Partners in accordance with Section 6.08(e)), and

(ii) such Partner shall not have allocated to its Capital Account or receive any distributions with respect to any income, profit or gain arising after such Event of Default that relates to any Partnership Investments for which such Partner made Capital Contributions prior to such Event of Default (and the other Partners shall receive such distributions in accordance with Section 6.02(b) and any such income, profit or gain shall be credited to the Capital Accounts of the other Partners in accordance with Section 6.08(e)).

Notwithstanding any Event of Default, the General Partner may, in its discretion, compromise such Partner's obligation to make Capital Contributions or to pay certain other amounts pursuant to this Agreement on such terms as the General Partner determines in its discretion (unless such Partner is the General Partner or an Affiliate of the General Partner, in which case the General Partner shall not compromise such obligation).

Within three Business Days of the occurrence of any Default, the General Partner shall notify the Partner who has committed such Default of the occurrence of such Default. Upon the occurrence of any Event of Default, the General Partner may notify all Partners of the occurrence of such Event of Default.

(b) Upon the occurrence of any Event of Default in connection with any Drawdown to be applied to make an Investment, the General Partner shall, subject to Section 5.01(a), use reasonable efforts to obtain agreements from other Partners to increase their required Capital Contributions so as to fund the amount that is in default and, if such agreement is obtained from any such Partner, deliver an additional Drawdown Notice in accordance with Section 5.02(c) to such Partner, setting forth the increased amount of such Partner's required Capital Contribution.

Notwithstanding the foregoing, if the General Partner determines in its discretion that time constraints or other factors make the procedure set forth above impracticable or if the General Partner obtains agreements for only a portion of the amount that is in default, the General Partner may, in its discretion, take any or all of the following actions with respect to the amount that remains to be funded:

(i) subject to Section 5.01(a) increase the required Capital Contributions of the Partners;

(ii) obtain the agreement of any other Person (which may, in the discretion of the General Partner, include any existing Partner) to make an investment outside the Partnership; and

(iii) after the other Partners have been offered such opportunity, increase its own Capital Contribution.

(c) Upon the occurrence of any Event of Default in connection with a Drawdown to be applied to pay Expenses, the General Partner may, in its discretion and subject to Section 5.01(a) increase the required Capital Contributions of Partners with respect to the amount that remains to be funded.

(d) If the General Partner elects to take the action specified in Section 5.05(b)(i) or Section 5.05(c) with respect to any portion of the amount that is in default in respect of the applicable Investment or Expense, as the case may be, the General Partner shall deliver an additional Drawdown Notice in accordance with Section 5.02(c) to the Partners who are required to make Capital Contributions in respect of such Investment or Expense (other than (i) any Defaulting Partner with respect to the Investment or Expense, as the case may be, in respect of which the Event of Default arose and (ii) any Excused Partner with respect to such Investment, if applicable), and the required Capital Contribution of each such Partner shall be increased by an amount calculated (without giving effect to any Partner who is not such a Partner) with respect to the amount that remains to be funded in accordance with Section 5.02(b).

(e) Subject to Sections 5.05(b) and 5.05(c), the General Partner may take either or both of the following actions in respect of the Remaining Capital Commitment of any Defaulting Partner:

(x) seek commitments of capital from additional investors (which may in the discretion of the General Partner include existing Partners) up to the amount of the Defaulting Partner's Remaining Capital Commitment. If any such commitment is received from any existing Partner, such Partner's Capital Commitment and Remaining Capital Commitment shall be increased accordingly. If any such commitment is received from an investor that is not an existing Partner, such investor shall, after executing such instruments and delivering such opinions and other documents as are in form and substance satisfactory to the General Partner, be admitted to the Partnership as a Substituted Partner and shown as such on the books and records of the Partnership and shall be deemed to have a Capital Commitment and a Remaining Capital Commitment equal to the commitment for which such investor has subscribed. After the appropriate adjustment of the Capital Commitment and the Remaining Capital Commitment of the Partner or admission of the Substituted Partner, the Capital Commitment and Remaining Capital Commitment of the Defaulting Partner shall be decreased accordingly, and

(y) reduce or cancel the Remaining Capital Commitment of the Defaulting Partner on such terms as the General Partner determines in its discretion (which may include leaving such Defaulting Partner obligated to make Capital Contributions with respect to Partnership Expenses).

(f) The rights and remedies referred to in this Section 5.05 shall be in addition to and not in limitation of, any other rights available to the General Partner or the Partnership under this Agreement or at law or in equity. Except as otherwise provided in Section 5.01(a), an Event of Default by any Partner in respect of any Capital Contribution shall not relieve any other Partner of its obligation to make Capital Contributions. In addition, unless the Remaining Capital Commitment of any Defaulting Partner is decreased to zero pursuant to Section 5.05(e), an Event of Default by such Partner shall not relieve such Defaulting Partner of its obligation to make Capital Contributions subsequent to such Event of Default.

SECTION 5.06. Excuse Procedure. (a) Any Partner shall be excused from making all or a portion of any required Capital Contribution with respect to any Investment if not later than five Business Days (or such later time as the General Partner shall in its discretion determine) after the date of delivery of the applicable Drawdown Notice or such later date on which the General Partner provides information in accordance with the second paragraph of this Section 5.06(a), the General Partner shall have received a written opinion (in form and substance reasonably satisfactory to it) of counsel (satisfactory to it) to the effect that it is reasonably likely that the making of such Investment by such Partner (without regard to whether such Investment is made as a Partnership Investment or as a Parallel Investment) would result in a violation of any law or regulation of the United States or any State thereof (other than any State legal investment statute or regulation) or of any foreign country (other than any such foreign law or regulation that violates, or the compliance with which by Persons subject to the jurisdiction of the United States would violate any law or regulation of the United States), in any such case applicable to such Partner with respect to such Investment.

Such opinion shall also indicate whether (and, if so, at what reduced amount) such Partner could make a smaller Capital Contribution in respect of such Investment that is not reasonably likely to result in such a violation. For purposes of ascertaining whether a Partner may be excused from making a Capital Contribution pursuant to this Section 5.06(a), but subject to Section 3.10(b), the General Partner shall, as promptly as reasonably practicable, provide such information about the proposed Investment as such Partner shall, within three Business Days after the date of delivery of the applicable Drawdown Notice, reasonably request.

(b) A Partner shall be excused and shall not be permitted to make all or a portion of any required Capital Contribution with respect to any Investment if the General Partner, in its discretion, determines that such Capital Contribution or portion thereof, taken by itself or together with other Capital Contributions of such Partner or any other Partners, (i) may result in a violation of the Investment Company Act, the Advisers Act, the Bank Holding Company Act or any other material law, regulation or guideline applicable to the General Partner, the Partnership, any Affiliate of the Partnership or such Partner, (ii) may cause the Partnership's assets to be deemed "plan assets" for purposes of ERISA, (iii) may have a material adverse effect on (x) the ability to consummate such proposed Investment or any transaction directly or indirectly related to, or giving rise to, such proposed Investment, (y) the Partnership, (or, in the case of a Partnership Investment, any applicable Partnership investment Vehicle or, in the case of a Parallel Investment, any applicable Parallel Investment Vehicle) or the General Partner or (z) any Person that is, directly or indirectly, the subject of such proposed Investment, or (iv) may

otherwise result in a significant delay, extraordinary expense, or material adverse effect on the Partnership, the other Limited Partners, any Partnership Investment or any future Partnership Investment.

To the fullest extent permitted by law, the General Partner shall not be liable to any Partner or the Partnership for any failure to permit or require a Partner to be excused from making all or a portion of any required Capital Contribution pursuant to this Section 5.06(b).

(c) Any Capital Contribution as to which a Partner is excused shall not reduce such Partner's Remaining Capital Commitment or otherwise affect such Partner's obligation to make other Capital Contributions.

(d) If any Partner is excused or excluded from making all or a portion of any required Capital Contribution pursuant to this Section 5.06, the General Partner shall, subject to Section 5.01(a) use reasonable efforts to obtain agreements from other Partners to increase their required Capital Contributions so as to fund the amount that is excused and, if such agreement is obtained from any such Partner, deliver an additional Drawdown Notice in accordance with Section 5.02(c) to such Partner, setting forth the increased amount of such Partner's required Capital Contribution.

Notwithstanding the foregoing, if the General Partner determines in its discretion that time constraints or other factors make the procedure set forth above impracticable or if the General Partner obtains agreements for only a portion of the amount that is excused, the General Partner may, in its discretion, take any or all of the following actions with respect to the amount that remains to be funded:

(i) subject to Section 5.01(a), increase the required Capital Contributions of Partners,

(ii) obtain the agreement of any other Person (which may, in the discretion of the General Partner, include any existing Partner) to make an investment outside the Partnership, and

(iii) after the other Partners have been offered such opportunity, increase its own Capital Contribution.

(e) If the General Partner elects to take the action specified in Section 5.06(d)(i) with respect to any portion of the amount that is excused, the General Partner shall deliver an additional Drawdown Notice in accordance with Section 5.02(c) to each Partner who is not an Excused Partner in respect of the applicable Investment, and the required Capital Contribution of each such Partner shall be increased by an amount calculated (without giving effect to any Excused Partner in respect of the applicable Investment) with respect to the amount that remains to be funded in accordance with Section 5.02(b).

(f) Any Excused Partner shall not have allocated to its Capital Account or receive any distributions with respect to any income, profit or gain arising with respect to any Partnership

Investments for which such Partner was excused (and the other Partners shall receive such distributions in accordance with Section 6.02(b) and any such income, profit or gain shall be credited to the Capital Accounts of the other Partners.

SECTION 5.07. Temporary Investment of Funds. Subject to a determination by the General Partner in its discretion as to the amount of cash required in connection with the conduct of the Partnership's business, the General Partner shall invest in short-term money market or other comparable investments all cash held by the Partnership, including all amounts being held by the Partnership for future investment in Partnership Investments, payment of Partnership Expenses or distribution to the Partners.

#### ARTICLE VI

##### DISTRIBUTIONS; CAPITAL ACCOUNTS; ALLOCATIONS

SECTION 6.01. Distributions Generally. Subject to the provisions of Sections 5.05 and 5.06 and Article IX, distributions to the Partners shall be made in accordance with this Article VI.

SECTION 6.02. Proceeds of Partnership Investments. (a) Generally. Except as otherwise provided and as set forth in Section 6.11, any Proceeds realized by the Partnership or any Parallel Investment Vehicle on any date in respect of any Investment shall be distributed as follows:

(1) First, 100% to the Partners (including the General Partner) in such amounts and in such proportions (i) so that all Partners (including the General Partner) shall have cumulatively received distributions under this Section 6.02(a)(1) in proportion to their respective Commitment Percentages and (ii) until each Limited Partner has cumulatively received distributions under this Section 6.02(a)(1) equal to the aggregate Capital Contributions made by such Limited Partner, provided that (x) the General Partner shall not be entitled to distributions under this Section 6.02(a)(1) to the extent such distributions would exceed the sum of the General Partner's Capital Contributions (less any distributions under Section 6.02(e)) plus any Special Allocations previously made to the General Partner pursuant to Section 6.09(d), and (y) if any Special Allocations are made to the General Partner after all Limited Partners have cumulatively received distributions under this Section 6.02(a)(1) equal to their aggregate Capital Contributions, then the General Partner shall receive 100% of distributions under this Section 6.02(a)(1) until the General Partner has received cumulative distributions under this Section 6.02(a)(1) equal to the amount described in the foregoing clause (x);

(2) Second, 100% to the Partners (including the General Partner) pro rata in accordance with their Commitment Percentages until each Limited Partner has received an amount under this Section 6.02(a)(2) equal to a preferred return on the aggregate unreturned Capital Contributions made by such Limited Partner at a rate of 6% per annum, compounded annually, from the date the applicable Capital Contribution was made (the amount resulting from application of such interest factor, the "Preferred Return");

(3) Third, 100% to the General Partner until the General Partner has received an amount under this Section 6.02(a)(3) equal to 25% of the cumulative amount distributed pursuant to Section 6.02(a)(2); and

(4) Thereafter, 80% pro rata to the Partners (including the General Partner) in accordance with their Commitment Percentages and 20% to the General Partner (such 20% portion distributed to the General Partner, together with the amount distributed pursuant to Section 6.02(a)(3), being referred to as the "Carried Interest"), provided that the General Partner may, in its sole discretion, waive the applicability of the Carried Interest with respect to certain Partners (e.g., Partners that are employees, agents or Affiliates of the General Partner).

(b) Certain Adjustments. Notwithstanding the distribution provisions set forth in Section 6.02(a):

(i) if, pursuant to Section 3.06 the General Partner has made cash contributions to the Partnership, the amount of Proceeds distributed to any Participating Partner pursuant to Section 6.02(a) shall be reduced by such Participating Partner's Commitment Percentage of the applicable Partnership Expenses (adjusted in accordance with Section 5.02), net of any amounts previously deducted from distributions to such Participating Partner with respect to such cash contributions,

(ii) if any withholding or other tax is imposed with respect to any Participating Partner's participation in a Partnership investment, the amount of Proceeds distributed to such Participating Partner pursuant to Section 6.02(a) shall be reduced by the amount of such withholding or other tax,

(iii) if any Partner has committed a Default that has become an Event of Default, any Proceeds in respect of any Partnership Investment that would have been distributed to such Partner pursuant to Section 6.02(a) but for the operation of Section 5.05(a)(ii) shall be distributed to all the other Partners who are Participating Partners with respect to such Partnership Investment (other than any other Defaulting Partner) pro rata in accordance with their respective Capital Commitments with respect to such Partnership Investment (calculated without giving effect to the Capital Commitment of any Defaulting Partner), and

(iii) if any Partner has been excused from an Investment, any Proceeds in respect of any Partnership Investment that would have been distributed to such Excused Partner pursuant to Section 6.02(a) but for the operation of Section 5.06(f) shall be distributed to all the other Partners who are Participating Partners with respect to such Partnership Investment (other than any other Excused Partner) pro rata in accordance with their respective Capital Commitments with respect to such Partnership Investment (calculated without giving effect to the Capital Commitment of any Excused Partner), and, for the avoidance of doubt, once such excused Partner has received distributions under Section 6.02(a)(1) in an amount equal to its Capital Contributions it shall receive no further distributions under Section 6.02(a)(1) until all Partners have received distributions in amounts equal to their respective Capital Contributions.

Notwithstanding the foregoing, the adjustments contained in the foregoing clauses (ii) and (iii) shall be deemed to have been distributed to the applicable Partner for purposes of calculating

distributions made pursuant to Section 6.02(a).

(c) Special Tax Distributions. Notwithstanding the distribution provisions set forth in Section 6.02(a), if, for any taxable year of the Partnership, any Partner (or, in the case of the Delaware Conduit, any Conduit Partner) has an Excess Tax Liability, each Partner shall receive a distribution ("Special Tax Distribution") in proportion to such Partner's Commitment Percentage. The amount of any Special Tax Distribution shall be computed by reference to the Excess Tax Liability of the Partner with the greatest Excess Tax Liability, and the amount of Proceeds thereafter distributable to any Participating Partner pursuant to Section 6.02(a) shall be reduced by such Participating Partner's Special Tax Distribution, net of any amounts previously deducted with respect to such Special Tax Distribution from the proceeds distributable to such Participating Partner; provided, however, that no Special Tax Distribution shall be made to the extent it would require the General Partner to call any portion of the Limited Partners' Capital Commitments to fund such Special Tax Distribution.

For purposes of this Section 6.02(c), the following terms have the following meanings:

"Effective Tax Rate" means the effective rate of tax on the Partner's taxable income from the Partnership, which shall be determined by the General Partner in its reasonable discretion; provided that in no event shall the Effective Tax Rate be less than the highest effective tax rate for an individual New York City resident for income with the character generated by the Partnership.

"Excess Tax Liability" means, for any taxable year of the Partnership, the excess of (i) the product of (x) the sum of the amount of any income, profit or gain allocated to the applicable Partner pursuant to Section 6.09 (other than Section 6.09(d)) for such year, (but minus cumulative net losses previously allocated to such Partner) times (y) the Effective Tax Rate over (ii) the amount of Proceeds distributed or paid to such Partner pursuant to Section 6.02(a) or the corresponding terms of any Parallel Investment for such year.

(d) Clawback; Maintenance of Escrow Account. If, after all Partnership Investments have been disposed of and after giving effect to all distributions made in accordance with this Section 6.02 in respect of such Partnership Investments, the aggregate amount of such distributions and payments with respect to any Partner who is not a Defaulting Partner is less than the sum of (A) the aggregate amount of all Capital Contributions made by such Partner, (B) the aggregate amount of the Preferred Return on such Capital Contributions and (C) the aggregate amount of the distributions under Section 6.02(a)(4) to which such Partner is entitled, then the General Partner shall contribute to the Partnership for distribution to such Partner an amount equal to the lesser of (x) the aggregate amount of the deficiency and (y) the amount of Proceeds previously distributed or paid to the General Partner with respect to its Carried Interest pursuant to Sections 6.02(a)(3) and 6.02(a)(4) net of amounts paid or accrued and payable in respect of taxes with respect to such Carried Interest. The foregoing contribution shall be adjusted to take into account the net tax benefit, if any, to the General Partner and its direct or indirect members in making such contribution. OrbiMed Advisors LLC, an Affiliate of the General Partner, shall guarantee the foregoing obligation of the General Partner. In addition, an amount equal to 25% of all distributions of Carried Interest to the General Partner shall be held

in an escrow account for the contingent benefit of the Partnership in order to secure the amounts (if any) payable by the General Partner to the Partnership pursuant to this Section 6.02(d) (the "Escrow Account"). Following the Full Investment Date amounts held in the Escrow Account shall equal the lesser of (i) 25% of all distributions of Carried Interest to the General Partner and (ii) the aggregate Capital Contributions of the Limited Partners less all distributions made to the Limited Partners (provided that such amount shall not be reduced below zero) (the "Minimum Escrow Balance"). Amounts in excess of the Minimum Escrow Balance shall be released to the General Partner. For purposes of this Section 6.02(d), distributions pursuant to Section 9.04(a) shall be treated as made pursuant to Sections 6.02(a)(3) and 6.02(a)(4) to the extent they would have been so made if this Agreement did not contain the last sentence of Section 9.04(a).

(e) Special Distributions to General Partner with respect to Overfunded Capital Commitments of the General Partner. If at any time the General Partner has made any Additional GP Cash Contribution, the General Partner shall thereafter be entitled to receive distributions ("Special Distributions") equal, in the aggregate, to the aggregate amount of Additional GP Cash Contributions, provided that the amount of any Special Distribution shall not exceed the Unused Credit Amount at the time of such distribution. Special Distributions shall be made out of (i) Capital Contributions made by Limited Partners or (ii) notwithstanding the distribution provisions set forth in Section 6.02(a), Proceeds that would otherwise have been distributed under this Article VI to Limited Partners.

(f) Adjustments to Reflect Partners Bearing Management Fee. Notwithstanding anything to the contrary contained in this Section 6.02, the General Partner shall make equitable adjustments to the distribution provisions set forth herein in order to take into account whether or not particular Partners are responsible for payment of the Management Fee.

SECTION 6.03. Other General Principles of Distribution. (a) Distributions of Cash. Subject to Section 6.11 and the remaining provisions of this Section 6.03, cash Proceeds shall be distributed to the Partners in United States dollars as promptly as practicable after receipt thereof.

(b) Distributions in Kind. Any securities or other property constituting all or any portion of a Partnership Investment may be distributed in kind at such time and in such amounts as the General Partner shall in its discretion determine, and any such distribution shall be made to the Participating Partners in respect of such Partnership Investment in accordance with the amounts that would have been distributed in respect thereof had such property been disposed of by the Partnership immediately prior to such distribution at fair market value; provided that the General Partner shall only distribute in kind property consisting of securities which are freely transferable by the Participating Partners (it being understood that securities saleable pursuant to Rule 144 of the Securities Act of 1933, as amended, shall be deemed freely transferable) and for which market quotations are readily available. The General Partner may, in its discretion, make in kind distributions to a Participating Partner so requesting notwithstanding cash distributions in respect of such Investment to the other Participating Partners. In any distribution of property in kind (other than a distribution in kind pursuant to the immediately preceding sentence), the General Partner shall not discriminate among the Partners but shall in any such distribution (i) distribute to the applicable Partners property of the same type, and (ii) if cash and property in kind are to be distributed simultaneously in respect of any Partnership Investment, distribute cash and property

in kind in the same proportion to each such Partner. For purposes of allocations pursuant to Section 6.09, property to be distributed in kind shall be valued by the General Partner in good faith based on the most recent closing sales price thereof at the close of business on the day of distribution if such property is a security quoted on a national securities exchange or over-the-counter market; provided that the General Partner shall not be required to distribute in kind any security subject to a "lock-up" or other transfer restriction until such transfer restriction has lapsed. In the event a question arises as to the valuation methodology for a particular security the General Partner shall consult with the Advisory Committee as an advisory resource with respect to such valuation. If the Advisory Committee objects in writing (which objection must be made within 15 business days of any notice of such valuation), and the General Partner and the Advisory Committee are unable to agree upon a mutually acceptable valuation within 30 days after such objection is made, the General Partner shall (at the Partnership's expense) cause a nationally recognized investment banking firm mutually acceptable to the General Partner and the Advisory Committee to make a valuation, and such firm's determination of such valuation shall be binding on all parties. Pending such determination, the General Partner will hold back in the Partnership any amounts of non-marketable securities distributable to the General Partner that may be required to be returned depending upon the outcome of such valuation procedure.

If a Partner (i) is prohibited by applicable law or regulation from holding directly the property to be distributed in kind or (ii) makes a written request to the General Partner, the General Partner shall, in lieu of making such distribution in kind to such Partner and to the extent permitted by applicable law, use its reasonable best efforts to arrange for the sale of all or a portion of such property as directed by such Partner on terms the General Partner deems reasonable and, upon such sale, the General Partner shall promptly distribute to such Partner the net proceeds of such sale; provided that such Partner shall be deemed to have received such property otherwise distributed in kind at the same time and at the same valuation as other Partners receiving such distribution notwithstanding a subsequent decline in value of such property prior to the distribution of the foregoing proceeds. The General Partner shall be entitled to receive (i) reasonable compensation and reimbursement for expenses out of the proceeds of such sale and (ii) a 20% carried interest in respect of the excess (if any) of the proceeds of such sale over the value of the property at the time of the deemed distribution thereof. In no event shall the General Partner be liable with respect to any decline in value after the date of distribution with respect to securities distributed in kind.

(c) Withholding of Certain Amounts. Notwithstanding anything else contained in this Agreement, the General Partner may withhold in its discretion, from any distribution of cash or property in kind to any Partner pursuant to this Agreement, the following amounts:

(i) any amounts due from such Partner to the Partnership or the General Partner pursuant to this Agreement to the extent not otherwise paid; and

(ii) any amounts required (x) for the payment of any taxes that the General Partner determines in good faith are attributable to such Partner or (y) to pay or reimburse the General Partner for any advances made by the General Partner for such purpose.

Any amounts withheld pursuant to this Section 6.03(c) shall be applied by the General Partner to

discharge the obligation in respect of which such amounts were withheld. All amounts distributable to any Partner that are withheld pursuant to this Section 6.03(c) shall be treated as amounts distributed to such Partner.

(d) Amounts Held in Reserve. In addition to the rights set forth in Section 6.03(c), the General Partner shall have the power, in its discretion, to withhold amounts otherwise distributable to the Partners in order to maintain the Partnership in a sound financial and cash position and to make such provision as the General Partner in its discretion deems necessary or advisable for any and all liabilities and obligations, contingent or otherwise, of the Partnership (other than the obligation of the Partnership to make or pay for Partnership Investments).

(e) Delaware Act. Notwithstanding anything in this Agreement to the contrary, neither the Partnership nor the General Partner shall make any distributions except to the extent permitted under the Delaware Act and other applicable law.

SECTION 6.04. [Intentionally omitted.]

SECTION 6.05. Special Expense Distributions. If, pursuant to Section 3.06, the General Partner has made cash contributions to the Partnership in respect of any Partnership Expenses, then, on any subsequent Drawdown Date on which the General Partner requires the Partners to make Capital Contributions in respect of such Partnership Expenses, the General Partner shall receive a distribution ("Special Expense Distribution") in an amount equal to the amount of such cash contributions made pursuant to Section 3.06. Each Special Expense Distribution shall be funded by the Partners in accordance with Section 5.02(b).

SECTION 6.06. Loans and Withdrawal of Contributions. No Partner shall be permitted to borrow, or to make an early withdrawal of, any portion of the Capital Contributions made by it.

SECTION 6.07. Capital Accounts. There shall be established for each Partner, on the books and records of the Partnership, an account (a "Capital Account"), which shall initially be zero and which shall be adjusted as set forth in Section 6.08. Except to the extent inconsistent with this Agreement, the Capital Accounts shall be maintained consistently with the Treasury Regulations issued under Code Section 704(b).

SECTION 6.08. Adjustments to Capital Accounts. The Capital Accounts of the Partners shall be adjusted as follows:

(a) Cash Contributions. The amount of cash contributed to the Partnership by any Partner (including pursuant to Article V) shall be credited to the Capital Account of such Partner.

(b) Income, Profit or Gain. The amount of any income, profit or gain allocated to any Partner in respect of Partnership Investments shall be credited to the Capital Account of such Partner.

(c) Expense, Deduction or Loss. The amount of any expense (other than any expense that should properly be included in the basis of any Partnership asset), deduction or loss allocated to

any Partner in respect of Partnership Investments or Partnership Expenses shall be debited against the Capital Account of such Partner.

(d) Distributions. The amount of cash (or the fair market value of other property as determined by the General Partner pursuant to Section 6.03(b)) distributed by the Partnership to any Partner shall be debited against the Capital Account of such Partner.

(e) Adjustments upon Event of Default. Upon any Event of Default by any Partner:

(i) An amount equal to 50% of the amount of such Partner's Capital Account on the date of such Event of Default shall be:

(x) debited against such Partner's Capital Account; and

(y) credited to the Capital Accounts of all the other Partners (other than any other Defaulting Partner) pro rata in accordance with their respective Commitment Percentages (calculated without giving effect to the Capital Commitment of any Defaulting Partner) at such time.

The amount to be debited or credited shall be allocated within any Partner's Capital Account in a manner the General Partner determines in its discretion is equitable.

(ii) Any income, profit or gain with respect to any Partnership Investment that would have been allocated to the Capital Account of such Partner but for the operation of Section 5.05(a)(ii) shall be credited to the Capital Accounts of all the other Partners who are Participating Partners with respect to such Partnership Investment (other than any other Defaulting Partner) pro rata in accordance with their respective Capital Commitments with respect to such Partnership Investment (calculated without giving effect to the Capital Commitment of any Defaulting Partner).

SECTION 6.09. Allocations of Income, Gain, Loss, Deduction and Credit. At the end of each year and at such other times as the General Partner determines, items of income, gain, loss, deduction and credit of the Partnership shall be allocated as follows:

(a) Allocation of Partnership Expenses. Subject to Section 3.04, any Partnership Expense shall be allocated among all the Partners pro rata in accordance with their respective Commitment Percentages. Notwithstanding the foregoing,

(i) subject to clause (ii) below, any Partnership Expense directly and solely attributable to one or more Partnership Investments (including without limitation the Management Fee referred to in Section 5.03) shall be allocated only to those Partners who are Participating Partners with respect to such Investments, pro rata in accordance with such Partners' respective Investment Percentages with respect to such Investments;

(ii) the General Partner may allocate any Partnership Expense and the Management Fee on a basis other than Commitment Percentages

and/or Investment Percentages and/or among certain (but not all) Partners if the General Partner determines in its discretion that such allocation is clearly more equitable; and

(iii) the General Partner may allocate the Management Fee among the Limited Partners as provided for in Section 3.01(b).

(b) Investment Income Allocable to Certain Partners. Any gains realized or other income earned in respect of any short-term investment of funds made available by any Partner as a Partnership Capital Contribution (pending application of such funds to make the applicable Partnership Investment or to pay the applicable Partnership Expense) shall be allocated to such Partner.

(c) [Intentionally omitted.]

(d) Special Allocations to General Partner. Gross items of capital gain realized with respect to Investments that would, but for this Section 6.09(d), have been allocated to the Limited Partners shall instead be allocated to the General Partner on a cumulative basis up to the aggregate Credit Amount (the "Special Allocation").

(e) Other. All other allocations of income, profit, gain, loss, deduction and credit shall be allocated among the Partners in a manner such that if (i) the Partnership were dissolved, its affairs wound up and its assets distributed to the Partners pursuant to Section 9.04 and (ii) any Parallel Investments and Parallel Investment Vehicles were disposed of and distributed in accordance with the terms of such Parallel Investments, immediately after making such allocation, such distributions would, as nearly as possible, be equal to the distributions that would be made pursuant to Section 6.02. For purposes of making allocations pursuant to this Section 6.09(e) prior to the dissolution of the Partnership and the disposition of such Parallel Investments and Parallel Investment Vehicles, the assets held by the Partnership and any Parallel Investments shall be deemed to have a value equal to their tax basis (or book value if different under the Code Section 704 rules).

SECTION 6.10. Tax Allocations. For federal, state and local income tax purposes, each item of income, gain, loss, deduction and credit of the Partnership shall be allocated among the Partners as nearly as possible in the same manner as the corresponding item of income, expense, gain or loss is allocated pursuant to the other provisions of this Article VI. It is intended that the Capital Accounts will be maintained at all times in accordance with Section 704 of the Code and applicable Treasury regulations thereunder, and that the provisions hereof relating to the Capital Accounts be interpreted in a manner consistent therewith. The General Partner shall be authorized to make appropriate amendments to the allocations of items pursuant to this Article VI if necessary in order to (i) comply with Section 704 of the Code or applicable Treasury regulations thereunder; provided that no such change shall have an adverse effect upon the amount distributable to any Partner hereunder or (ii) satisfy the economic relationship among the Partners.

A Partner shall not be allocated items of loss or deduction to the extent such an allocation would cause or increase a deficit Capital Account balance for such Partner as of the close of any

taxable year. In determining the Capital Account balance of a Partner for this purpose, adjustments, allocations and distributions described in Treas. Reg. Section 1.704-1(b)(2)(ii)(d)(4) through (6) shall be taken into account. Any items of loss and deduction not allocated to a Partner under this paragraph shall be allocated first, to the remaining Partners with positive Capital Account balances (as adjusted in accordance with the preceding sentence) in proportion to, and to the extent of, such positive Capital Account balances and thereafter, as provided in applicable Treasury regulations. Notwithstanding anything else contained in this Article VI, if any Partner has a deficit Capital Account for any fiscal period as a result of any adjustment, allocation or distribution of the type described in Treas. Reg. Section 1.704-1(b)(2)(ii)(d)(4) through (6) then the Partnership's income and gain will be specially allocated to such Partner in an amount and manner sufficient to eliminate such deficit as quickly as possible. Any special allocation of items of income or gain pursuant to this paragraph shall be taken into account in computing subsequent allocations pursuant to this Article VI so that the cumulative net amount of all items allocated to each Partner shall, to the extent possible, be equal to the amount that would have been allocated to such Partner if there had never been any allocation pursuant to this paragraph.

SECTION 6.11 Reinvestment of Proceeds. (a) With respect to Proceeds realized by the Partnership on any date prior to the Full Investment Date in respect of any Partnership Investment disposed of within one year of such investment the General Partner may (i) retain for reinvestment any such Proceeds in an amount up to the cost basis of the original investment or (ii) distribute such amounts as Remaining Capital Commitments subject to future Drawdowns at a later date.

(b) The General Partner may, in its sole discretion, defer any Distributions pursuant to Section 6.02 with respect to any lock-up or other contractual restriction on transfer or such later time as the General Partner may determine in connection with an initial public offering being consummated by the portfolio company, the subject of which is the Partnership Investment.

## ARTICLE VII

### REPORTS TO PARTNERS

SECTION 7.01. Reports. (a) The books of account and records of the Partnership shall be audited as of the end of each fiscal year by the Partnership's independent public accountants. The Partnership's independent public accountants shall be a nationally recognized independent public accounting firm selected from time to time by the General Partner in its discretion. All reports provided to the Partners pursuant to this Section 7.01 shall be prepared on the same basis as that followed by the Partnership for purposes of filing the Partnership's United States federal income tax returns.

(b) Not later than 45 days after the end of each fiscal quarter (other than the final fiscal quarter in any year) the General Partner shall prepare or cause to be prepared, and shall mail or electronically transmit to each Partner, a quarterly update on the Partnership's activities.

(c) As soon as practicable after the General Partner has received final information from

portfolio companies after the end of each fiscal year the General Partner shall prepare or cause to be prepared, and shall mail to each Partner:

(i) an audited balance sheet of the Partnership as of the end of such fiscal year;

(ii) an audited income statement of the Partnership for such fiscal year;

(iii) a statement of the Partnership's capital for such fiscal year;

(iv) a management report with respect to each Investment with respect to which such Partner is a Participating Partner; and

(v) a valuation of each Investment with respect to which such Partner is Participating Partner, determined in good faith by the General Partner, which shall be based on, in the case of (A) privately-held companies until such time as there is a liquidity event in the form of an acquisition, merger, or significant asset sale, and (B) publicly-held companies subject to a "lock up" agreement or other contractual restrictions on transfer, the cost of such Investment or such lesser value as determined by the General Partner in good faith in its reasonable business judgment; provided, that, to the fullest extent permitted by applicable law the General Partner shall not be liable to the Partnership or the Partners with respect to the accuracy of such valuation. The General Partner shall use reasonable efforts to follow industry standard valuation guidelines after consultation with the Advisory Committee.

(d) After the end of each fiscal year, the General Partner shall use commercially reasonable efforts to cause to be prepared and transmitted within 120 days of the end of such fiscal year, but in any event as promptly as possible, a United States federal income tax form K-1 for each Partner, a copy of the Partnership's return filed for United States federal income tax purposes and a report setting forth in sufficient detail such transactions effected by the Partnership during such fiscal year as shall enable each Partner to prepare its United States federal income tax return, if any the General Partner shall mail such materials to (i) each Partner and (ii) each former Partner (or its successors, assigns, heirs or personal representatives) who may require such information in preparing its United States federal income tax return.

SECTION 7.02. Audit. If at any time during the term of the Partnership either (i) three members of the Advisory Committee or (ii) the Required Partners, in either case after consultation with the General Partner, desire that an audit or other review of the Partnership, the QP Fund, any Parallel Investment Vehicles and/or Direct Investments and their activities be conducted by an independent accounting firm other than the Partnership's regular auditors, then by written notice to the General Partner such parties shall have the one-time right to require such audit or review to be conducted at the expense of the Partnership.

## ARTICLE VIII

### EXCULPATION AND INDEMNIFICATION

SECTION 8.01. Exculpation and Indemnification. (a) No Indemnified Person shall be liable to the Partnership or to the Partners for any losses, claims, damages or liabilities arising from, related to or in connection with this Agreement or the Partnership's business or affairs (including any act or omission by any Indemnified Person and any activity of the type or character disclosed in the Offering Memorandum under the captions "Potential Conflicts of Interest", "Risk Factors", or elsewhere therein (such disclosure being incorporated herein by reference), except for any losses, claims, damages or liabilities determined by final judgment of a court of competent jurisdiction to have been primarily attributable to such Indemnified Person's fraud, gross negligence, willful misconduct, bad faith or willful breach of this Agreement.

(b) To the extent that, at law or in equity, any Indemnified Person has duties (including fiduciary duties) and liabilities relating thereto to the Partnership or to any Partner, the General Partner and any other Indemnified Person acting in connection with the Partnership's affairs shall not be liable to the Partnership or to any Partner for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of any Indemnified Person otherwise existing at law or in equity, are agreed by the Partners to replace such other duties and liabilities of such Indemnified Person.

(c) Notwithstanding any provisions of law or in equity to the contrary, to the fullest extent permitted by applicable law, whenever in this Agreement the General Partner is permitted or required to make a decision (i) in its "discretion," or under a grant of similar authority or latitude, the General Partner shall be entitled to consider only such interests and factors as it desires and, provided that it acts in good faith, shall have no duty or obligation to give any consideration to any interest of or factors affecting the Partnership or any Partner or (ii) in its "good faith," or under another express standard, the General Partner shall act under such express standard and shall not be subject to any other or different standards imposed by this Agreement, or any other agreement contemplated herein.

(d) The Partnership shall, to the fullest extent permitted by applicable law, indemnify and hold harmless each Indemnified Person against any losses, claims, damages or liabilities to which such Indemnified Person may become subject in connection with any matter arising from, related to or in connection with this Agreement or such of the Partnership's business or affairs as are related to or in connection with this Agreement, except for such losses, claims damages or liabilities that are determined by the judgment of a court of competent jurisdiction to have been primarily attributable to (x) other than any member of the Advisory Committee in such Person's capacity as a member thereof, such Indemnified Person's fraud, gross negligence, willful misconduct, bad faith or willful breach of this Agreement or (y) in the case of a member of the Advisory Committee in such Person's capacity as a member thereof, such Indemnified Person's bad faith; provided that if the foregoing judgment of a court of competent jurisdiction is subsequently reversed on appeal or otherwise, then the Indemnified Party's right to the indemnification provided hereunder shall be reinstated. If any Indemnified Person becomes involved in any capacity in any action, proceeding or investigation in connection with any matter arising from related to, or in connection with, this Agreement or such of the Partnership's business or affairs as are related to or in connection with this Agreement, whether or not pending or threatened and whether or not any Indemnified Person is a party thereto, the Partnership will periodically reimburse such Indemnified Person for its legal and other expenses (including the cost of any investigation and preparation) incurred in connection therewith; provided that (x) the

Partnership shall not advance amounts with respect to legal fees and expenses in the event such Indemnified Person is the subject of an action brought by Limited Partners holding a majority of the Capital Commitments and (y) such Indemnified Person shall promptly repay to the Partnership the amount of any such reimbursed expenses paid to it to the extent that it shall ultimately be determined that such Indemnified Person is not entitled to be indemnified by the Partnership in connection with such action, proceeding or investigation as provided in the exception contained in the immediately preceding sentence. If for any reason (other than the gross negligence or willful misconduct of such Indemnified Person) the foregoing indemnification is unavailable to such Indemnified Person, or insufficient to hold it harmless, then the Partnership shall contribute to the amount paid or payable by such Indemnified Person as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative benefits received by the Partnership on the one hand and such Indemnified Person on the other hand or, if such allocation is not permitted by applicable law, to reflect not only the relative benefits referred to above but also any other relevant equitable considerations. Notwithstanding the provisions of this Section 8.01(d), no Indemnified Person shall be entitled to indemnification with respect to any matter which constitutes an Internal Dispute (as defined in the immediately succeeding sentence). For purposes of this Section 8.01(d), "Internal Dispute" means any proceeding in which both: (i) one or more officers, directors, managers or employees of the General Partner or the Partnership are suing one or more other officers, directors, managers or employees of the General Partner or the Partnership; and (ii) neither the Partnership, nor the General Partner, nor any Limited Partner, nor any issuer with respect to a Partnership Investment nor any Affiliate or associate of any of the foregoing is a plaintiff, defendant, or other participant in such proceeding.

(e) Each Partner covenants for itself and its successors, assigns, heirs and personal representatives that such Partner will, at any time prior to or after dissolution of the Partnership on demand, whether before or after such Partner's withdrawal from the Partnership (within the meaning of the Delaware Act), pay to the Partnership or the General Partner any amount which the Partnership or the General Partner, as the case may be, pays in respect of taxes (including without limitation withholding taxes, interest, penalties and any additions to tax) imposed upon income of or distributions to such Partner.

(f) Notwithstanding anything else contained in this Agreement, the reimbursement, indemnity and contribution obligations of the Partnership under Section 8.01 (d) and any comparable indemnities under Parallel Investment Vehicles or agreements relating to Direct Investments shall:

(i) be in addition to any liability that the Partnership and any such Parallel Investment Vehicle and Direct Investment may otherwise have;

(ii) extend upon the same terms and conditions to the directors, officers, stockholders, partners, employees, agents and representatives of each Indemnified Person;

(iii) be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of each Indemnified Person and any such Persons; and

(iv) at any time be limited to (A) the assets of the Partnership and applicable Parallel Investment Vehicles and Direct Investments at such time and the amount of the

Partners' aggregate Remaining Capital Commitments at such time or, (B) following dissolution of the Partnership with respect to any Limited Partner, the lesser of (x) the aggregate amount of distributions received by such Limited Partner and (y) an amount equal to 30% of such Limited Partner's Capital Commitment.

(g) The foregoing provisions of this Section 8.01 shall survive for a period of two years (other than Section 8.01(e), which shall survive for a period of five years) from the date of dissolution of the Partnership; provided that if at the end of such period, there are any actions, proceedings or investigations then pending, the General Partner shall so notify the Partners at such time (which notice shall include a brief description of each such action, proceeding or investigation and of the liabilities asserted therein) and the foregoing provisions of this Section 8.01 shall survive with respect to each such action, proceeding or investigation set forth in such notice (or any related action, proceeding or investigation based upon the same or a similar claim) until such date that such action, proceeding or investigation is ultimately resolved; and provided further that the provisions of this Section 8.01 shall not affect the obligations of the Limited Partners under Section 17-607 of the Delaware Act.

(h) The Partners acknowledge and agree that the terms of each Parallel Investment shall include provisions applicable to such Parallel Investment substantially identical to the provisions of this Section 8.01 and Section 8.02; provided that the limitations set forth in Section 8.01(f)(iv)(B) shall be applied in the aggregate with any comparable limitations of the applicable Partner's liability with respect to indemnities under Parallel Investment Vehicles or agreements relating to Direct Investments.

SECTION 8.02. Exclusive Jurisdiction. To the fullest extent permitted by applicable law, each Partner hereby agrees that any claim, action, or proceeding by any Partner seeking any relief whatsoever against any Indemnified Person based on, arising out of, or in connection with, this Agreement or the Partnership's affairs shall be brought only in the Court of Chancery sitting in the State of Delaware, or if no such court has jurisdiction over the applicable claim, the appropriate Federal court located in such location, and not in any other State or Federal court in the United States of America or any court in any other country. Each Partner acknowledges that, in the event of any breach of this provision, the Indemnified Persons have no adequate remedy at law and shall be entitled to injunctive relief to enforce the terms of this Section 8.02.

## ARTICLE IX

### DURATION AND DISSOLUTION OF THE PARTNERSHIP

SECTION 9.01. Duration. The term of the Partnership shall continue until the tenth anniversary of the Final Closing Date, unless the Partnership is sooner dissolved pursuant to Section 9.02; provided, however, that, unless the Partnership is sooner dissolved pursuant to Section 9.02, (i) the General Partner may in its sole discretion extend the term of the Partnership for up to two additional one-year periods and (ii) thereafter the General Partner may, with the consent of Limited Partners and Base Fund Partners representing 66 2/3% of, collectively, the aggregate Capital Commitments of all Limited Partners and the aggregate capital commitments of all Base Fund Partners (other than Defaulting Partners and defaulting Base Fund Partners), at

their option extend the term of the Partnership for two additional one year periods. Notwithstanding the expiration of the term of the Partnership, the Partnership shall continue in existence as a separate legal entity until cancellation of the certificate of limited partnership in accordance with the Delaware Act.

SECTION 9.02. Dissolution. Subject to the Delaware Act, the Partnership shall be dissolved and its affairs shall be wound up upon the earliest of:

(a) the expiration of the term of the Partnership provided in Section 9.01;

(b) the vote or written consent of the Required Partners;

(c) the affirmative vote of the Required Partners to remove the General Partner as a result of the occurrence of a Triggering Event with respect to the General Partner or the Management Company unless at the time there is at least one other General Partner (with respect to which there shall have been no such vote) that is hereby authorized to, and does carry on the business of the Partnership; provided that the Partnership shall not be dissolved and shall not be required to be wound up by reason of the occurrence of such vote if, within 90 days after such vote, the Required Partners agree in writing to continue the business of the Partnership and to the appointment, effective as of the date of such removal, of one or more additional general partners if necessary or desired;

(d) a decision made by the General Partner to dissolve the Partnership because the General Partner has determined in good faith that (i) changes in any applicable law or regulation would have a material adverse effect on the continuation of the Partnership or (ii) such action is necessary or desirable in order for the Partnership not to be in material violation of the Investment Company Act or ERISA, for the General Partner not to be in material violation of the Advisers Act;

(e) an event of withdrawal of the General Partner (within the meaning of the Delaware Act) unless (i) at the time there is at least one remaining General Partner and such General Partner shall agree to continue the business of the Partnership or (ii) if within 90 days after the event of withdrawal, the Required Partners agree in writing to continue the business of the Partnership and to the appointment, effective as of the date of the event of withdrawal, of a new General Partner;

(f) any time at which (i) all Partnership Investments have been disposed of and (ii) the aggregate Remaining Capital Commitments of all Partners is zero;

(g) at any time at which there are no limited partners of the Partnership, unless the business of the Partnership is continued in accordance with the Delaware Act; and

(h) the entry of a decree of judicial dissolution under Section 17-802 of the Delaware Act. The General Partner shall notify the Limited Partners promptly following its knowledge of the occurrence of a Key Person Event or a Triggering Event with respect to any of Samuel D. Isaly, Michael B. Sheffery, Carl Gordon or Sven Borho, the General Partner or the Management

Company.

SECTION 9.03. Liquidation of Partnership. Upon dissolution, the Partnership's business shall be liquidated in an orderly manner. The General Partner shall be the liquidator to wind up the affairs of the Partnership pursuant to this Agreement. If there shall be no General Partner, the Partners, upon the approval of the Required Partners, may approve one or more liquidators to act as the liquidator in carrying out such liquidation. In performing its duties, the liquidator is authorized to sell, distribute, exchange or otherwise dispose of the assets of the Partnership in accordance with the Delaware Act and in any reasonable manner that the liquidator shall determine to be in the best interest of the Partners.

SECTION 9.04. Distribution Upon Dissolution of the Partnership. (a) Upon dissolution of the Partnership, the liquidator winding up the affairs of the Partnership shall determine in good faith which assets of the Partnership shall be sold and which assets of the Partnership shall be retained for distribution in kind to the Partners. Assets to be distributed in kind shall be valued by the liquidator in good faith. Subject to the Delaware Act, after all liabilities of the Partnership have been satisfied or duly provided for, the remaining assets of the Partnership shall be distributed to the Partners in accordance with their respective Capital Account balances.

(b) In the discretion of the liquidator, and subject to the Delaware Act, liabilities of the Partnership may be provided for pursuant to this Section 9.04 in any manner, including:

(i) distribution of the assets of the Partnership to a trust established for the benefit of the Partners for purposes of liquidating such Partnership assets, collecting amounts owed to the Partnership, and paying any liabilities or obligations of the Partnership or the General Partner arising out of, or in connection with, this Agreement or the Partnership's affairs; or

(ii) withholding of distributions to the Partners to provide a reserve for the payment of future Partnership Expenses and other liabilities of the Partnership contingent or otherwise; provided that such withheld amounts shall be distributed to the Partners as soon as the liquidator determines, in its discretion, that it is no longer necessary to retain such amounts.

The assets of any trust established in connection with clause (i) above shall be distributed to the Partners from time to time, in the discretion of the liquidator, in the same proportions as the amount distributed to such trust by the Partnership would otherwise have been distributed to the Partners pursuant to this Agreement.

SECTION 9.05. Withdrawal, Death or Incompetency of a Limited Partner. Except as otherwise provided in Article XI, a Limited Partner may not withdraw from the Partnership prior to its termination. Upon the death or incompetency of an individual Limited Partner, such Limited Partner's executor, administrator, guardian, conservator or other legal representative may exercise all of such Limited Partner's rights for the purpose of settling such Limited Partner's estate or administering such Limited Partner's property, except that the General Partner may reduce or cancel such Limited Partner's obligation to make future Capital Contributions on such terms as the General Partner determines in its discretion. Except as expressly provided in this Agreement, no other event affecting a Limited Partner (including bankruptcy or insolvency)

shall, in and of itself, affect its obligations under this Agreement or cause the dissolution of the Partnership.

ARTICLE X

TRANSFERABILITY OF GENERAL PARTNER'S INTEREST

SECTION 10.01. Transferability of General Partner's Interest. The General Partner may not sell, exchange, transfer, assign, pledge, hypothecate or otherwise dispose of all or any portion of its interest in the Partnership (any such sale, exchange, transfer, assignment, pledge, hypothecation or other disposition being herein collectively called "Transfers") to any Person other than an Affiliate controlled, directly or indirectly, by the current direct or indirect members of the General Partner. If the General Partner so determines in good faith, and to the extent permitted by the preceding sentence, the General Partner may admit any Person to whom the General Partner proposes to make such a Transfer as an additional or, if the General Partner transfers all of its interest, a substitute General Partner of the Partnership, and such transferee shall be deemed admitted to the Partnership as General Partner of the Partnership immediately prior to such Transfer and shall continue the business of the Partnership without dissolution.

Except as otherwise provided in this Section 10.01, the General Partner may not withdraw or be removed from the Partnership prior to its dissolution.

SECTION 10.02. Advisers Act. Notwithstanding the foregoing provisions of this Article X, the General Partner shall not assign any of its rights or duties hereunder except with such approval of the Partners as is required under the Advisers Act.

ARTICLE XI

TRANSFERABILITY OF A LIMITED PARTNER'S INTEREST

SECTION 11.01. Restrictions on Transfer and Withdrawals. (a) No direct or indirect Transfer of all or any part of a Limited Partner's interest in the Partnership may be made without the prior written consent of the General Partner (which may, in the General Partner's sole discretion, be granted on such terms as the General Partner determines or withheld). If the General Partner consents to any direct or indirect Transfer, such Limited Partner shall be free to make such Transfer within 120 days after notice of such consent. The General Partner shall be authorized pursuant to this Section 11.01 to consent to the direct or indirect Transfer of a Limited Partner's interest in the Partnership to any Person, including without limitation the General Partner or any of its Affiliates. In addition, a Limited Partner may not withdraw any of its Interest in the Partnership except in limited circumstances when required by the General Partner in its discretion to comply with applicable law or otherwise to ensure that no adverse tax, regulatory or other consequences to the Partnership, the General Partner or any of the Limited Partners will arise from the continued investment by such Limited Partner.

(b) The foregoing provisions of this Section 11.01 shall not apply to any direct or indirect Transfer which shall occur by operation of law.

SECTION 11.02. Expenses of Transfer: Indemnification. All expenses, including attorneys' fees and expenses, incurred by the General Partner or the Partnership in connection with any direct or indirect Transfer shall be borne by the transferring Limited Partner or such Limited Partner's transferee (any such transferee, when admitted as a limited partner of the Partnership and shown as such on the books and records of the Partnership, being hereinafter called a "Substituted Partner"). In addition the transferring Limited Partner or such transferee shall indemnify the Partnership and the General Partner in a manner satisfactory to the General Partner against any losses, claims, damages or liabilities to which the Partnership, the General Partner or any Affiliate of the General Partner may become subject arising out of or based upon any false representation or warranty made by or breach or failure to comply with any covenant or agreement of, such transferring Limited Partner or such transferee in connection with such Transfer.

SECTION 11.03. Recognition of Transfer; Substituted Partners. (a) The Partnership shall not (subject to Section 9.05) recognize for any purpose any purported direct or indirect Transfer of all or any part of a Limited Partner's Interest in the Partnership and no purchaser, assignee, transferee or other recipient of all or any part of such interest shall become a Substituted Partner hereunder unless:

(i) the provisions of Section 11.01 and, in the case of a Substituted Partner, Section 11.03(b) shall have been complied with;

(ii) the General Partner shall have been furnished with the documents effecting such Transfer, in form reasonably satisfactory to the General Partner executed and acknowledged by both the seller, assignor or transferor and the purchaser, assignee, transferee or other recipient;

(iii) such purchaser, assignee, transferee or other recipient shall have represented that such Transfer was made in accordance with all applicable laws and regulations;

(iv) all necessary governmental consents shall have been obtained in respect of such Transfer;

(v) all necessary instruments reflecting such admission shall have been filed in each jurisdiction in which such filing is necessary in order to qualify the Partnership to conduct business or to preserve the limited liability of the Limited Partners; and

(vi) the General Partner shall have determined that such Transfer will not result in the Partnership being treated as publicly traded partnership as defined in Section 7704(b) of the Code.

(b) Each Substituted Partner, as a condition to its admission as a Limited Partner, shall execute and acknowledge such instruments (including a counterpart of this Agreement), in form and substance satisfactory to the General Partner, as the General Partner reasonably deems necessary or desirable to effectuate such admission and to confirm the agreement of such

A Substituted Partner shall be deemed admitted to the Partnership upon its execution of a counterpart signature page to this Agreement. The admission of a Substituted Partner shall not require the approval of any Limited Partner. As promptly as practicable after the admission of a Substituted Partner, the books and records of the Partnership shall be changed to reflect such admission.

SECTION 11.04. Transfers During a Fiscal Year. If any direct or indirect Transfer (other than a pledge or hypothecation) of a Limited Partner's interest in the Partnership shall occur at any time other than the end of the Partnership's fiscal year, the distributive shares of the various items of Partnership income, gain, loss, and expense as computed for tax purposes and the related cash distributions shall be allocated between the transferor and the transferee on a basis consistent with applicable requirements under Section 706 of the Code; provided that no allocation agreed to between the transferor and the transferee shall be effective unless (i) the transferor and the transferee shall have given the Partnership written notice, prior to the effective date of such Transfer, stating their agreement that such allocation shall be made on a certain basis consistent with the applicable requirements under Section 706 of the Code, (ii) the General Partner shall have consented to such allocation and (iii) the transferor and the transferee shall have agreed to reimburse the General Partner for any incremental accounting fees and other expenses incurred by the General Partner in making such allocation.

SECTION 11.05. No Secondary Market. In no event shall the Partnership participate in the establishment of a secondary market or the substantial equivalent thereof as defined in Treasury Regulations Section 1.7704-1(c), or in the inclusion of its interests on such a market or on an established securities market as defined in Treasury Regulations Section 1.7704-1(b), nor shall the Partnership recognize any transfers made on any of the foregoing markets by admitting the purported transferee as a Limited Partner or otherwise recognizing the rights or such transferee.

## INVESTMENT ADVISORY AGREEMENT

AGREEMENT made as of October 11, 2000 between PW JUNIPER CROSSOVER FUND, L.L.C., a Delaware limited liability company (the "Fund"), and PW Juniper management, l.l.c. (the "Adviser"), a Delaware limited liability company registered as an investment adviser under the Investment Advisers Act of 1940, as amended.

WHEREAS, the Fund is registered under the Investment Company Act of 1940, as amended (the "1940 Act"), as a closed-end management investment company and desires to retain the Adviser as investment adviser to furnish certain investment advisory and portfolio management services to the Fund, and the Adviser is willing to furnish these services;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, it is agreed between the parties hereto as follows:

1. APPOINTMENT. The Fund hereby appoints the Adviser as investment adviser of the Fund for the period and on the terms set forth in this Agreement. The Adviser accepts this appointment and agrees to render the services herein set forth, for the compensation herein described.

2. DUTIES AS INVESTMENT ADVISER.

(a) Subject to the supervision of the Fund's Board of Directors (the "Board"), the Adviser will have full discretion and authority (i) to manage the assets and liabilities of the Fund and (ii) to manage the day-to-day business and affairs of the Fund. In furtherance of and subject to the foregoing, the Adviser will have full power and authority on behalf of the Fund, among other matters:

(1) to purchase, sell, exchange, trade and otherwise deal in and with securities and other property of the Fund and to loan securities of the Fund;

(2) to open, maintain and close accounts with brokers and dealers, to make all decisions relating to the manner, method and timing of securities and other investment transactions, to select and place orders with brokers, dealers or other financial intermediaries for the execution, clearance or settlement of any transactions on behalf of the Fund on such terms as the Adviser considers appropriate, and to grant limited discretionary authorization to such persons with respect to price, time and other terms of investment and trading transactions, subject to Paragraph 2(b);

(3) to borrow from banks or other financial institutions and to pledge Fund assets as collateral therefor, to trade on margin, to exercise or refrain from exercising all rights regarding the Fund's investments, and to instruct custodians regarding the settlement of transactions, the disbursement of payments to the Fund's investors (the "Members") with respect to repurchases of interests in the Fund ("Interests") and the payment of Fund expenses, including those relating to the organization and registration of the Fund;

(4) to call and conduct meetings of Members at the Fund's principal office or elsewhere as it may determine and to assist the Board in calling and conducting meetings of the Board;

(5) to engage and terminate such attorneys, accountants and other professional advisers and consultants as the Adviser may deem necessary or advisable in connection with the affairs of the Fund or as may be directed by the Board;

(6) to engage and terminate the services of persons to assist the Adviser in providing, or to provide under the Adviser's control and supervision, advice and management to the Fund at the expense of the Adviser and to terminate such services;

(7) as directed by the Board, to commence, defend and conclude any action, suit, investigation or other proceeding that pertains to the Fund or any assets of the Fund;

(8) if directed by the Board, to arrange for the purchase of (A) one or more "key man" insurance policies on the life of any principal of a member of the Adviser, the benefits of which are payable to the Fund, or (B) any insurance covering the potential liabilities of the Fund or relating to the performance of the Board or the Adviser, or any of their principals, directors, officers, members, employees and agents; and

(9) to execute, deliver and perform such contracts, agreements and other undertakings, and to engage in such activities and transactions as are, in the opinion of the Adviser, necessary and appropriate for the conduct of the business of the Fund without the act, vote or approval of any other Members or person.

(b) The Adviser, in its discretion, may use brokers who provide the Fund with research, analysis, advice and similar services to execute portfolio transactions on behalf of the Fund, and the Adviser may pay to those brokers in return for brokerage and research services a higher commission than may be charged by other brokers, subject to the Adviser's good faith determination that such commission is reasonable in terms either of the particular transaction or of the overall responsibility of the Adviser to the Fund and its other clients and that the total commissions paid by the Fund will be reasonable in relation to the benefits to the Fund over the long term. Whenever the Adviser simultaneously places orders to purchase or sell the same security on behalf of the Fund and one or more other accounts advised by the Adviser, such orders will be allocated as to price and amount among all such accounts in a manner believed to be equitable to each account. The Fund recognizes that in some cases this procedure may adversely affect the results obtained for the Fund.

(c) The Fund hereby authorizes the Adviser and any entity or person associated with the Adviser which is a member of a national securities exchange to effect any transaction on such exchange for the account of the Fund, which transaction is permitted by Section 11(a) of the Securities Exchange Act of 1934, as amended, and the Fund hereby consents to the retention of compensation by the Adviser or any person or entity associated with the Adviser.

3. SERVICES NOT EXCLUSIVE. The services furnished by the Adviser hereunder are not to be deemed exclusive and the Adviser shall be free to furnish similar services to others. Nothing in this Agreement shall limit or restrict the right of any director, officer or employee of

the Adviser or its affiliates, who also may be a Director, officer or employee of the Fund, to engage in any other business or to devote his or her time and attention in part to the management or other aspects of any other business, whether of a similar or dissimilar nature.

#### 4. EXPENSES.

(a) During the term of this Agreement, the Fund will bear all expenses incurred in the business of the Fund other than those not specifically assumed by the Adviser. Expenses to be borne by the Fund will include, but are not limited to, the following:

(1) all costs and expenses directly related to portfolio transactions and positions for the Fund's account, including, but not limited to, brokerage commissions, research fees, interest and commitment fees on loans and debit balances, borrowing charges on securities sold short, dividends on securities sold short but not yet purchased, custodial fees, shareholder servicing fees, margin fees, transfer taxes and premiums and taxes withheld on foreign dividends;

(2) all costs and expenses associated with the organization and registration of the Fund, certain offering costs and the costs of compliance with any applicable Federal or state laws;

(3) the costs and expenses of holding any meetings of any Members that are regularly scheduled, permitted or required to be held under the terms of the Fund's Limited Liability Company Agreement (the "LLC Agreement"), the 1940 Act or other applicable law;

(4) the fees and disbursements of any attorneys, accountants, auditors and other consultants and professionals engaged on behalf of the Fund, including all travel-related expenses and other costs associated with due diligence performed, in connection with the analysis, purchase and sale of companies whose private securities may be purchased by the Fund;

(5) the fees of custodians and other persons providing administrative services to the Fund;

(6) the costs of a fidelity bond and any liability insurance obtained on behalf of the Fund, the Adviser or its affiliates, or the Directors;

(7) all costs and expenses of preparing, setting in type, printing and distributing reports and other communications to Members;

(8) all expenses of computing the Fund's net asset value, including any equipment or services obtained for the purpose of valuing the Fund's investment portfolio, including appraisal and valuation services provided by third parties;

(9) all charges for equipment or services used for communications between the Fund and any custodian, or other agent engaged by the Fund; and

(10) such other types of expenses as may be approved from time to time by the Board.

(b) The payment or assumption by the Adviser of any expenses of the Fund that the Adviser is not required by this Agreement to pay or assume shall not obligate the Adviser to pay or assume the same or any similar expense of the Fund on any subsequent occasion.

5. COMPENSATION. As full compensation for the services provided to the Fund and the expenses assumed by the Adviser under this Agreement, the Adviser shall be entitled to be the Special Advisory Member of the Fund pursuant to the terms of the LLC Agreement and to receive an incentive allocation in accordance with the terms and conditions of Section 5.8 of the LLC Agreement.

6. LIMITATION OF LIABILITY OF THE ADVISER. The Adviser shall not be liable for any error of judgment or mistake of law or for any loss suffered by the Fund or any Members in connection with the matters to which this Agreement relates, except to the extent that such a loss results from willful misfeasance, bad faith or gross negligence on its part in the performance of its duties or from reckless disregard by it of its obligations and duties under this Agreement. Any person, even though also an officer, director, employee, or agent of the Adviser or its affiliates, who may be or become an officer, Director, employee or agent of the Fund, shall be deemed, when rendering services to the Fund or acting with respect to any business of the Fund, to be rendering such service to or acting solely for the Fund and not as an officer, director, employee, or agent or one under the control or direction of the Adviser even though compensated by it.

7. INDEMNIFICATION.

(a) The Fund will indemnify the Adviser and its affiliates, and each of their members, directors, officers and employees and any of their affiliated persons, executors, heirs, assigns, successors or other legal representatives (each an "Indemnified Person") against any and all costs, losses, claims, damages or liabilities, joint or several, including, without limitation, reasonable attorneys' fees and disbursements, resulting in any way from the performance or non-performance of any Indemnified Person's duties in respect of the Fund, except those resulting from the willful malfeasance, bad faith or gross negligence of an Indemnified Person or the Indemnified Person's reckless disregard of such duties and, in the case of criminal proceedings, unless such Indemnified Person had reasonable cause to believe its actions unlawful (collectively, "disabling conduct"). Indemnification shall be made following:

(i) a final decision on the merits by a court or other body before whom the proceeding was brought that the Indemnified Person was not liable by reason of disabling conduct or (ii) a reasonable determination, based upon a review of the facts and reached by (A) the vote of a majority of the Directors who are not parties to the proceeding or (B) legal counsel selected by a vote of a majority of the Board in a written advice, that the Indemnified Person is entitled to indemnification hereunder. The Fund shall advance to an Indemnified Person reasonable attorneys' fees and other costs and expenses incurred in connection with defense of any action or proceeding arising out of such performance or non-performance. The Adviser agrees, and each other Indemnified Person will be required to agree as a condition to any such advance, that if one of the foregoing parties receives any such advance, the party will reimburse the Fund for such fees, costs and expenses to the extent that it shall be determined that the party was not entitled to indemnification under this Paragraph 7. The rights of indemnification provided hereunder shall

not be exclusive of or affect any other rights to which any person may be entitled by contract or otherwise under law.

(b) Notwithstanding any of the foregoing, the provisions of this Paragraph 7 shall not be construed so as to relieve the Indemnified Person of, or provide indemnification with respect to, any liability (including liability under Federal securities laws, which, under certain circumstances, impose liability even on persons who act in good faith) to the extent (but only to the extent) that such liability may not be waived, limited or modified under applicable law or that such indemnification would be in violation of applicable law, but shall be construed so as to effectuate the provisions of this Paragraph 7 to the fullest extent permitted by law.

#### 8. DURATION AND TERMINATION.

(a) This Agreement will become effective upon the date hereof, provided that this Agreement will not take effect unless it has first been approved (i) by a vote of a majority of those Directors who are not parties to this Agreement or interested persons of any such party, cast in person at a meeting called for the purpose of voting on such approval, and (ii) by vote of a majority of the outstanding voting securities of the Fund.

(b) Unless sooner terminated as provided herein, this Agreement shall continue in effect for two years from the date hereof. Thereafter, if not terminated, this Agreement shall continue automatically for successive one-year periods, provided that such continuance is specifically approved at least annually (i) by a vote of a majority of those Directors who are not parties to this Agreement or interested persons of any such party, cast in person at a meeting called for the purpose of voting on such approval, and (ii) by the Board or by vote of a majority of the outstanding voting securities of the Fund.

(c) Notwithstanding the foregoing, this Agreement may be terminated at any time, without the payment of any penalty, by vote of the Board or by a vote of a majority of the Fund's outstanding voting securities on 60 days' written notice to the Adviser or by the Adviser at any time, without the payment of any penalty, on 60 days' written notice to the Fund. This Agreement will automatically terminate in the event of its assignment.

9. AMENDMENT OF THIS AGREEMENT. No provision of this Agreement may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought.

10. GOVERNING LAW. This Agreement shall be construed in accordance with the laws of the State of New York, without giving effect to the conflicts of laws principles thereof, and in accordance with the 1940 Act. To the extent that the applicable laws of the State of New York conflict with the applicable provisions of the 1940 Act, the latter shall control.

11. MISCELLANEOUS. The captions in this Agreement are included for convenience of reference only and in no way define or delimit any of the provisions hereof or otherwise affect their construction or effect. If any provision of this Agreement shall be held or made invalid by a court decision, statute, rule or otherwise, the remainder of this Agreement shall not be affected thereby. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors. As used in this Agreement, the terms "majority of the

outstanding voting securities," "affiliated person," "interested person," "assignment," "broker," "investment adviser," "national securities exchange," "sell" and "security" shall have the same meaning as such terms have in the 1940 Act, subject to such exemption as may be granted by the Securities and Exchange Commission by any rule, regulation or order. Where the effect of a requirement of the 1940 Act reflected in any provision of this contract is relaxed by a rule, regulation or order of the Securities and Exchange Commission, whether of special or general application, such provision shall be deemed to incorporate the effect of such rule, regulation or order.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their officers designated as of the day and year first above written.
